

NEW ISSUE**BOOK-ENTRY ONLY**

*In the opinion of Bond Counsel, based on existing statutes, regulations, rulings and court decisions, the interest on the Series 2014 Bonds is excludable from gross income for federal income tax purposes, subject to the condition that the City comply with all requirements of the Internal Revenue Code that must be satisfied subsequent to the issuance of the Series 2014 Bonds, and the Series 2014 Bonds and interest thereon are exempt from all Arkansas state, county and municipal tax. In the opinion of Bond Counsel, interest on the Series 2014 Bonds is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals and corporations; however, it should be noted that with respect to corporations (as defined for federal income tax purposes), such interest is taken into account in determining adjusted current earnings for the purpose of computing the alternative minimum tax. Further, in the opinion of Bond Counsel, the Series 2014 Bonds are qualified tax-exempt obligations within the meaning of Section 265 of the Internal Revenue Code. See **LEGAL MATTERS, Tax Exemption** herein.*

INTRODUCTION TO OFFICIAL STATEMENT

This Introduction is subject in all respects to the more complete information contained in this Official Statement. The offering of the Series 2014 Bonds (defined below) to potential investors is made only by means of the entire Official Statement, including the cover page hereof and exhibits hereto. A full review should be made of the entire Official Statement, as well as the Authorizing Ordinance described herein.

This Official Statement of the City of Alma, Arkansas (the "City") is furnished in connection with the offering by the City of its \$5,550,000 principal amount of Sales and Use Tax Refunding and Improvement Bonds, Series 2014, dated November 1, 2014 (the "Series 2014 Bonds"). The Series 2014 Bonds are being issued for the purpose of (i) advance refunding the City's Capital Improvement Refunding and Improvement Revenue Bond, dated January 19, 2012 (the "Bond Refunded") and (ii) financing all or a portion of the costs of capital improvements (the "2014 Improvements").

The City is a city of the first class duly organized under the laws of the State of Arkansas (the "State") and is located in northwestern Arkansas. The City is authorized under Amendment No. 62 to the Constitution of the State ("Amendment 62") and Title 14, Chapter 164, Subchapter 3 of the Arkansas Code of 1987 Annotated (the "Authorizing Legislation") to issue capital improvement bonds and to expend the proceeds thereof for the intended purposes. See **THE CITY AND THE COUNTY**.

The Series 2014 Bonds are not general obligations of the City, but are special obligations payable solely from collections of a 1% sales and use tax (the "Tax") levied by the City (the "Pledged Revenues"). See **SECURITY FOR THE SERIES 2014 BONDS, The Tax**.

The Tax is levied under Ordinance No. 2014-6 of the City adopted May 15, 2014 (the "Tax Ordinance"), under the authority of the Authorizing Legislation. The voters approved the Tax at the special election held August 12, 2014. The Tax will replace an existing 1% sales and use tax levied under Ordinance No. 2009-07 of the City adopted on July 16, 2009 (the "2009 Tax"). The effective date of the Tax will be the day following the date the 2009 Tax expires. Collections of the Tax may only be used to pay obligations with respect to the Series 2014 Bonds and any Additional Parity Bonds (hereinafter defined). See **SECURITY FOR THE SERIES 2014 BONDS, The Tax**.

The issuance of the Series 2014 Bonds and the pledging of the Pledged Revenues to the payment of principal of and interest on the Series 2014 Bonds were approved at the special election held August 12, 2014. The Series 2014 Bonds are being issued pursuant to and in full compliance with Amendment 62, the Authorizing Legislation and Ordinance No. 2014-13 of the City, adopted on October 16, 2014 (the "Authorizing Ordinance"). See **THE AUTHORIZING ORDINANCE**.

The City has reserved the right in the Authorizing Ordinance to issue additional bonds on a parity of security with the Series 2014 Bonds (the "Additional Parity Bonds"). See **THE SERIES 2014 BONDS, Security**.

The Series 2014 Bonds are issuable only as fully registered bonds, without coupons, in the denomination of \$5,000 or integral multiple thereof. Interest is payable on May 1, 2015, and semiannually thereafter on each May 1 and November 1. Principal is payable at the principal office of Bank of the Ozarks, Little Rock, Arkansas, as trustee and paying agent for the Series 2014 Bonds (the "Trustee"). Interest is payable by the Trustee to the registered owners as of the record date for each interest payment date. The record date for payment of interest on the Series 2014 Bonds shall be the fifteenth day of the calendar month next preceding each interest payment date. A Series 2014 Bond may be transferred, in whole or in part (in

integral multiples of \$5,000), but only upon delivery of the Series 2014 Bond, together with a written instrument of transfer, to the Trustee. See **THE SERIES 2014 BONDS, Generally**.

The Series 2014 Bonds will be initially issued in book-entry form and purchasers of the Series 2014 Bonds will not receive certificates representing their interest in the Series 2014 Bonds purchased. See **THE SERIES 2014 BONDS, Book-Entry Only System**. The Series 2014 Bonds will contain such other terms and provisions as described herein. See **THE SERIES 2014 BONDS, Generally**.

The Series 2014 Bonds are subject to extraordinary redemption from proceeds of the Series 2014 Bonds not needed for the purposes intended and Surplus Tax Receipts (hereinafter defined). The Series 2014 Bonds are subject to optional redemption on and after May 1, 2020. The Series 2014 Bonds maturing on November 1, 2029 and November 1, 2034 are subject to mandatory sinking fund redemption as described herein. The Trustee shall give at least thirty (30) days' notice of redemption. See **THE SERIES 2014 BONDS, Redemption**.

Under existing law and assuming compliance with certain covenants described herein, (i) interest on the Series 2014 Bonds is excludable from gross income for federal income tax purposes, (ii) interest on the Series 2014 Bonds is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals and corporations; however, it should be noted that with respect to corporations (as defined for federal income tax purposes), such interest is taken into account in determining adjusted current earnings for the purpose of computing the alternative minimum tax, (iii) the Series 2014 Bonds are "qualified tax-exempt obligations" within the meaning of Section 265 of the Internal Revenue Code of 1986, as amended (the "Code"), and (iv) the Series 2014 Bonds and interest thereon are exempt from all State, county and municipal tax. See **LEGAL MATTERS, Tax Exemption**.

It is expected that the Series 2014 Bonds will be available for delivery on or about November 20, 2014 through the facilities of the Depository Trust Company in New York, New York.

The City and the Trustee have entered into a Continuing Disclosure Agreement in order to assist the Underwriter in complying with Securities and Exchange Commission Rule 15c2-12(b)(5) (the "Continuing Disclosure Agreement"). See **CONTINUING DISCLOSURE AGREEMENT**.

This Official Statement speaks only as of its date, and the information contained herein is subject to change. Copies of the Authorizing Ordinance and the Continuing Disclosure Agreement summarized herein are available upon request from Stephens Inc., 111 Center Street, Suite 2300, Little Rock, Arkansas 72201, Attention: Public Finance.

THE SERIES 2014 BONDS

Book-Entry Only System. The Depository Trust Company ("DTC"), New York, New York, or its successor, will act as securities depository for the Series 2014 Bonds. The Series 2014 Bonds will each be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee). One fully-registered Series 2014 Bond certificate for each maturity will be issued in the principal amount of the maturity, and will be deposited with DTC.

DTC is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds securities that its participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC

is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com and www.dtc.org.

Purchases of Series 2014 Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Series 2014 Bonds on DTC's records. The ownership interest of each actual purchaser of each Series 2014 Bond (referred to herein as "Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Series 2014 Bonds are to be accomplished by entries made on the books of Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interest in Series 2014 Bonds, except in the event that use of the book-entry system for the Series 2014 Bonds is discontinued.

To facilitate subsequent transfers, all Series 2014 Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co. or such other name as may be requested by an authorized representative of DTC. The deposit of the Series 2014 Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Series 2014 Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Series 2014 Bonds are credited, which may or may not be the Beneficial Owners. Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time.

Redemption notices will be sent to Cede & Co. If fewer than all of the Series 2014 Bonds are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the Series 2014 Bonds unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the Trustee as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Series 2014 Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Principal, interest and premium, if any, payments on the Series 2014 Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the City or Trustee, on the payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, the Trustee, or the City, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of principal, interest and premium, if any, to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the Trustee, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners shall be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as securities depository with respect to the Series 2014 Bonds at any time by giving reasonable notice to the City or the Trustee. Under such circumstances, in the event that a successor securities depository is not obtained, Series 2014 Bonds are required to be printed and delivered. The City may decide to discontinue use of the system of book-entry transfers through DTC (or a successor securities depository). In that event, Series 2014 Bonds will be printed and delivered.

The information concerning DTC and DTC's book-entry system set forth above has been obtained from DTC. Neither the Underwriter nor the City makes any representation or warranty regarding the accuracy or completeness thereof.

So long as the Series 2014 Bonds are in book-entry only form, Cede & Co., as nominee for DTC, will be treated as the sole owner of the Series 2014 Bonds for all purposes under the Authorizing Ordinance, including receipt of all principal of and interest on the Series 2014 Bonds, receipt of notices, voting and requesting or directing the Trustee to take or not to take, or consenting to, certain actions under the Authorizing Ordinance. The City and the Trustee have no responsibility or obligation to the Participants or the Beneficial Owners with respect to (a) the accuracy of any records maintained by DTC or any Participant; (b) the payment by any Participant of any amount due to any Beneficial Owner in respect of the principal of and interest on the Series 2014 Bonds; (c) the delivery or timeliness of delivery by any Participant of any notice to any Beneficial Owner which is required or permitted under the terms of the Authorizing Ordinance to be given to owners of the Series 2014 Bonds; or (d) other action taken by DTC or Cede & Co. as owner of the Series 2014 Bonds.

Generally. The Series 2014 Bonds are dated, mature and bear interest as set forth on the cover page hereof. The principal of the Series 2014 Bonds is payable upon presentation and surrender at the principal office of the Trustee. Payment of interest on the Series 2014 Bonds will be made to each registered owner thereof by check or draft mailed by the Trustee to such owner at his address as such name and address appear on the registration book of the City kept by the Trustee on the record date which is the fifteenth day of the calendar month next preceding the calendar month in which such interest payment date falls. All such payments will be made in lawful money of the United States of America.

The Series 2014 Bonds are issuable in the form of registered Series 2014 Bonds without coupons in the denomination of \$5,000 each or any integral multiple thereof, interchangeable in accordance with the provisions of the Authorizing Ordinance. In the event any Series 2014 Bond is mutilated, lost or destroyed, the City shall, if not then prohibited by law, execute and the Trustee may authenticate a new Series 2014 Bond in accordance with the provisions therefor in the Authorizing Ordinance.

Each Series 2014 Bond is transferable by the registered owner thereof or by his attorney duly authorized in writing at the principal office of the Trustee. Upon such transfer a new fully registered Series 2014 Bond or Series 2014 Bonds of the same maturity, of authorized denomination or denominations, for the same aggregate principal amount will be issued to the transferee in exchange therefor.

No charge shall be made to any owner of any Series 2014 Bond for the privilege of registration, but any owner of any Series 2014 Bond requesting any such registration shall pay any tax or other governmental charge required to be paid with respect thereto. Except as otherwise provided in the immediately preceding sentence, the cost of preparing each new Series 2014 Bond upon each exchange or transfer and any other expenses of the City or the Trustee incurred in connection therewith shall be paid by the City. Neither the City nor the Trustee shall be required to transfer or exchange any Series 2014 Bonds selected for redemption in whole or in part.

The person in whose name any Series 2014 Bond shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes, and payment of or on account of the principal or interest of any Series 2014 Bond shall be made only to or upon the order of the registered owner thereof or his legal representative, but such registration may be changed as hereinabove provided. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Series 2014 Bond to the extent of the sum or sums so paid.

In any case where the date of maturity of interest on or principal of the Series 2014 Bonds or the date fixed for redemption of any Series 2014 Bonds shall be a Saturday or Sunday or shall be in the State a legal holiday or a day on which banking institutions are authorized by law to close, then payment of interest or principal need not be made on such date but may be made on the next succeeding business day with the same force and effect as if made on the date of maturity or the date fixed for redemption, and no interest shall accrue for the period after the date of maturity or date fixed for redemption.

Redemption. The Series 2014 Bonds are subject to extraordinary, optional and mandatory sinking fund redemption as follows:

(1) Extraordinary Redemption. The Series 2014 Bonds shall be redeemed from Surplus Tax Receipts (hereinafter defined) and from proceeds of the Series 2014 Bonds not needed for the purposes intended, in inverse order of maturity (and by lot within a maturity in such manner as the Trustee shall determine), in whole at any time or in part on any interest payment date, at a redemption price equal to the principal amount being redeemed plus accrued interest to the redemption date.

"Surplus Tax Receipts" are collections of the Tax in excess of the amount necessary to (1) insure the prompt payment of the principal of, interest on and Trustee's fees and expenses and other administrative charges in connection with the Series 2014 Bonds and the Additional Parity Bonds, (2) maintain the debt service reserve in the required amount and (3) pay any arbitrage rebate due under Section 148(f) of the Code.

If there are no Additional Parity Bonds outstanding, the City shall apply 100% of the Surplus Tax Receipts to the redemption of the Series 2014 Bonds. If the City issues Additional Parity Bonds, the City shall apply the Surplus Tax Receipts to the redemption of the Series 2014 Bonds and the Additional Parity Bonds pro rata based on outstanding principal amount.

In case of any defeasance of the Series 2014 Bonds, redemption of defeased Series 2014 Bonds shall be scheduled on the basis of mandatory redemption requirements and assuming annual collections of the Tax in an amount equal to receipts for the most recent twelve-month period.

(2) Optional Redemption. The Series 2014 Bonds are subject to redemption at the option of the City, from funds from any source, on and after May 1, 2020, in whole at any time or in part on any interest payment date, at a redemption price equal to the principal amount being redeemed plus accrued interest to the redemption date. If fewer than all of the Series 2014 Bonds shall be called for redemption, the particular maturities of the Series 2014 Bonds to be redeemed shall be selected by the City in its discretion. If fewer than all of the Series 2014 Bonds of any one maturity shall be called for redemption, the particular Series 2014 Bonds or portion thereof to be redeemed from such maturity shall be selected by lot by the Trustee.

(3) Mandatory Sinking Fund Redemption. To the extent not previously redeemed, the Series 2014 Bonds maturing on November 1, 2029 and November 1, 2034 are subject to mandatory sinking fund redemption by lot in such manner as the Trustee shall determine, on November 1 in the years and in the amounts set forth below, at a redemption price equal to the principal amount being redeemed plus accrued interest to the date of redemption:

Bonds Maturing November 1, 2029

<u>Years</u> <u>(November 1)</u>	<u>Principal Amount</u>
2026	\$290,000
2027	290,000
2028	295,000
2029 (maturity)	305,000

Bonds Maturing November 1, 2034

<u>Years</u> <u>(November 1)</u>	<u>Principal Amount</u>
2030	\$315,000
2031	325,000
2032	340,000
2033	350,000
2034 (maturity)	355,000

In the case of any redemption of Series 2014 Bonds prior to maturity, the Trustee shall mail a copy of the redemption notice, or by other standard means, including facsimile transmission and electronic communication, to the registered owners of the Series 2014 Bonds to be redeemed, in each case not less than 30 nor more than 60 days prior to the date of redemption. After the date for redemption no further interest shall accrue on any Series 2014 Bond called for redemption if funds for redemption of such Series 2014 Bond have been deposited with the Trustee as provided in the Authorizing Ordinance.

Notwithstanding the above, so long as the Series 2014 Bonds are issued in book-entry only form, if fewer than all the Series 2014 Bonds of an issue are called for redemption, the particular Series 2014 Bonds to be redeemed will be selected pursuant to the procedures established by DTC. So long as the Series 2014 Bonds are issued in book-entry only form, notice of redemption will be given only to Cede & Co., as nominee for DTC. **The Trustee will not give any notice of redemption to the Beneficial Owners of the Series 2014 Bonds.**

Otherwise, any selection of Series 2014 Bonds by lot shall be effected by the Trustee, by any method chosen by the Trustee in its discretion.

The payment of Underwriter's discount and the costs of issuing the Series 2014 Bonds relating to the payment of professional fees will be contingent on the Series 2014 Bonds being issued. See MISCELLANEOUS, Underwriting for a description of the Underwriter's discount. The City will deposit the net proceeds of the Series 2014 Bonds (principal amount plus accrued interest and any original issue premium and less any original issue discount, Underwriter's discount, Refunding deposit, Debt Service Reserve deposit and certain issuance costs), into four special funds in the Trustee designated the "2014 Firefighting Improvements Fund," the "2014 Police Improvements Fund," the "2014 Park and Recreational Improvements Fund," and the "2014 Parking Improvements Fund" (collectively, the "Construction Fund"). Moneys contained in the Construction Fund will be disbursed by the Trustee solely in payment of costs of the 2014 Improvements, paying necessary expenses incidental thereto and paying expenses of issuing the Series 2014 Bonds. Disbursements shall be on the basis of requisitions which shall contain at least the

following information: the person to whom payment is being made; the amount of the payment; and the purpose by general classification of the payment. For a description of how the Series 2014 Bond proceeds are to be invested pending use and the provisions governing those investments, see **THE AUTHORIZING ORDINANCE, Investments**.

SECURITY FOR THE SERIES 2014 BONDS

General. The Series 2014 Bonds are not general obligations of the City but are special obligations, secured by a first and prior pledge of the Pledged Revenues. Pledged Revenues shall be used to pay the principal of and interest on the Series 2014 Bonds and any Additional Parity Bonds, and thereafter to pay Trustee's fees and expenses and other administrative charges, to pay any arbitrage rebate due under Section 148(f) of the Code, and to maintain the debt service reserve, hereinafter described, at the required level. The Series 2014 Bonds are secured under the Authorizing Ordinance. For a summary of the terms of the Authorizing Ordinance, see THE AUTHORIZING ORDINANCE.

Debt Service Reserve. A debt service reserve will be maintained in the Bond Fund in an amount equal to the maximum annual principal and interest requirements on the Series 2014 Bonds and the Additional Parity Bonds (the "Required Level"). See **THE AUTHORIZING ORDINANCE, The Bond Fund**. The debt service reserve will be funded with the proceeds of the Series 2014 Bonds and any Additional Parity Bonds. The Trustee shall calculate the Required Level for the debt service reserve on each interest payment date. See **THE AUTHORIZING ORDINANCE, The Bond Fund**.

Additional Bonds. The City covenants that it will not issue any additional bonds, or incur any other additional obligations, secured by a lien on or pledge of the Pledged Revenues prior to the lien and pledge in favor of the Series 2014 Bonds. The City further covenants that it will not issue additional bonds, or issue additional obligations, secured by a lien on or pledge of the Pledged Revenues on a parity with the Series 2014 Bonds except Additional Parity Bonds as hereinafter authorized. The Additional Parity Bonds are limited to \$6,397,500 in aggregate principal amount and are expected to be issued in two series in 2015 and 2016. Additional Parity Bonds may be issued so long as (a) the City has received collections from the Tax, or another 1% local sales and use tax levied by the City, for a 12 month period that ends not less than 30 and not more than 90 days prior to the date that the Additional Parity Bonds are authorized by the City Council of the City to be issued, in an amount equal to or in excess of 125% of the maximum annual debt service requirement for the Series 2014 Bonds, any outstanding Additional Parity Bonds and the Additional Parity Bonds proposed to be issued. Notwithstanding the above, nothing shall be construed to prohibit the City from issuing Additional Parity Bonds to refund any Series 2014 Bonds or Additional Parity Bonds and pledging the Pledged Revenues to the refunding bonds on a parity with the non-refunded Series 2014 Bonds or Additional Parity Bonds.

The Tax. The City has levied the Tax pursuant to the Tax Ordinance and the Authorizing Legislation. The Tax is a tax within the City on all items which are subject to taxation under The Arkansas Gross Receipts Act of 1941 and a tax on the receipts from storing, distributing, using or consuming tangible personal property under The Arkansas Compensating (Use) Tax Act of 1949. Pursuant to the Authorizing Ordinance, the City has pledged the collections of the Tax to the payment of the Series 2014 Bonds. The Tax was approved at the special election held August 12, 2014. The Tax replaces an existing 1% sales and use tax levied under Ordinance No. 2009-07 of the City adopted on July 16, 2009 (the "2009 Tax"), which will expire on January 1, 2015. The Tax will not take effect until the day following the date the 2009 Tax expires.

The Streamline Sales and Use Tax Agreement ("Streamline") has been adopted by the State and became effective on January 1, 2008. Streamline amended Arkansas sales and use tax law to allow the State to collect sales and use taxes from internet sales from vendors outside the State. Streamline limits the collection of the local sales and use tax on the first \$2,500 of sales proceeds only on the following sales: motor vehicles, aircraft, watercraft, modular homes, manufactured homes or mobile homes. There is no limit of the amount of local sales and use tax to be paid on all other items. The State allows businesses, nonprofits and governmental entities to file for a credit or rebate on a local sales and use tax if the amount on an invoice totals more than \$2,500 on certain qualified purchases. Claims for credit or rebates must be filed with the Arkansas Department of Finance and Administration ("DF&A") within six (6) months from

the date of purchase or six (6) months from the date of payment, if later. DF&A will then cause the State Treasurer to withhold the amount of the refund from future disbursements to the local government levying the sales and use tax. Prior to January 1, 2008, sales and use taxes were collected on the first \$2,500 of sales proceeds for each single transaction, as defined by the City.

Pursuant to Act 757 of 2011 (the "Sales Tax Holiday Act"), the State has created an annual sales tax holiday in which clothing (which are less than \$100 per item), clothing accessories or equipment (which are less than \$50 per item), school art supplies, school instructional materials and school supplies are exempt from taxation under The Arkansas Gross Receipts Tax Act of 1941. The annual sales tax holiday is from 12:01 a.m. on the first Saturday in August until 11:59 p.m. the following Sunday. The City cannot predict the future impact of the Sales Tax Holiday Act.

Set forth in Exhibit A attached hereto is a summary of certain provisions of the statutes relating to the Tax. The summary does not purport to be complete statements of the laws. Reference is made to the Arkansas Code Annotated §§26-52-101 et seq. and 26-53-101 et seq. for the full text and complete descriptions of such provisions.

Administration. Pursuant to the Authorizing Legislation, the Commissioner of Revenues of the State (the "Commissioner") performs all functions incidental to the administration, collection, enforcement and operation of the Tax. All Tax receipts collected, less certain charges payable and retainage due the Commissioner for administrative services in the amount of 3% of the gross Tax receipts and any required rebates, shall be remitted by the State Treasurer to the Trustee monthly for deposit into the Bond Fund. See **THE AUTHORIZING ORDINANCE, The Bond Fund.**

Tax Receipts. The levy of the Tax will become effective on the day following the date the 2009 Tax expires, which is January 1, 2015. The City has collected the 2009 Tax (or a predecessor tax) at a rate of 1% for over five years. According to the Office of the State Treasurer, collections of the 2009 Tax remitted to the City for the years indicated below (net of the 3% retainage and any required rebates) are as follows:

<u>Calendar Year</u>	<u>2009 Tax Collections</u>	<u>Average Annual Growth (Decline) (%)</u>
2009	\$1,145,641	--
2010	1,103,091	(3.7)
2011	1,090,316	(1.2)
2012	1,116,195	2.4
2013	1,124,384	0.7

According to the Office of the State Treasurer, collections of the 2009 Tax remitted to the City for the 12-month periods ended September 30 are as follows:

<u>Period (Ended September 30)</u>	<u>2009 Tax Collections</u>	<u>Average Annual Growth (Decline) (%)</u>
2010	\$1,120,365	--
2011	1,078,798	(3.7)
2012	1,111,713	3.1
2013	1,119,485	0.7
2014	1,144,320	2.2

Future Tax Receipts. Tax receipts will be contingent upon the sale and use of property and services within the City, which activity is generally dependent upon economic conditions within the City and surrounding trade area. Also, Tax receipts may be affected by changes to transactions exempted from the Tax made by legislation adopted by the General Assembly of the State or by the people of the State in the form of a constitutional amendment. In the past the General Assembly of the State has considered new exemptions to the sales tax, such as food sales, which, if adopted, would materially reduce Tax receipts. The City has no control over actions of the General Assembly or the people of the State and cannot predict whether changes to the Tax may be made. Accordingly, the City cannot predict with certainty the expected amount of Tax

receipts to be received and, therefore, there can be no assurance that Pledged Revenues will be sufficient to pay the principal of and interest on the Series 2014 Bonds.

DEBT SERVICE REQUIREMENTS

The Series 2014 Bonds are structured to provide approximately level scheduled debt service requirements in each year beginning in 2014. However, the City expects to retire the Series 2014 Bonds earlier than scheduled from Surplus Tax Receipts (as defined herein) through the use of redemptions of the Series 2014 Bonds. See **THE SERIES 2014 BONDS, Redemption and PROJECTED MANDATORY REDEMPTION.**

The following table shows amounts required to pay scheduled principal and interest on the Series 2014 Bonds during each year:

DEBT SERVICE COVERAGE

Set forth below is the debt service coverage information for the Series 2014 Bonds. In arriving at the estimate of annual Pledged Revenues for this calculation, the City examined collections of the 2009 Tax for the 12 month period ended September 30, 2014. See **SECURITY FOR THE SERIES 2014 BONDS, Historical Tax Receipts**.

Actual Tax receipts collected by the City will depend upon, among other things, the level of retail activity within the City, the economic health of the City and surrounding trade area, possible future actions by the people of the State or General Assembly of the State defining transactions subject to the Tax and granting exemptions from the Tax, such as exemptions for food sales. The figure set forth below is only an estimate based on actual collections of the Tax and there can be no assurance that future Tax receipts will equal the estimate shown below. See **SECURITY FOR THE SERIES 2014 BONDS, Future Tax Receipts**.

Estimated debt service coverage is as follows:

Estimated Pledged Revenues Available for Debt Service ^(A)	\$1,144,320
Maximum Annual Debt Service for Series 2014 Bonds and Additional Parity Bonds ^{(B)(1)}	844,550
Estimated Coverage ^(A/B)	1.35x

⁽¹⁾ Assuming (a) an average coupon rate of 3.28% for the Additional Parity Bonds expected to be issued in 2015; (b) an average coupon rate of 4.00% for the Additional Parity Bonds expected to be issued in 2016; (c) that Additional Parity Bonds are issued in 2015 in the maximum principal amount of \$1,000,000; (d) that Additional Parity Bonds are issued in 2016 in the maximum principal amount of \$5,397,500; (e) an annual principal retirement schedule of 2015-2034 for the Additional Parity Bonds issued in 2015; and (f) an annual principal retirement schedule of 2016-2034 for the Additional Parity Bonds issued in 2016.

PROJECTED MANDATORY REDEMPTION

The table under the caption **DEBT SERVICE REQUIREMENTS** does not reflect possible redemptions from the Surplus Tax Receipts, if available. Surplus Tax Receipts are derived solely from Tax collections in excess of the amounts needed to pay principal of, interest on, and Trustee's fees and expenses and administrative charges in connection with the Series 2014 Bonds when due, to pay arbitrage rebate and to maintain the Debt Service Reserve Account at its required level. Based upon sales and use tax collections for the twelve-month period ended September 30, 2014, and no projected growth, the City estimates the Tax collections will be \$1,144,320 while the Series 2014 Bonds are outstanding. The City has also assumed (a) that Additional Parity Bonds will be issued in 2015 in the aggregate principal amount of \$1,000,000 with scheduled principal due annually from 2015 through 2034 and an average coupon rate of 3.28% and (b) that Additional Parity Bonds will be issued in 2016 in the aggregate principal amount of \$5,397,500 with scheduled principal due annually from 2016 through 2034 and an average coupon rate of 4.00%. **THERE IS NO GUARANTEE THAT THESE ESTIMATES WILL BE TRUE.** See **THE TAX, Future Tax Receipts**. The Series 2014 Bonds would be paid in full by November 1, 2026 from Surplus Tax Receipts, if these estimates are correct, as follows:

<u>Bond Payment Date</u>	<u>Scheduled Principal</u>	<u>Bonds Redeemed Prior to Maturity</u>	<u>Total Principal Retired</u>

THE AUTHORIZING ORDINANCE

Set forth below is a summary of certain portions of the Authorizing Ordinance. This summary does not purport to be comprehensive and reference is made to the full text of the Authorizing Ordinance for a complete description of its provisions. **Unless the context clearly indicates otherwise, all references under this heading to the "Bonds" shall include the Series 2014 Bonds and the Additional Parity Bonds.** The City will covenant as set forth below in the Authorizing Ordinance.

The Bond Fund. (a) The Trustee shall deposit Pledged Revenues as and when received by it into a special fund of the City in the Trustee which is created by the Authorizing Ordinance and designated "Sales and Use Tax Bond Fund" (the "Bond Fund"), for the purpose of providing funds for the payment of principal of and interest on the Bonds as they become due at maturity or at redemption prior to maturity, the Trustee's fees and expenses and other administrative charges, and any arbitrage rebate due under Section 148(f) of the Code. Moneys in the Bond Fund shall be used on each interest payment date (or in the case of a rebate payment under clause (6) on any date due) in the following order of priority as and when necessary:

- (1) to pay the interest on the Bonds then due; and
- (2) to pay the principal of the Bonds then due at maturity or upon mandatory sinking fund redemption; and
- (3) to make provision in the Bond Fund for payment of one-half of the principal next due on the Bonds at maturity or upon mandatory sinking fund redemption if principal is not due on such interest payment date; and
- (4) to transfer into the Debt Service Reserve Account (hereinafter identified) such amounts as necessary to increase the Debt Service Reserve Account to the required level (hereinafter defined); and
- (5) to pay the Trustee's fees and expenses and other administrative charges then due; and
- (6) to pay the amount which is payable as arbitrage rebate to the United States Treasury under Section 148(f) of the Code; and
- (7) to redeem Bonds prior to maturity.

(b) There shall be established and maintained in the Bond Fund a Debt Service Reserve Account in an amount equal to the maximum annual debt service requirements on the Bonds (the "required level"). Moneys in the Debt Service Reserve Account shall be used to make the payments required by clauses (1) and (2) of paragraph (a) above if moneys in the Bond Fund are not otherwise sufficient for that purpose. Moneys in the Debt Service Reserve Account over and above the required level shall be immediately transferred from the Debt Service Reserve Account into the Bond Fund. Moneys in the Debt Service Reserve Account shall be used to pay the final principal and interest on the Bonds due at maturity or redemption prior to maturity.

(c) There shall be established and maintained in the Bond Fund a Redemption Account into which shall be deposited all funds in the Bond Fund available for the redemption of the Bonds arising from Surplus Tax Receipts and transfers from the Debt Service Reserve Account and the Construction Fund. Moneys in the Redemption Account shall be used to redeem the Bonds prior to maturity.

(d) When the moneys in the Bond Fund shall be and remain sufficient to pay (1) the principal of all the Bonds then outstanding, (2) interest on the Bonds until the next interest payment date, (3) the Trustee's fees and expenses and other administrative charges and (4) any arbitrage rebate due the United States Treasury under Section 148(f) of the Code, there shall be no obligation to make any further payments into the Bond Fund and any Tax receipts remaining in the Bond Fund after the principal of, premium, if any and interest on the Bonds have been paid may be used by the City for any lawful purpose.

Investments. (a) Moneys held for the credit of the Construction Fund shall be invested and reinvested in Permitted Investments or other investments permitted by Arkansas law which shall mature, or which shall be subject to redemption by the holder thereof, at the option of such holder, not later than the date or dates when such money will be required for the purposes intended.

(b) Moneys held for the credit of the Debt Service Reserve Account shall be invested and reinvested in Permitted Investments, which shall mature, or which shall be subject to redemption by the holder thereof at the option of the holder, not later than five years from the date of the investment or final maturity date of the Bonds that are outstanding on the date of the investment, whichever is earlier.

(c) Moneys held for the credit of the Bond Fund (other than the Debt Service Reserve Account) shall be invested and reinvested in Permitted Investments, which will mature, or which will be subject to redemption by the holder thereof at the option of the holder, not later than the date or dates on which the money shall be required for the payment of the principal of and interest on the Bonds when due.

(d) Obligations purchased as an investment of any fund or account shall be deemed at all times a part of such fund. Any profit or loss realized on investments of moneys in any fund shall be charged to said fund.

(e) The Trustee shall so invest and reinvest pursuant to the direction of the City and in the Trustee's discretion in the absence of any direct instructions from the City.

(f) "Permitted Investments" are defined as (i) direct or fully guaranteed obligations of the United States of America ("Government Securities"), (ii) direct obligations of an agency, instrumentality or government-sponsored enterprise created by an act of the United States Congress and authorized to issue securities or evidences of indebtedness, regardless of whether the securities or evidences of indebtedness are guaranteed for repayment by the United States Government, (iii) certificates of deposit or demand deposits of banks, including the Trustee, which are insured by the Federal Deposit Insurance Company or, if in excess of insurance coverage, collateralized by Government Securities or other securities authorized by Arkansas law to secure public funds or (iv) money market funds invested exclusively in Government Securities and the obligations described in (ii) above.

Certain Covenants. The City covenants that: (a) it will not take, suffer or permit any action which may cause the interest payable on the Bonds to be included in gross income for federal income tax purposes, including any use of proceeds of the sale of the Bonds or Pledged Revenues directly or indirectly in such manner as to cause the Bonds to be treated as "arbitrage bonds" within the meaning of Section 148 of the Code.

(b) It will not use or permit the use of the improvements financed or refinanced by the proceeds of the Bonds or the proceeds of the Bonds in such manner as to cause the Bonds to be private activity bonds within the meaning of Section 141 of the Code.

(c) It will faithfully and punctually perform all duties with reference to the Tax and the Bonds, required by the Constitution and laws of the State and by the Authorizing Ordinance, including the collection of Tax, as therein specified and covenanted, the segregating of the Pledged Revenues and the applying of the Pledged Revenues as provided in the Authorizing Ordinance.

(d) It will make any arbitrage rebate payment due the United States under Section 148(f) of the Code from moneys in the Bond Fund.

Defaults and Remedies. (a) If there be any default in the payment of the principal of and interest on the Bonds, or if the City defaults in the performance of any covenant contained in the Authorizing Ordinance, the Trustee may, and upon the written request of the owners of not less than 25% in principal amount of the Bonds then outstanding shall, by proper suit compel the performance of the duties of the officials of the City and officials of the State, under the Authorizing Ordinance, to take any action or obtain any proper relief in law or equity available under the Constitution and laws of the State.

(b) No owner of any Bond shall have any right to institute any suit, action, mandamus or other proceeding in equity or in law for the protection or enforcement of any right under the Authorizing Ordinance or under the Constitution and laws of the State unless such owner previously shall have given to the Trustee written notice of the default on account of which such suit, action or proceeding is to be taken, and unless the owners of not less than 25% in principal amount of the Bonds then outstanding shall have made written request of the Trustee after the right to exercise such powers or right of action, as the case may be, shall have accrued, and shall have afforded the Trustee a reasonable opportunity either to proceed to exercise the powers herein granted or granted by the Constitution and laws of the State, or to institute such action, suit or proceeding in its name, and unless, also, there shall have been offered to the Trustee reasonable security and indemnity against the cost, expense and liabilities to be incurred therein or thereby and the Trustee shall have refused or neglected to comply with such request within a reasonable time, and such notification, request and offer of indemnity are in every such case, at the option of the Trustee, to be conditions precedent to the execution of the powers and trust of the Authorizing Ordinance or to any other remedy thereunder. No one or more owners of the Bonds shall have any right in any manner whatever by his or their action to affect, disturb or prejudice the security of the Authorizing Ordinance, or to enforce any right thereunder except in the manner therein provided, that all proceedings at law or in equity shall be instituted, had and maintained in the manner therein provided and for the benefit of all owners of the outstanding Bonds, and any individual rights of action or other right given to one or more of such owners by law are restricted by the Authorizing Ordinance to the rights and remedies therein detailed.

(c) All rights of action under the Authorizing Ordinance or under any of the Bonds secured thereby, enforceable by the Trustee, may be enforced by it without the possession of any of the Bonds, and any such suit, action or proceeding instituted by the Trustee shall be brought in its name and for the benefit of all the owners of the Bonds, subject to the provisions of the Authorizing Ordinance.

(d) No remedy conferred upon or reserved to the Trustee or to the owners of the Bonds is intended to be exclusive of any other remedy or remedies, and each and every such remedy shall be cumulative and shall be in addition to every other remedy given under the Authorizing Ordinance or given by any law or by the Constitution of the State.

(e) No delay or omission of the Trustee or of any owners of the Bonds to exercise any right or power accrued upon any default shall impair any such right or power or shall be construed to be a waiver of any such default or an acquiescence therein, and every power and remedy given by the Authorizing Ordinance to the Trustee and to the owners of the Bonds, respectively, may be exercised from time to time and as often as may be deemed expedient.

(f) The Trustee may, and upon the written request of the owners of not less than a majority in principal amount of the Bonds then outstanding shall, waive any default which shall have been remedied before the entry of final judgment or decree in any suit, action or proceeding instituted under the provision of the Authorizing Ordinance or before the completion of the enforcement of any other remedy, but no such waiver shall extend to or affect any other existing or any subsequent default or defaults or impair any rights or remedies consequent thereon.

Defeasance. Any Bond shall be deemed paid when there has been deposited with the Trustee in the Bond Fund an amount sufficient to pay the principal or redemption price of and interest on such Bond to the date of maturity or redemption. The Bonds shall also be deemed paid if there shall be irrevocably deposited with the Trustee cash sufficient to make such payment and/or non-callable Government Securities maturing as to principal and interest in such amounts and at such times as will provide sufficient moneys to make such payment, and all necessary and proper fees, compensation and expenses of the Trustee with respect to which such deposit is made shall have been paid or the payment thereof provided for to the satisfaction of the Trustee.

On the payment of any Bonds within the meaning of the Authorizing Ordinance, the Trustee shall hold in trust, for the benefit of the owners of such Bonds, all such moneys and/or Government Securities.

When all the Bonds shall have been paid within the meaning of the Authorizing Ordinance, if the Trustee has been paid its fees and expenses or provision has been made therefor, and if any arbitrage rebate payment has been paid to the United States or provision made therefor, the Trustee shall take all appropriate action to cause (i) the pledge and lien of the Authorizing Ordinance to be discharged and cancelled, (ii) all moneys held by it pursuant to the Authorizing Ordinance and which are not required for the payment of such Bonds and any rebate due the United States, to be paid over or delivered to or at the direction of the City.

The Trustee. The Trustee shall be responsible for the exercise of good faith and ordinary prudence in the execution of its trusts and duties. The recitals in the Authorizing Ordinance and in the Bonds are the recitals of the City and not of the Trustee. The Trustee shall not be required to take any action unless it shall have been requested to do so in writing by the owners of not less than 25% in principal amount of Bonds then outstanding and shall have been offered reasonable security and indemnity against the costs, expenses and liabilities to be incurred therein or thereby. The Trustee may resign at any time by 60 days' notice in writing to the City. The owners of the Bonds, and either the City, so long as it is not in default under the Authorizing Ordinance, or the majority in principal amount of the owners of the outstanding Bonds may at any time with or without cause, remove the Trustee. In the event of a vacancy in the office of Trustee either by resignation or by removal, the City shall forthwith designate a new Trustee. Every successor Trustee shall be a trust company or bank duly authorized to exercise trust powers and subject to examination by federal or state authority, having a reported capital and surplus of not less than \$50,000,000. The preceding criteria may be met by a parent corporation if the parent corporation has guaranteed the obligations of the successor trustee. The Trustee and any successor Trustee shall file a written acceptance and agreement to execute the trusts and duties imposed upon it by the Authorizing Ordinance, but only upon the terms and conditions set forth in the Authorizing Ordinance and subject to the provisions of the Authorizing Ordinance, to all of which the respective owners of the Bonds agree. Such written acceptance shall be filed with the City and a copy thereof shall be placed in the bond transcript. Any successor Trustee shall have all the powers herein granted to the original Trustee.

Supplemental Ordinances. The terms of the Authorizing Ordinance constitute a contract between the City and the owners of the Bonds and no variation or change in the undertaking set forth in the Authorizing Ordinance shall be made while any of the Bonds are outstanding, except as hereinafter set forth. The owners of not less than 75% in aggregate principal amount of the Bonds then outstanding shall have the right, from time to time, to consent to and approve the adoption by the City of a supplemental ordinance as shall be necessary or desirable for the purpose of modifying, altering, amending, adding to or rescinding, in any particular, any of the terms or provisions contained in the Authorizing Ordinance or in any supplemental ordinance. The Trustee may consent to any change without the consent of 75% of the owners of the aggregate principal amount of Bonds outstanding, (i) that the Trustee determines is not to the material prejudice of the owners of the Bonds, (ii) in order to cure any ambiguity or formal defect or omission in the Authorizing Ordinance or any amendment thereto or (iii) in connection with the issuance of the Additional Parity Bonds, provided, however, that nothing therein contained shall permit or be construed as permitting (a) an extension of the maturity of the principal of or the interest on any Bond issued thereunder, or (b) a reduction in the principal amount of any Bond or the rate of interest thereon, or (c) the creation of a pledge of Pledged Revenues superior to the pledge created by the Authorizing Ordinance, or (d) a privilege or priority of any Bond or Bonds over any other Bond or Bonds, or (e) a reduction in the aggregate principal amount of the Bonds required for consent to such supplemental ordinance.

CONTINUING DISCLOSURE AGREEMENT

Set forth below is a summary of certain portions of the Continuing Disclosure Agreement. This summary does not purport to be comprehensive and reference is made to the full text of the Continuing Disclosure Agreement for a complete description of its provisions.

The Annual Report shall be in electronic format as prescribed by the MSRB and shall be accompanied by identifying information as prescribed by the MSRB. The Annual Report may be submitted as a single document or as separate documents comprising a package and may cross-reference other information as provided in the Continuing Disclosure Agreement; provided that the audited financial statements of the City may be submitted separately from the balance of the Annual Report and later than the date required above for the filing of the Annual Report if they are not available by that date, but, in such event, such audited financial statements shall be submitted within thirty (30) days after receipt thereof by the City. If the City's fiscal year changes, it shall give notice of such change in the manner as for a Listed Event.

(b) Not later than fifteen (15) business days prior to the date specified in subsection (a) for providing the Annual Report to the MSRB, the City shall provide the Annual Report to the Dissemination Agent and the Trustee (if the Trustee is not the Dissemination Agent). (b) After the occurrence of a Listed Event (excluding an event described in (a)8 above), the City shall promptly notify the Dissemination Agent (if other than the City) in writing. Such notice shall instruct the Dissemination Agent to report the occurrence.

(c) After the occurrence of a Listed Event (excluding an event described in (a)8 above), whether by notice from the Trustee or otherwise, the City shall file (or shall cause the Dissemination Agent to file), in a timely manner not in excess of ten (10) business days after the occurrence of such Listed Event, a notice of such occurrence with the MSRB, through its continuing disclosure service portal provided through EMMA at <http://www.msrb.emma.org> or any other similar system that is acceptable to the Securities and Exchange Commission, with a copy to the Trustee (if the Trustee is not the Dissemination Agent). Each notice of the occurrence of a Listed Event shall be captioned "Notice of Listed Event" and shall be filed in electronic format as prescribed by the MSRB and shall be accompanied by identifying information as prescribed by the MSRB. In the event of a Listed Event described in (a)8 above, the Trustee

shall make the filing and notice thereof need not be given any earlier than the notice for the underlying event is given to registered owners of affected Series 2014 Bonds pursuant to the terms of the Authorizing Ordinance.

Termination of Reporting Obligation. The City's obligations under the Continuing Disclosure Agreement shall terminate upon the defeasance, prior redemption or payment in full of all the Series 2014 Bonds.

Dissemination Agent. The City may, from time to time, appoint or engage a Dissemination Agent to assist it in carrying out its obligations under the Continuing Disclosure Agreement, and may discharge any such Agent, with or without appointing a successor Dissemination Agent. The Dissemination Agent shall not be responsible in any manner for the content of any notice or report prepared by the City pursuant to the Continuing Disclosure Agreement. If at any time there is not any other designated Dissemination Agent, the Trustee shall be the Dissemination Agent. The initial Dissemination Agent shall be the Trustee.

Amendment; Waiver. Notwithstanding any other provision of the Continuing Disclosure Agreement, the City and the Trustee may amend the Continuing Disclosure Agreement, and any provisions of the Continuing Disclosure Agreement may be waived, provided that the following conditions are satisfied:

(a) If the amendment or waiver relates to the requirements for providing an Annual Report, to the contents of the Annual Report or the reporting of Listed Events, it may only be made in connection with a change in circumstances that arises from a change in legal requirements, change in law, or change in the identity, nature or status of an obligated person with respect to the Series 2014 Bonds, or the type of business conducted;

(b) The undertaking, as amended or taking into account such waiver, would, in the opinion of nationally recognized bond counsel, have complied with the requirements of the Rule at the time of the original issuance of the Series 2014 Bonds, after taking into account any amendments or interpretations of the Rule, as well as any change in circumstances; and

(c) The amendment or waiver either (i) is approved by the Beneficial Owners of the Series 2014 Bonds in the same manner as provided in the Authorizing Ordinance for amendments to the Authorizing Ordinance with the consent of Beneficial Owners, or (ii) does not, in the opinion of the Trustee, materially impair the interests of the Beneficial Owners of the Series 2014 Bonds.

In the event of any amendment or waiver of a provision of the Continuing Disclosure Agreement, the City shall describe such amendment in the next Annual Report, and shall include, as applicable, a narrative explanation of the reason of the amendment or waiver and its impact on the type (or in the case of a change of accounting principles, on the presentation) of financial information or operating data being presented by the City. In addition, if the amendment relates to the accounting principles to be followed in preparing financial statements, (i) notice of such change shall be given in the same manner as for a Listed Event, and (ii) the Annual Report for the year in which the change is made should present a comparison (in narrative form and also, if feasible, in quantitative form) between the financial statements as prepared on the basis of the new accounting principles and those prepared on the basis of the former accounting principles.

Additional Information. Nothing in the Continuing Disclosure Agreement shall be deemed to prevent the City from disseminating any other information, using the means of dissemination set forth in the Continuing Disclosure Agreement or any other means of communication, or including any other information in any Annual Report or notice of occurrence of a Listed Event, in addition to that which is required by the Continuing Disclosure Agreement. If the City chooses to include any information in any Annual Report or notice of occurrence of a Listed Event in addition to that which is specifically required by the Continuing Disclosure Agreement, the City shall have no obligation under the Continuing Disclosure Agreement to update such information or include it in any future Annual Report or notice of occurrence of a Listed Event.

Default. In the event of a failure of the City or the Trustee to comply with any provision of the Continuing Disclosure Agreement, the Trustee, the City or any Beneficial Owner may (and the Trustee, at the request of the Underwriter or the Beneficial Owners of at least 25% aggregate principal amount of outstanding

Series 2014 Bonds, shall) take such actions as may be necessary and appropriate, including seeking mandamus or specific performance by court order, to cause the City or the Trustee, as the case may be, to comply with its obligations under the Continuing Disclosure Agreement. A default under the Continuing Disclosure Agreement shall not be deemed a default under the Authorizing Ordinance, and the sole remedy under the Continuing Disclosure Agreement in the event of any failure of the City or the Trustee to comply with the Continuing Disclosure Agreement shall be an action to compel performance.

Duties of Trustee and Dissemination Agent and Right of Indemnity. The Dissemination Agent (if other than the Trustee) and the Trustee in its capacity as Dissemination Agent shall have only such duties as are specifically set forth in the Continuing Disclosure Agreement, and the City agrees to indemnify and save the Dissemination Agent and the Trustee, their officers, directors, employees and agents, harmless against any loss, expense and liabilities which they may incur arising out of or in the exercise or performance of their powers and duties hereunder, including the costs and expenses (including attorney’s fees) of defending against any claim of liability, but excluding liabilities due to the Dissemination Agent’s or the Trustee’s gross negligence or willful misconduct.

Beneficiaries. The Continuing Disclosure Agreement shall inure solely to the benefit of the City, the Trustee, the Dissemination Agent, the Underwriter and the Beneficial Owners and shall create no rights in any other person or entity.

Past Compliance. In the past five years, the City has been a party to certain continuing disclosure agreements in connection with its outstanding bonds. The City has reviewed its past compliance with such agreements. While the City has not made a determination as to materiality, the following constitutes a non-exhaustive summary of the City's review.

The City's continuing disclosure agreements require the City to disclose certain statistical information in annual reports that are filed with the Municipal Securities Rulemaking Board. In total, the City was obligated to file ten annual reports over the past five years. All ten annual reports have been filed. Three annual reports were filed later than the date such reports were due, as reflected below:

<u>Annual Report Due⁽¹⁾</u>	<u>Annual Report Filed</u>
July 29, 2010	April 30, 2014
July 29, 2011	August 29, 2011
July 29, 2012	July 29, 2013

⁽¹⁾Pursuant to the continuing disclosure agreement entered into in connection with the City's Water and Sewer Refunding and Improvement Revenue Bonds, Series 2008, which are no longer outstanding, the City's annual report was due 210 days after the end of the City's fiscal year ending December 31, which is July 29th. The continuing disclosure agreements entered into in connection with the City's sales and use tax bonds require the City to submit its annual report within 180 days after the end of the City's fiscal year ending December 31, which is June 29th.

The continuing disclosure agreements also obligate the City to file the audited financial statements of the City or the System, as appropriate for the type of bond issues, e.g., water and sewer revenue and sales and use tax bonds. If filed later than the date the annual report for that year is due, the audited financial statements must be filed within 30 days after receipt thereof.

The audited financial statements of the System for the years ended December 31, 2009 through 2013 have been filed; however, the audited financial statements of the System for the fiscal year ended December 31, 2009 were not filed in a timely manner.

The audited financial statements of the City for the years ended December 31, 2009 through 2012 have been filed; however, none of such filings were made in a timely manner. The audit of the City's financial statements for the year ended December 31, 2013 has not yet been conducted

The City has taken steps to insure that the required information is filed in a timely manner in the future.

LEGAL MATTERS

Legal Proceedings. There is no litigation pending seeking to restrain or enjoin the Tax or the issuance or delivery of the Series 2014 Bonds, or questioning or affecting the legality of the Tax or Series 2014 Bonds or the proceedings and authority under which the Series 2014 Bonds are to be issued, or questioning the right of the City to adopt the Authorizing Ordinance, to issue the Series 2014 Bonds, to levy the Tax or to pledge the Pledged Revenues.

Legal Opinions. Legal matters incident to the authorization and issuance of the Series 2014 Bonds are subject to the unqualified approving opinion of Friday, Eldredge & Clark, LLP, Little Rock, Arkansas, Bond Counsel.

Tax Exemption. In the opinion of Friday, Eldredge & Clark, LLP, Bond Counsel, under existing law the interest on the Series 2014 Bonds is exempt from all Arkansas state, county and municipal tax.

In the opinion of Bond Counsel, interest on the Series 2014 Bonds under existing law is excludable from gross income for federal income tax purposes and is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals and corporations, however, it should be noted that with respect to corporations (as defined for federal income tax purposes), such interest is taken into account in determining adjusted current earnings for the purpose of computing the alternative minimum tax. The opinions set forth in the preceding sentence are subject to the condition that the City comply with all requirements of the Code that must be satisfied subsequent to the issuance of the Series 2014 Bonds in order that interest thereon be (or continue to be) excluded from gross income for federal income tax purposes. These requirements generally relate to arbitrage, the use of the proceeds of the Series 2014 Bonds, the 2014 Improvements and the improvements financed and refinanced by the Bond Refunded. Failure to comply with certain of such requirements could cause the interest on the Series 2014 Bonds to be so included in gross income retroactive to the date of issuance of the Series 2014 Bonds. The City has covenanted to comply with all such requirements in the Authorizing Ordinance.

Prospective purchasers of the Series 2014 Bonds should be aware that (i) with respect to insurance companies subject to the tax imposed by Section 831 of the Code, Section 832(b)(5)(B)(i) reduces the deduction for loss reserves by 15 percent of the sum of certain items, including interest on the Series 2014 Bonds, (ii) interest on the Series 2014 Bonds earned by certain foreign corporations doing business in the United States could be subject to a branch profits tax imposed by Section 884 of the Code, (iii) passive investment income including interest on the Series 2014 Bonds, may be subject to federal income taxation under Section 1375 of the Code for Subchapter S corporations that have Subchapter C earnings and profits at the close of the taxable year if greater than 25% of the gross receipts of such Subchapter S corporation is passive investment income and (iv) Section 86 of the Code requires recipients of certain Social Security and certain Railroad Retirement benefits to take into account in determining gross income, receipts or accruals of interest on the Series 2014 Bonds.

Prospective purchasers of the Series 2014 Bonds should be further aware that Section 265 of the Code denies a deduction for interest on indebtedness incurred or continued to purchase or carry the Series 2014 Bonds or, in the case of a financial institution, that portion of a holder's interest expense allocated to interest on the Series 2014 Bonds, except with respect to certain financial institutions (within the meaning of Section 265(b)(5) of the Code).

An exemption allows a deduction for certain interest expense allocable to the "qualified tax-exempt obligations." The City has designated the Series 2014 Bonds as "qualified tax-exempt obligations" and has covenanted not to use the 2014 Improvements, the improvements financed and refinanced by the Bond Refunded or the proceeds of the Series 2014 Bonds in a manner which would cause the Series 2014 Bonds to be "private activity bonds," within the meaning of the Code, and has represented that the City and its subordinate entities have not and do not expect to issue more than \$10,000,000 of such tax-exempt obligations (other than private-activity bonds (excluding from that term "qualified 501(c)(3) bonds" under Section 145 of the Code)) during calendar year 2014.

Prospective purchasers of the Series 2014 Bonds should also be aware that Section 17 of Act 785 of the Acts of Arkansas of 1993 added new subsections (b) and (c) to Section 26-51-431 of the Arkansas Code of 1987 Annotated. Subsection (b) states that Section 265(a) of the Code is adopted for the purpose of computing Arkansas corporation income tax liability. Subsection (c) provides that in computing Arkansas corporation income tax liability, no deduction shall be allowed for interest "on indebtedness incurred or continued to purchase or carry obligations the interest on which is wholly exempt from the taxes imposed by Arkansas law." On December 8, 1993, the Arkansas Department of Finance and Administration Revenue Division issued Revenue Policy Statement 1993-2, which provides in part:

Financial institutions may continue to deduct interest on indebtedness incurred or continued to purchase or carry obligations which generate tax-exempt income to the same extent that the interest was deductible prior to the adoption of Section 17 of Act 785 of 1993.

As shown on the cover page of this Official Statement, certain of the Series 2014 Bonds are being sold at a discount (collectively, the "Discount Bonds"). The difference between the initial public offering prices, as set forth on the cover page, of such Discount Bonds and their stated amounts to be paid at maturity constitutes original issue discount treated as interest which is excluded from gross income for federal income tax purposes, as described above.

The amount of original issue discount which is treated as having accrued with respect to such Discount Bond is added to the cost basis of the owner in determining, for federal income tax purposes, gain or loss upon disposition of such Discount Bond (including its sale, redemption, or payment at maturity). Amounts received upon disposition of such Discount Bond which are attributable to accrued original issue discount will be treated as tax-exempt interest, rather than as taxable gain, for federal income tax purposes.

Original issue discount is treated as compounding semiannually, at a rate determined by reference to the yield to maturity of each individual Discount Bond, on days which are determined by reference to the maturity date of such Discount Bond. The amount treated as original issue discount on such Discount Bond for a particular semiannual accrual period is equal to the product of (i) the yield of maturity for such Discount Bond (determined by compounding at the close of each accrual period) and (ii) the amount which would have been the tax basis of such Discount Bond at the beginning of the particular accrual period if held by the original purchaser, less the amount of any interest payable for such Discount Bond during the accrual period. The tax basis is determined by adding to the initial public offering price on such Discount Bond the sum of the amounts which have been treated as original issue discount for such purposes during all prior periods. If such Discount Bond is sold between semiannual compounding dates, original issue discount which would have been accrued for that semiannual compounding period for federal income tax purposes is to be apportioned in equal amounts among the days in such compounding period.

Owners of the Discount Bonds should consult their tax advisors with respect to the determination and treatment of original issue discount accrued as of any date and with respect to the state and local tax consequences of owning a Discount Bond.

As shown on the cover page of this Official Statement, certain of the Series 2014 Bonds are being sold at a premium (collectively, the "Premium Bonds"). An amount equal to the excess of the issue price of a Premium Bond over its stated redemption price at maturity constitutes premium on such Premium Bond. An initial purchaser of a Premium Bond must amortize any premium over such Premium Bond's term using constant yield principles, based on the purchaser's yield to maturity (or, in the case of Premium Bonds callable prior to their maturity, by amortizing the premium to the call date, based on the purchaser's yield to the call date and giving effect to the call premium). As premium is amortized, the amount of the amortization offsets a corresponding amount of interest for the period and the purchaser's basis in such Premium Bond is reduced by a corresponding amount resulting in an increase in the gain (or decrease in the loss) to be recognized for federal income tax purposes upon a sale or disposition of such Premium Bond prior to its maturity. Even though the purchaser's basis may be reduced, no federal income tax deduction is allowed. Purchasers of the Premium Bonds should consult their tax advisors with respect to the determination and treatment of premium for federal income tax purposes and with respect to the state and local tax consequences of owning a Premium Bond.

Current or future legislative proposals, if enacted into law, may cause interest on the Series 2014 Bonds to be subject, directly or indirectly, to federal income taxation or otherwise prevent holders of the Series 2014 Bonds from realizing the full current benefit of the tax status of such interest. Recent legislative proposals include provisions that would limit the amount of exclusions (including tax-exempt interest) and deductions available to certain high income taxpayers. It cannot be predicted whether or in what form any such proposal might be enacted or whether, if enacted, it would apply to bonds issued prior to enactment. The introduction or enactment of any such legislative proposals may also affect the market price for, or marketability of, the Series 2014 Bonds. Prospective purchasers of the Series 2014 Bonds should consult their own tax advisors regarding any pending or proposed federal or state tax legislation, regulations or litigation, as to which Bond Counsel expresses no opinion.

It is not an event of default on the Series 2014 Bonds if legislation is enacted reducing or eliminating the exclusion of interest on state and local government bonds from gross income for federal or state income tax purposes.

MISCELLANEOUS

Underwriting. Under a Bond Purchase Agreement (the "Agreement") entered into by and between the City and the Underwriter, Stephens Inc., the Series 2014 Bonds are being purchased at a price of \$5,448,104.10 (principal amount less net original issue discount of \$1,995.90 and less Underwriter's discount of \$99,900) plus accrued interest. The Agreement provides that the Underwriter will purchase all of the Series 2014 Bonds if any are purchased. The obligation of the Underwriter to accept delivery of the Series 2014 Bonds is subject to various conditions contained in the Agreement, including the absence of pending or threatened litigation questioning the validity of the Series 2014 Bonds or any proceedings in connection with the issuance thereof, and the absence of material adverse changes in the financial or business condition of the City.

The Underwriter intends to offer the Series 2014 Bonds to the public initially at the offering prices set forth on the cover page of this Official Statement, which prices may subsequently change without any requirement of prior notice. The Underwriter reserves the right to join with dealers and other underwriters in offering the Series 2014 Bonds to the public. EXHIBIT B
FORM OF BOND COUNSEL OPINION

_____, 2014

Bank of the Ozarks
Little Rock, Arkansas, as Trustee

Stephens Inc.
Little Rock, Arkansas

Re: \$5,550,000 City of Alma, Arkansas Sales and Use Tax Refunding and Improvement Bonds, Series 2014

Ladies and Gentlemen:

We have acted as Bond Counsel in connection with the issuance by the City of Alma, Arkansas (the "City") of \$5,550,000 City of Alma, Arkansas Sales and Use Tax Refunding and Improvement Bonds, Series 2014, dated November 1, 2014 (the "Series 2014 Bonds"). The Series 2014 Bonds are being issued to finance the costs of capital improvements, advance refund the City's outstanding Capital Improvement Refunding and Improvement Revenue Bond, dated January 19, 2012, fund a debt service reserve and pay expenses of authorizing and issuing the Series 2014 Bonds. We have examined the law and such certified proceedings and other papers as we deem necessary to render this opinion, including particularly a certified copy of Ordinance No. 2014-13 of the City adopted on October 16, 2014, authorizing the issuance of the Series 2014 Bonds (the "Authorizing Ordinance") and Ordinance No. 2014-6 of the City adopted on May 15, 2014 (the "Tax Ordinance"), levying a 1% sales and use tax within the City (the "Tax").

As to questions of fact material to our opinion we have relied upon the certified proceedings and other certifications of public officials furnished to us without undertaking to verify such facts by independent investigation.

Based on our examination, we are of the opinion, as of the date hereof and under existing law, as follows:

1. The Series 2014 Bonds have been lawfully authorized and issued under the Constitution and laws of the State of Arkansas now in force, including particularly Amendment No. 62 to the Constitution of the State of Arkansas and Title 14, Chapter 164, Subchapter 3 of the Arkansas Code of 1987 Annotated (the "Authorizing Legislation"), and are valid and binding obligations of the City enforceable in accordance with their terms.

2. The Series 2014 Bonds are not general obligations of the City but are special obligations payable from and secured by a pledge of collections of the Tax duly levied by the City under the authority of the Authorizing Legislation and the Tax Ordinance. The Series 2014 Bonds are not secured by any lien on or security interest in any physical properties of the City.

3. The interest on the Series 2014 Bonds (including any original issue discount properly allocable thereto) is excludable from gross income for federal income tax purposes and is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals and corporations, however, it should be noted that with respect to corporations (as defined for federal income tax purposes), such interest is taken into account in determining adjusted current earnings for the purpose of computing the alternative minimum tax. The opinions set forth in the preceding sentence are subject to the condition that the City comply with all requirements of the Internal Revenue Code of 1986, as amended (the "Code"), that must be satisfied subsequent to the issuance of the Series 2014 Bonds in order that interest thereon be (or continue to be) excluded from gross income for federal income tax purposes. The City has covenanted in the Authorizing Ordinance to comply with all such requirements. Failure to comply with certain of such requirements could cause the interest on the Series 2014 Bonds to be so included in gross income

retroactive to the date of issuance of the Series 2014 Bonds. We express no opinion regarding other federal tax consequences arising with respect to the Series 2014 Bonds, except as set forth in paragraph 4 below.

4. The Series 2014 Bonds are "qualified tax-exempt obligations" within the meaning of Section 265(b)(3) of the Code.

5. The Series 2014 Bonds and income thereon are exempt from all Arkansas state, county and municipal tax.

It is to be understood that the rights of the registered owners of the Series 2014 Bonds and the enforceability thereof may be subject to bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights heretofore or hereafter enacted and that their enforcement may be subject to the exercise of judicial discretion in accordance with general principles of equity.

Sincerely yours,

FRIDAY, ELDREDGE & CLARK, LLP
