

NEW ISSUE

BOOK-ENTRY ONLY

In the opinion of Bond Counsel, based on existing statutes, regulations, rulings and court decisions, the interest on the Bonds is excludable from gross income for federal income tax purposes, subject to the condition that the City comply with all requirements of the Internal Revenue Code that must be satisfied subsequent to the issuance of the Bonds, and the Bonds and interest thereon are exempt from all Arkansas state, county and municipal taxes. In the opinion of Bond Counsel, interest on the Bonds is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals and corporations, although with respect to corporations, interest on the Bonds will be taken into account in determining adjusted current earnings for the purpose of computing the federal alternative minimum tax, and the Bonds are "qualified tax-exempt obligations" within the meaning of Section 265 of the Internal Revenue Code. See LEGAL MATTERS, Tax Exemption herein.

OFFICIAL STATEMENT

\$5,100,000
CITY OF ALMA, ARKANSAS
SALES AND USE TAX BONDS
SERIES 2017

INTRODUCTION TO OFFICIAL STATEMENT

This Introduction is subject in all respects to the more complete information contained in this Official Statement. The offering of the bonds to potential investors is made only by means of the entire Official Statement, including the cover page hereof and exhibit hereto. A full review should be made of the entire Official Statement, as well as the Authorizing Ordinance described herein.

This Official Statement of the City of Alma, Arkansas (the "City") is furnished in connection with the offering by the City of its \$5,100,000 aggregate principal amount of Sales and Use Tax Bonds, Series 2017 (the "Bonds"). The Bonds are being issued for the purpose of (i) financing all or a portion of the costs of new, or improvements to existing, streets, including any curb, gutter, bridge and drainage improvements, equipment and land acquisition to accomplish such improvements, and street lighting, utility adjustments, sidewalks and traffic signals related thereto (the "Improvements"), (ii) funding a debt service reserve and (iii) paying costs of issuing the Bonds.

The City is a city of the first class duly organized under the laws of the State of Arkansas (the "State") and is located in northwestern Arkansas. See **THE CITY AND THE COUNTY**. The City is authorized under Amendment No. 62 to the Constitution of the State ("Amendment 62") and Title 14, Chapter 164, Subchapter 3 of the Arkansas Code of 1987 Annotated (the "Authorizing Legislation") to issue capital improvement bonds and to expend the proceeds thereof for the intended purposes.

The Bonds are not general obligations of the City, but are special obligations payable solely from 50% of the collections of a 1% sales and use tax (the "Tax") levied by the City. See **THE TAX** and **THE BONDS, Security**. The Tax is levied under Ordinance No. 86-3 of the City adopted May 13, 1986, as amended (the "Tax Ordinance"). The issuance of the Bonds and the pledging of 50% of the net collections of the Tax (the "Pledged Revenues") to the payment of the principal of and interest on the Bonds was approved at a special election held June 13, 2017. The pledge of Pledged Revenues in favor of the Bonds is on a parity with the pledge in favor of the City's Sales and Use Tax Refunding Bonds, Series 2010 (the "Parity Bonds"). The Bonds are being issued pursuant to and in full compliance with Amendment 62 and the Authorizing Legislation and Ordinance No. 2017-19 of the City, adopted August 17, 2017 (the "Authorizing Ordinance"). See **THE AUTHORIZING ORDINANCE**.

The Bonds will be initially issued in book-entry form and purchasers of Bonds will not receive certificates representing their interest in the Bonds purchased. See **THE BONDS, Book-Entry Only System**. The Bonds will contain such other terms and provisions as described herein. See **THE BONDS, Generally**.

The Bonds are issuable only as fully registered bonds, without coupons, in the denomination of \$5,000 or integral multiple thereof. Interest is payable February 1, 2018, and semiannually thereafter on each February 1 and August 1. Principal is payable at the principal office of Simmons Bank, Pine Bluff, Arkansas, as trustee and paying agent for the Bonds (the "Trustee"). Interest is payable by check mailed by the Trustee to the registered owners as of the record date for each interest payment date. The record date for payment of interest on the Bonds shall be the fifteenth day of the calendar month next preceding each interest payment date. A Bond may be transferred, in whole or in part (in integral multiples of \$5,000), but only upon delivery of the Bond, together with a written instrument of transfer, to the Trustee. See **THE BONDS, Generally**.

The Bonds are subject to extraordinary redemption from proceeds of the Bonds not needed for the purposes intended. The Bonds are subject to mandatory sinking fund redemption as described herein. The Bonds are subject to optional redemption on and after February 1, 2023. The Trustee shall give at least thirty (30) days notice of redemption. See **THE BONDS, Redemption**.

The City has reserved the right in the Authorizing Ordinance to issue additional bonds on a parity of security with the Bonds ("Additional Parity Bonds"). See **THE AUTHORIZING ORDINANCE, Additional Bonds**.

Under existing law and assuming compliance with certain covenants described herein, (i) interest on the Bonds is excludable from gross income for federal income tax purposes, (ii) interest on the Bonds is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals and corporations, (iii) with respect to corporations, interest on the Bonds will be taken into account in determining adjusted current earnings for the purpose of computing the federal alternative minimum tax, (iv) the Bonds are "qualified tax-exempt obligations" within the meaning of Section 265 of the Internal Revenue Code of 1986, as amended (the "Code") and (v) the Bonds and interest thereon are exempt from all State, county and municipal taxes. See **LEGAL MATTERS, Tax Exemption**.

The City and the Trustee have entered into a Continuing Disclosure Agreement in order to assist the Underwriter in complying with Securities and Exchange Commission Rule 15c2-12(b)(5) (the "Continuing Disclosure Agreement"). See **CONTINUING DISCLOSURE AGREEMENT**.

It is expected that the Bonds will be available for delivery on or about September 26, 2017, through the facilities of The Depository Trust Company in New York, New York.

This Official Statement speaks only as of its date, and the information contained herein is subject to change. Copies of the Authorizing Ordinance and the Continuing Disclosure Agreement summarized herein are available upon request from Stephens Inc., 111 Center Street, Suite 2300, Little Rock, Arkansas 72202, Attention: Public Finance.

THE BONDS

Book-Entry Only System. The Depository Trust Company ("DTC"), New York, New York, or its successor, will act as securities depository for the Bonds. The Bonds will each be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered Bond certificate for each maturity will be issued in the principal amount of the maturity and will be deposited with DTC.

DTC is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds securities that its participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its

regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com.

Purchases of Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Bonds on DTC's records. The ownership interest of each actual purchaser of each Bond (referred to herein as "Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Bonds are to be accomplished by entries made on the books of Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interest in Bonds, except in the event that use of the book-entry system for the Bonds is discontinued.

To facilitate subsequent transfers, all Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Bonds are credited, which may or may not be the Beneficial Owners. Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time.

Redemption notices will be sent only to Cede & Co. If fewer than all of the Bonds are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the Bonds unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the City as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Principal, interest and premium, if any, payments on the Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the City or Trustee, on the payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, the Trustee, or the City, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of principal, interest and premium, if any, to Cede & Co. (or such other nominee as may be requested by an authorized representative of

DTC) is the responsibility of the Trustee, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners shall be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as securities depository with respect to the Bonds at any time by giving reasonable notice to the City or the Trustee. Under such circumstances, in the event that a successor securities depository is not obtained, Bonds are required to be printed and delivered. The City may decide to discontinue use of the system of book-entry transfers through DTC (or a successor securities depository). In that event, Bonds will be printed and delivered.

The information concerning DTC and DTC's book-entry system set forth above has been obtained from DTC. Neither the Underwriter nor the City make any representation or warranty regarding the accuracy or completeness thereof.

So long as the Bonds are in book-entry only form, Cede & Co., as nominee for DTC, will be treated as the sole owner of the Bonds for all purposes under the Authorizing Ordinance, including receipt of all principal of and interest on the Bonds, receipt of notices, voting and requesting or directing the Trustee to take or not to take, or consenting to, certain actions under the Authorizing Ordinance. The City and the Trustee have no responsibility or obligation to the Participants or the Beneficial Owners with respect to (a) the accuracy of any records maintained by DTC or any Participant; (b) the payment by any Participant of any amount due to any Beneficial Owner in respect of the principal of and interest on the Bonds; (c) the delivery or timeliness of delivery by any Participant of any notice to any Beneficial Owner which is required or permitted under the terms of the Authorizing Ordinance to be given to owners of Bonds; or (d) other action taken by DTC or Cede & Co. as owner of the Bonds.

Generally. The Bonds are dated, mature and bear interest as set forth on the cover page hereof. The principal of the Bonds is payable upon presentation and surrender at the principal office of the Trustee. Payment of interest on the Bonds will be made to each registered owner thereof by check or draft mailed by the Trustee to such owner at his address as such name and address appear on the registration book of the City kept by the Trustee on the record date which is the fifteenth day of the calendar month next preceding the calendar month in which such interest payment date falls. All such payments will be made in lawful money of the United States of America.

The Bonds are issuable in the form of registered Bonds without coupons in the denomination of \$5,000 each or any integral multiple thereof, interchangeable in accordance with the provisions of the Authorizing Ordinance. In the event any Bond is mutilated, lost or destroyed, the City shall, if not then prohibited by law, execute and the Trustee may authenticate a new Bond in accordance with the provisions therefor in the Authorizing Ordinance.

Each Bond is transferable by the registered owner thereof or by his attorney duly authorized in writing at the principal office of the Trustee. Upon such transfer a new fully registered Bond or Bonds of the same maturity, of authorized denomination or denominations, for the same aggregate principal amount will be issued to the transferee in exchange therefor.

No charge shall be made to any owner of any Bond for the privilege of registration, but any owner of any Bond requesting any such registration shall pay any tax or other governmental charge required to be paid with respect thereto. Except as otherwise provided in the immediately preceding sentence, the cost of preparing each new Bond upon each exchange or transfer and any other expenses of the City or the Trustee incurred in connection therewith shall be paid by the City. Neither the City nor the Trustee shall be required to transfer or exchange any Bonds selected for redemption in whole or in part.

The person in whose name any Bond shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes, and payment of or on account of the principal or interest of any Bond shall be made only to or upon the order of the registered owner thereof or his legal representative, but such registration may be changed as hereinabove provided. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid.

In any case where the date of maturity of interest on or principal of the Bonds or the date fixed for redemption of any Bonds shall be a Saturday or Sunday or shall be in the State a legal holiday or a day on which banking institutions are authorized by law to close, then payment of interest or principal need not be made on such date but may be made on the next succeeding business day with the same force and effect as if made on the date of maturity or the date fixed for redemption, and no interest shall accrue for the period after the date of maturity or date fixed for redemption.

Redemption. The Bonds are subject to extraordinary, optional and mandatory sinking fund redemption as follows:

(1) Extraordinary Redemption. The Bonds shall be redeemed from proceeds of the Bonds not needed for the purposes intended on any interest payment date, in whole or in part, in inverse order of maturity and by lot within a maturity in such manner as the Trustee shall determine, at a redemption price equal to the principal amount being redeemed plus accrued interest to the redemption date.

(2) Optional Redemption. The Bonds may be redeemed at the option of the City on and after February 1, 2023, in whole or in part at any time, at a redemption price equal to the principal amount being redeemed plus accrued interest to the redemption date. If fewer than all of the Bonds shall be called for redemption, the particular maturities to be redeemed shall be selected by the City in its discretion. If fewer than all of the Bonds of any one maturity shall be called for redemption, the particular Bonds or portion thereof to be redeemed from such maturity shall be selected by lot by the Trustee.

(3) Mandatory Sinking Fund Redemption. The Bonds are subject to mandatory sinking fund redemption by lot in such manner as the Trustee shall determine, on August 1 in the years and in the amounts set forth below, at a redemption price equal to the principal amount being redeemed plus accrued interest to the date of redemption:

After the date for redemption no further interest shall accrue on any Bond called for redemption if funds for redemption of such Bond have been deposited with the Trustee as provided in the Authorizing Ordinance.

Notwithstanding the above, so long as the Bonds are issued in book-entry only form, if fewer than all the Bonds of an issue are called for redemption, the particular Bonds to be redeemed will be selected pursuant to the procedures established by DTC. So long as the Bonds are issued in book-entry only form, notice of redemption will be given only to Cede & Co., as nominee for DTC. **The Trustee will not give any notice of redemption to the Beneficial Owners of the Bonds.**

Purposes for Bonds. At a special election held by the City on June 13, 2017, there was approved the issuance of bonds in the maximum aggregate principal amount of \$5,100,000 for the purpose of financing all or a portion of the Improvements, which include particularly, without limitation, new, or improvements to existing, streets, including any curb, gutter, bridge and drainage improvements, equipment and land acquisition to accomplish such improvements, and street lighting, utility adjustments, sidewalks and traffic signals related thereto. The Bonds are being issued to finance the Improvements, to fund a debt service reserve and to pay the costs of issuing the Bonds.

The proceeds of the Bonds are expected to be used by the City as follows:

Sources:

Principal Amount of the Bonds	\$5,100,000
Original Issue Discount	<u>(65,150)</u>
Total Sources	\$5,034,850

Uses:

Costs of Improvements	\$4,775,000
Debt Service Reserve	125,981
Underwriter's Discount	89,250
Costs of Issuance	<u>44,619</u>
Total Uses	\$5,034,850

The payment of Underwriter's discount and the costs of issuing the Bonds relating to the payment of professional fees will be contingent on the Bonds being issued. See **MISCELLANEOUS, Underwriting** for a description of the Underwriter's discount. The City will deposit the net proceeds of the Bonds (principal amount less original issue discount and less Underwriter's discount, debt service reserve deposit and issuance costs) into a special fund established with the Trustee and designated the "2017 Construction Fund" (the "Construction Fund"). Moneys contained in the Construction Fund will be disbursed by the Trustee solely in payment of costs of the Improvements, paying necessary expenses incidental thereto and paying expenses of issuing the Bonds. Disbursements shall be on the basis of requisitions which shall contain at least the following information: the person to whom payment is being made; the amount of the payment; and the purpose by general classification of the payment. For a description of how the Bond proceeds are to be invested pending use and the provisions governing those investments, see **THE AUTHORIZING ORDINANCE, Investments**.

Security. The Bonds are not general obligations of the City but are special obligations, secured by a pledge of the Pledged Revenues, which are 50% of the net collections of the Tax. Such pledge is on a parity with the pledge in favor of the Parity Bonds. Pledged Revenues must be used first to pay the principal of and interest on the Bonds, the Parity Bonds and any Additional Parity Bonds, Trustee's fees and any arbitrage rebate due, and to maintain the debt service reserve, hereinafter described, at the required level. Pledged Revenues not needed for such purposes shall be released from the pledge in favor of the Bonds, the Parity Bonds and any Additional Parity Bonds and may be used by the City for any lawful purpose.

The Bonds are secured under the Authorizing Ordinance. For a summary of the terms of the Authorizing Ordinance, see **THE AUTHORIZING ORDINANCE**.

The City may issue Additional Parity Bonds. See **THE AUTHORIZING ORDINANCE, Additional Bonds**.

A debt service reserve in the Bond Fund will maintained in an amount equal to one-half of the maximum annual debt service requirements on the Bonds, the Parity Bonds and any Additional Parity Bonds. See **THE AUTHORIZING ORDINANCE, The Bond Fund**. The debt service reserve will be increased to the required level with proceeds of the Bonds.

THE TAX

Generally. Pursuant to the Tax Ordinance and Title 26, Chapter 75, Subchapter 2 of the Arkansas Code of 1987 Annotated, the City has levied the Tax at the rate of 1%. The Tax is a tax within the City on all items which are subject to taxation under The Arkansas Gross Receipts Tax Act of 1941 and a tax on the receipts from storing, using, distributing or consuming tangible personal property under The Arkansas Compensating (Use) Tax Act of 1949. The Tax was approved at the special election held November 4, 1986 and became effective January 1, 1987.

The Streamline Sales and Use Tax Agreement ("Streamline") has been adopted by the State and became effective on January 1, 2008. Streamline amended Arkansas sales and use tax law to allow the State to collect sales and use taxes from internet sales from vendors outside the State. Streamline limits the collection of the local sales and use tax on the first \$2,500 of sales proceeds only on the following sales: motor vehicles, aircraft, watercraft, modular homes, manufactured homes or mobile homes. There is no limit of the amount of local sales and use tax to be paid on all other items. The State allows businesses, nonprofits and governmental entities to file for a credit or rebate on a local sales and use tax if the amount on an invoice totals more than \$2,500 on certain qualified purchases. Claims for credit or rebates must be filed with the Arkansas Department of Finance and Administration ("DF&A") within one (1) year from the date of purchase or one (1) year from the date of payment, if later. DF&A will then cause the State Treasurer to withhold the amount of the refund from future disbursements to the local government levying the sales and use tax. Prior to January 1, 2008, sales and use taxes were collected on the first \$2,500 of sales proceeds for each single transaction, as defined by the City.

Set forth in Exhibit A attached hereto is a summary of certain State sales and use tax provisions. The summary does not purport to be complete statements of the laws. Reference is made to Arkansas Code Annotated §§26-52-101 et seq. and 26-53-101 et seq. for the full text and complete descriptions of such provisions.

Administration. Pursuant to the Authorizing Legislation, the Commissioner of Revenues of the State (the "Commissioner") performs all functions incidental to the administration, collection, enforcement and operation of the Tax. All Tax receipts collected, less certain charges payable and retainage due the Commissioner for administrative services in the amount of 3% of the gross Tax receipts, shall be remitted by the State Treasurer to the Trustee monthly for deposit into the Revenue Fund. See **THE AUTHORIZING ORDINANCE**, The Revenue Fund.

Based upon collections of the Tax, Pledged Revenues (50% of net collections of the Tax) would have been as follows since 2012:

<u>Year</u>	<u>Pledged Revenues</u>
2012	\$558,098

August 1, 2015 - July 31, 2016	601,724
August 1, 2016 - July 31, 2017	656,142

Future Tax Receipts. Tax receipts will be contingent upon the sale and use of property and services within the City, which activity is generally dependent upon economic conditions within the City and surrounding trade area. Also, Tax receipts may be affected by changes to transactions exempted from the Tax made by legislation adopted by the General Assembly of the State or by the people of the State in the form of a constitutional amendment or initiated act. In the past the General Assembly of the State has considered new exemptions to the sales taxes, such as food sales, which, if adopted, would materially reduce Tax receipts. The City has no control over actions of the General Assembly or the people of the State and cannot predict whether changes to the Tax may be made. Accordingly, the City cannot predict with certainty the expected amount of Tax receipts to be received and, therefore, there can be no assurance that Tax receipts will be sufficient to pay the principal of and interest on the Bonds.

THE AUTHORIZING ORDINANCE

Set forth below is a summary of certain portions of the Authorizing Ordinance. This summary does not purport to be comprehensive and reference is made to the full text of the Authorizing Ordinance for a complete description of its provisions. Unless the context clearly indicates otherwise, all references under this heading to the "Bonds" shall include the bonds offered hereby, the Parity Bonds and any Additional Parity Bonds. The City will covenant as set forth below in the Authorizing Ordinance.

The Revenue Fund. The Trustee shall deposit all collections of the Tax as and when received by it into a special fund of the City held by the Trustee which has heretofore been created and designated "Sales and Use Tax Revenue Fund, Series 2010" (the "Revenue Fund"). There has been created in the Revenue Fund the following accounts: Bond Account and General Account. The Pledged Revenues shall be deposited into the Bond Account each month. The balance of the Tax collections shall be deposited each month into the General Account. Moneys in the Bond Account shall, within five (5) days of receipt, be transferred to the following accounts each month, in the following order of priority:

- (1) the Trustee's fees and expenses next due - Expense Account in the Bond Fund; and
- (2) 1/6 of the interest on the Bonds next due - Debt Service Account in the Bond Fund; and
- (3) 1/12 of the principal of the Bonds next due at maturity or upon mandatory sinking fund redemption - Debt Service Account in the Bond Fund; and
- (4) the amount which may be necessary to increase the Debt Service Reserve Account to the required level - Debt Service Reserve Account in the Bond Fund; and
- (5) the amount necessary to pay any arbitrage rebate due under Section 148(f) of the Code - Expense Account in the Bond Fund; and
- (6) balance - the General Account.

The deposits made into the Debt Service Account in the Bond Fund shall be reduced or increased, as appropriate, in order to take into account (A) as a credit (1) interest earnings on moneys in the Debt Service Account and (2) transfers from the Debt Service Reserve Account and (B) the number of months that Pledged Revenues are deposited into the Revenue Fund prior to the first payment date.

Moneys in the General Account in the Revenue Fund shall not be a part of the Pledged Revenues and shall be paid to the City and used for any lawful purpose. Such payments shall be made to the City within five (5) days after moneys are deposited into the General Account.

The Bond Fund. There has heretofore been created a special fund of the City in the Trustee which is designated "Sales and Use Tax Bond Fund, Series 2010" (the "Bond Fund") for the purpose of providing funds for the payment of principal of and interest on the Bonds as they become due at maturity or at redemption prior to maturity, any arbitrage rebate due the United States under Section 148(f) of the Code and the Trustee's fees and expenses. There has been established in the Bond Fund the following accounts into which moneys from the Revenue Fund shall be deposited monthly: Debt Service Account and Expense Account. Moneys in the following Bond Fund accounts shall be used on each interest payment date in the following order of priority as and when necessary:

- (1) to pay the Trustee's fees and expenses then due - Expense Account; and
- (2) to pay the interest on the Bonds then due - Debt Service Account; and
- (3) to pay the principal of the Bonds then due at maturity or upon mandatory sinking fund redemption - Debt Service Account.

In addition, moneys in the Expense Account in the Bond Fund shall be used to pay, when due, any arbitrage rebate under Section 148(f) of the Code.

There has been established in the Bond Fund a Debt Service Reserve Account which shall be maintained in an amount equal one-half of the maximum annual debt service requirements on the Bonds (the "required level"). Moneys in the Debt Service Reserve Account shall be used to make the payments described in clauses (2) and (3) above if moneys in the Debt Service Account in the Bond Fund are not otherwise sufficient for that purpose. Moneys in the Debt Service Reserve Account over and above the required level shall be immediately transferred from the Debt Service Reserve Account into the Debt Service Account in the Bond Fund.

When the moneys in the Bond Fund shall be and remain sufficient to pay (1) the principal of the Bonds then outstanding, (2) interest on the Bonds until the next interest payment date, (3) the Trustee's fees and expenses and (4) all arbitrage rebate payments due the United States under Section 148(f) of the Code, there shall be no obligation to make any further payments into the Bond Fund and any Pledged Revenues remaining in the Bond Fund after the principal of, premium, if any, and interest on the Bonds have been paid may be used by the City for any lawful purpose.

Investments. (a) Moneys held for the credit of the Debt Service Reserve Account shall be invested and reinvested in (i) direct or fully guaranteed obligations of the United States of America ("Government Securities") or (ii) in time deposits or certificates of deposit of banks, including the Trustee, which are insured by the Federal Deposit Insurance Corporation (the "FDIC"), or, if in excess of insurance coverage, collateralized by Government Securities or other securities authorized by State law to secure public deposits (collectively, "Permitted Investments"), which shall mature, or which shall be subject to redemption by the holder thereof, at the option of such holder, not later than seven (7) years after the date of investment or the final maturity date of the outstanding Bonds, whichever is earlier. The Trustee shall so invest and reinvest pursuant to the direction of the City and in the Trustee's discretion in the absence of any direct instructions from the City.

(b) Moneys held for the credit of the Bond Fund (other than the Debt Service Reserve Account) and the Revenue Fund shall be invested and reinvested in Permitted Investments, which will mature, or which will be subject to redemption by the holder thereof at the option of the holder, not later than the date or dates on which the money shall be required for the payment of the principal of and interest on the Bonds when due. The Trustee shall so invest and reinvest pursuant to the direction of the City and in the Trustee's discretion in the absence of any direct instructions from the City.

(c) Moneys held for the credit of the Construction Fund shall be invested and reinvested in Permitted Investments or other investments permitted by State law, which shall mature, or which shall be subject to redemption by the holder thereof at the option of such holder, not later than the date or dates when such money will be required for the purposes intended. The Trustee shall so invest and reinvest pursuant to the direction of the City and in the Trustee's discretion in the absence of any direct instructions from the City.

(d) Obligations purchased as an investment of any fund or account shall be deemed at all times a part of such fund. Any profit or loss realized on investments of moneys in any fund shall be charged to said fund.

(e) Moneys so invested in Government Securities or in certificates of deposit of banks to the extent insured by the FDIC need not be secured by the Trustee or the depository bank or banks.

(f) All investments and deposits shall have a par value (or market value when less than par, exclusive of accrued interest) at all times at least equal to the amount of money credited to such funds and shall be made in such a manner that the money required to be expended from any fund will be available at the proper time or times.

(g) Investments of moneys in all funds shall be valued in terms of current market value as of the last day of each year, except that direct obligations of the United States (State and Local Government Series) in book-entry form shall be continuously valued at par or face principal amount.

Certain Covenants. The City covenants that: (a) it will not take, suffer or permit any action which may cause the interest payable on the Bonds to be included in gross income for federal income tax purposes, including any use of proceeds of the sale of the Bonds or Pledged Revenues directly or indirectly in such manner as to cause the Bonds to be treated as "arbitrage bonds" within the meaning of Section 148 of the Code.

(b) It will not use or permit the use of the Improvements or the proceeds of the Bonds in such manner as to cause the Bonds to be private activity bonds within the meaning of Section 141 of the Code.

(c) It will faithfully and punctually perform all duties with reference to the Tax and the Bonds, required by the Constitution and laws of the State and by the Authorizing Ordinance, including the collection of the Tax, as therein specified and covenanted, the segregating of the Tax receipts and the applying of the Tax receipts as provided in the Authorizing Ordinance.

Defaults and Remedies. If there be any default in the payment of the principal of and interest on the Bonds, or if the City defaults in the performance of any covenant contained in the Authorizing Ordinance, the Trustee may, and upon the written request of the owners of not less than 10% in principal amount of the Bonds then outstanding shall, by proper suit compel the performance of the duties of the officials of the City and officials of the State, under the Authorizing Ordinance, to take any action or obtain any proper relief in law or equity available under the Constitution and laws of the State.

No owner of any Bond shall have any right to institute any suit, action, mandamus or other proceeding in equity or in law for the protection or enforcement of any right under the Authorizing Ordinance or under the Constitution and laws of the State unless such owner previously shall have given to the Trustee written notice of the default on account of which such suit, action or proceeding is to be taken, and unless the owners of not less than 10% in principal amount of the Bonds then outstanding shall have made written request of the Trustee after the right to exercise such powers or right of action, as the case may be, shall have accrued, and shall have afforded the Trustee a reasonable opportunity either to proceed to exercise the powers herein granted or granted by the Constitution and laws of the State, or to institute such action, suit or proceeding in its name, and unless, also, there shall have been offered to the Trustee reasonable security and indemnity against the cost, expense and liabilities to be incurred therein or thereby and the Trustee shall have refused or neglected to comply with such request within a reasonable time, and such notification, request and offer of indemnity are in every such case, at the option of the Trustee, to be conditions precedent to the execution of the powers and trust of the Authorizing Ordinance or to any other remedy thereunder. No one or more owners of the Bonds shall have any right in any manner whatever by his or their action to affect, disturb or prejudice the security of the Authorizing Ordinance, or to enforce any right thereunder except in the manner therein provided, that all proceedings at law or in equity shall be instituted, had and maintained in the manner therein provided and for the benefit of all owners of the outstanding Bonds, and any individual rights of action or other right given to one or more of such owners by law are restricted by the Authorizing Ordinance to the rights and remedies therein detailed.

All rights of action under the Authorizing Ordinance or under any of the Bonds secured thereby, enforceable by the Trustee, may be enforced by it without the possession of any of the Bonds, and any such suit, action or proceeding instituted by the Trustee shall be brought in its name and for the benefit of all the owners of the Bonds, subject to the provisions of the Authorizing Ordinance.

No remedy conferred upon or reserved to the Trustee or to the owners of the Bonds is intended to be exclusive of any other remedy or remedies, and each and every such remedy shall be cumulative and shall be in addition to every other remedy given under the Authorizing Ordinance or given by any law or by the Constitution of the State.

No delay or omission of the Trustee or of any owners of the Bonds to exercise any right or power accrued upon any default shall impair any such right or power or shall be construed to be a waiver of any such default or an acquiescence therein, and every power and remedy given by the Authorizing Ordinance to the Trustee and to the owners of the Bonds, respectively, may be exercised from time to time and as often as may be deemed expedient.

The Trustee may, and upon the written request of the owners of not less than a majority in principal amount of the Bonds then outstanding shall, waive any default which shall have been remedied before the entry of final judgment or decree in any suit, action or proceeding instituted under the provision of the Authorizing Ordinance or before the completion of the enforcement of any other remedy, but no such waiver shall extend to or affect any other existing or any subsequent default or defaults or impair any rights or remedies consequent thereon.

Defeasance. The Bonds shall be deemed paid when there has been deposited with the Trustee an amount sufficient to pay the principal or redemption price of and interest on the Bonds to the date of maturity or redemption. The Bonds shall also be deemed paid if there shall be irrevocably deposited with the Trustee moneys sufficient to make such payment or Government Securities which are direct obligations of the United States of America maturing as to principal and interest in such amounts and at such times as will provide sufficient moneys to make such payment, and all necessary and proper fees, compensation and expenses of the Trustee with respect to which such deposit is made shall have been paid or the payment thereof provided for to the satisfaction of the Trustee.

On the payment of any Bonds within the meaning of the Authorizing Ordinance, the Trustee shall hold in trust, for the benefit of the owners of such Bonds, all such moneys and/or Government Securities.

When all the Bonds shall have been paid within the meaning of the Authorizing Ordinance, if the Trustee has been paid its fees and expenses or provision has been made therefor and if all arbitrage rebate due the United States under Section 148(f) of the Code has been paid or provided for to the satisfaction of the Trustee, the Trustee shall take all appropriate action to cause (i) the pledge and lien of the Authorizing Ordinance to be discharged and cancelled, (ii) all moneys held by it pursuant to the Authorizing Ordinance and which are not required for the payment of such Bonds, to be paid over or delivered to or at the direction of the City.

Additional Bonds. The City covenants that it will not issue any additional bonds, or incur any obligation, secured by a lien on or pledge of the Pledged Revenues, except as authorized in this paragraph. The City may issue Additional Parity Bonds if Pledged Revenues received by the City for the preceding twelve consecutive months are in excess of 125% of the maximum annual debt service requirements for the Bonds and the Additional Parity Bonds proposed to be issued. The City is also authorized to issue bonds or incur obligations secured by a lien on and pledge of the Pledged Revenues subordinate to the lien and pledge in favor of the Bonds.

The Trustee. The Trustee shall be responsible for the exercise of good faith and ordinary prudence in the execution of its trusts and duties. The recitals in the Authorizing Ordinance and in the Bonds are the recitals of the City and not of the Trustee. The Trustee shall not be required to take any action unless it shall have been requested to do so in writing by the owners of not less than 10% in principal amount of Bonds then outstanding and shall have been offered reasonable security and indemnity against the costs, expenses and liabilities to be incurred therein or thereby. The Trustee may resign at any time by 60 days' notice in writing to the City and the owners of the Bonds, and the majority in principal amount of the owners of the outstanding Bonds or the City, so long as it is not in default under the Authorizing Ordinance, may at any time, with or without cause, remove the Trustee. In the event of a vacancy in the office of Trustee either by resignation or by removal, the City shall forthwith designate a new Trustee. The Trustee and any successor Trustee shall file a written acceptance and agreement to execute the trusts and duties imposed upon it by the Authorizing Ordinance, but only upon the terms and conditions set forth in the Authorizing Ordinance and subject to the provisions of the Authorizing Ordinance, to all of which the respective owners of the Bonds agree. Such written acceptance shall be filed with the City, and a copy thereof shall be placed in the bond transcript. Any successor Trustee shall have all the powers herein granted to the original Trustee.

Supplemental Ordinances. The terms of the Authorizing Ordinance constitute a contract between the City and the owners of the Bonds and no variation or change in the undertaking set forth in the Authorizing Ordinance shall be made while any of the Bonds are outstanding, except as hereinafter set forth. The owners of not less than 75% in aggregate principal amount of the Bonds then outstanding shall have the right, from time to time, to consent to and approve the adoption by the City of a supplemental ordinance as shall be necessary or desirable for the purpose of modifying, altering, amending, adding to or rescinding, in any particular, any of the terms or provisions contained in the Authorizing Ordinance or in any supplemental ordinance. The Trustee may consent to any change without the consent of 75% of the owners of the aggregate principal amount of Bonds outstanding (i) that the Trustee determines is not to the material prejudice of the owners of the Bonds, (ii) in connection with the issuance of Additional Parity Bonds or (iii) in order to cure any ambiguity or formal defect or omission in the Authorizing Ordinance or any amendment thereto, provided, however, that nothing therein contained shall permit or be construed as permitting (a) an extension of the maturity of the principal of or the interest on any Bond issued thereunder, or (b) a reduction in the principal amount of any Bond or the rate of interest thereon, or (c) the creation of a pledge of Pledged Revenues superior to the pledge created by the Authorizing Ordinance, or (d) a privilege or priority of any Bond or Bonds over any other Bond or Bonds, or (e) a reduction in the aggregate principal amount of the Bonds required for consent to such supplemental ordinance.

CONTINUING DISCLOSURE AGREEMENT

During the past five years, the City has been a party to certain continuing disclosure agreements in connection with its outstanding bonds. Such agreements require the City to file annual reports with the Municipal Securities Rulemaking Board on its Electronic Municipal Market Access system ("EMMA") within the time periods set forth in the agreements. The following summarizes a non-exhaustive discussion of the City's compliance with its continuing disclosure obligations over the past five years.

As part of each annual report, the City has been obligated to file the audited financial statements of the City's general purpose funds or the audited financial statements of the System, as appropriate for the type of bond issue (e.g., water and sewer revenue bonds and sales and use tax bonds). If filed later than the date the annual report that year is due, the audited financial statements must be filed within 30 days of receipt thereof.

During the past five years, the City has timely filed on EMMA the audited financial statements of the System. The audited financial statements of the City for the years ended December 31, 2011 through 2015 have been filed; however, the audited financial statements of the City for the year ended December 31, 2011 was neither filed when the annual report was due nor filed within 30 days of receipt. Such audited financial statements were filed on EMMA approximately 562 days late. A notice concerning the City's failure to timely file such audited financial statements was not timely filed on EMMA. The audit of the City's financial statements for the year ended December 31, 2016 has not yet been conducted.

The City's continuing disclosure agreements have also required that certain supplemental financial and operating data be provided as part of the annual report. The supplemental data varies depending on the type of bond issue and how each is secured. During the past five years, the City timely filed all supplemental information required by the continuing disclosure agreements.

The continuing disclosure agreements have also obligated the City to file a notice of the occurrence of any event listed in Securities and Exchange Commission, Rule 15c2-12(b)(5)(i)(C). The City has timely filed all notices of the occurrence of listed events during the past five years.

Set forth below is a summary of certain portions of the Continuing Disclosure Agreement. This summary does not purport to be comprehensive and reference is made to the full text of the Continuing Disclosure Agreement for a complete description of its provisions.

Purpose of the Continuing Disclosure Agreement. (c) After the occurrence of a Listed Event (excluding an event described in (a)8 above), whether by notice from the Trustee or otherwise, the City shall file (or shall cause the Dissemination Agent to file), in a timely manner not in excess of ten (10) business days after the occurrence of such Listed Event, a notice of such occurrence with the MSRB, through its continuing disclosure service portal provided through EMMA at <http://www.emma.msrb.org> or any other similar system that is acceptable to the Securities and Exchange Commission, with a copy to the Trustee (if the Trustee is not the Dissemination Agent). Each notice of the occurrence of a Listed Event shall be captioned "Notice of Listed Event" and shall be filed in electronic format as prescribed by the MSRB and shall be accompanied by identifying information as prescribed by the MSRB. In the event of a Listed Event described in (a)8 above, the Trustee shall make the filing in a timely manner not in excess of ten (10) business days after the occurrence of such Listed Event.

Dissemination Agent. The City may, from time to time, appoint or engage a Dissemination Agent to assist it in carrying out its obligations under the Continuing Disclosure Agreement, and may discharge any such Agent, with or without appointing a successor Dissemination Agent. The

Dissemination Agent shall not be responsible in any manner for the content of any notice or report prepared by the City pursuant to the Continuing Disclosure Agreement. If at any time there is not any other designated Dissemination Agent, the Trustee shall be the Dissemination Agent. The initial Dissemination Agent shall be the Trustee.

Amendment; Waiver. Notwithstanding any other provision of the Continuing Disclosure Agreement, the City and the Trustee may amend the Continuing Disclosure Agreement, and any provisions of the Continuing Disclosure Agreement may be waived, provided that the following conditions are satisfied:

(a) If the amendment or waiver relates to the requirements for providing an Annual Report, to the contents of the Annual Report or the reporting of Listed Events, it may only be made in connection with a change in circumstances that arises from a change in legal requirements, change in law, or change in the identity, nature or status of an obligated person with respect to the Bonds, or the type of business conducted;

(b) The undertaking, as amended or taking into account such waiver, would, in the opinion of nationally recognized bond counsel, have complied with the requirements of the Rule at the time of the original issuance of the Bonds, after taking into account any amendments or interpretations of the Rule, as well as any change in circumstances; and

(c) The amendment or waiver either (i) is approved by the Beneficial Owners of the Bonds in the same manner as provided in the Authorizing Ordinance for amendments to the Authorizing Ordinance with the consent of Beneficial Owners, or (ii) does not, in the opinion of the Trustee, materially impair the interests of the Beneficial Owners of the Bonds.

In the event of any amendment or waiver of a provision of the Continuing Disclosure Agreement, the City shall describe such amendment in the next Annual Report, and shall include, as applicable, a narrative explanation of the reason of the amendment or waiver and its impact on the type (or in the case of a change of accounting principles, on the presentation) of financial information or operating data being presented by the City. In addition, if the amendment relates to the accounting principles to be followed in preparing financial statements, (i) notice of such change shall be given in the same manner as for a Listed Event, and (ii) the Annual Report for the year in which the change is made should present a comparison (in narrative form and also, if feasible, in quantitative form) between the financial statements as prepared on the basis of the new accounting principles and those prepared on the basis of the former accounting principles.

Additional Information. Nothing in the Continuing Disclosure Agreement shall be deemed to prevent the City from disseminating any other information, using the means of dissemination set forth in the Continuing Disclosure Agreement or any other means of communication, or including any other information in any Annual Report or notice of occurrence of a Listed Event, in addition to that which is required by the Continuing Disclosure Agreement. If the City chooses to include any information in any Annual Report or notice of occurrence of a Listed Event in addition to that which is specifically required by the Continuing Disclosure Agreement, the City shall have no obligation under the Continuing Disclosure Agreement to update such information or include it in any future Annual Report or notice of occurrence of a Listed Event.

Default. In the event of a failure of the City or the Trustee to comply with any provision of the Continuing Disclosure Agreement, the Trustee, the City or any Beneficial Owner may (and the Trustee, at the request of the Underwriter or the Beneficial Owners of at least 25% aggregate principal amount of outstanding Bonds, shall) take such actions as may be necessary and appropriate, including seeking mandamus or specific performance by court order, to cause the City or the Trustee, as the case may be, to comply with its obligations under the Continuing Disclosure Agreement. A

default under the Continuing Disclosure Agreement shall not be deemed a default under the Authorizing Ordinance, and the sole remedy under the Continuing Disclosure Agreement in the event of any failure of the City or the Trustee to comply with the Continuing Disclosure Agreement shall be an action to compel performance.

Duties of Trustee and Dissemination Agent and Right of Indemnity. The Dissemination Agent (if other than the Trustee) and the Trustee in its capacity as Dissemination Agent shall have only such duties as are specifically set forth in the Continuing Disclosure Agreement, and the City agrees to indemnify and save the Dissemination Agent and the Trustee, their officers, directors, employees and agents, harmless against any loss, expense and liabilities which they may incur arising out of or in the exercise or performance of their powers and duties hereunder, including the costs and expenses (including attorney's fees) of defending against any claim of liability, but excluding liabilities due to the Dissemination Agent's or the Trustee's gross negligence or willful misconduct.

Beneficiaries. The Continuing Disclosure Agreement shall inure solely to the benefit of the City, the Trustee, the Dissemination Agent, the Underwriter and the Beneficial Owners and shall create no rights in any other person or entity.

DEBT SERVICE COVERAGE

Set forth below is the debt service coverage information for the Bonds. In arriving at the estimate of annual Pledged Revenues for this calculation, the City examined the collections of the Tax received for the twelve-month period ended July 31, 2017. See **THE TAX**, Historical Tax Receipts.

Actual Pledged Revenues collected by the City will depend upon, among other things, the level of retail activity within the City, the economic health of the City and surrounding trade area, possible future actions by the people of the State or General Assembly of the State defining transactions subject to the Tax and granting exemptions from the Tax, such as exemptions for food sales.

The figure set forth below is only an estimate and there can be no assurance that actual Pledged Revenues will equal the estimate shown below. See **THE TAX**, Future Tax Receipts.

Based upon the pledge of 100% of historical Pledged Revenues, debt service coverage will be as follows:

Pledged Revenues(A)	\$656,142
Maximum Annual Debt Service on the Bonds and the Parity Bonds (B)	483,963
Estimated Coverage(A/B)	1.36x

LEGAL MATTERS

Legal Proceedings. There is no litigation pending seeking to restrain or enjoin the Tax or the issuance or delivery of the Bonds, or questioning or affecting the legality of the Tax or Bonds or the proceedings and authority under which the Bonds are to be issued, or questioning the right of the City to adopt the Authorizing Ordinance or to issue the Bonds or to pledge the Pledged Revenues.

Legal Opinions. Legal matters incident to the authorization and issuance of the Bonds are subject to the unqualified approving opinion of Friday, Eldredge & Clark, LLP, Little Rock, Arkansas, Bond Counsel.

Tax Exemption. In the opinion of Friday, Eldredge & Clark, LLP, Bond Counsel, under existing law the interest on the Bonds is exempt from all Arkansas state, county and municipal taxes.

Also, in the opinion of Bond Counsel, interest on the Bonds under existing law is excludable from gross income for federal income tax purposes and is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals and corporations; provided, however, with respect to corporations, interest on the Bonds will be taken into account in determining adjusted current earnings for the purpose of computing the federal alternative minimum tax. The opinions set forth in the preceding sentence is subject to the condition that the City comply with all requirements of the Code that must be satisfied subsequent to the issuance of the Bonds in order that interest thereon be (or continue to be) excludable from gross income for federal income tax purposes. These

requirements generally relate to arbitrage, the use of the proceeds of the Bonds and the Improvements. Failure to comply with certain of such requirements could cause the interest on the Bonds to be so included in gross income retroactive to the date of issuance of the Bonds. The City has covenanted to comply with all such requirements in the Authorizing Ordinance.

Prospective purchasers of the Bonds should be aware that (i) with respect to insurance companies subject to the tax imposed by Section 831 of the Code, Section 832(b)(5)(B)(i) reduces the deduction for loss reserves by 15 percent of the sum of certain items, including interest on the Bonds, (ii) interest on the Bonds earned by certain foreign corporations doing business in the United States could be subject to a branch profits tax imposed by Section 884 of the Code, (iii) passive investment income including interest on the Bonds, may be subject to federal income taxation under Section 1375 of the Code for Subchapter S corporations that have Subchapter C earnings and profits at the close of the taxable year if greater than 25% of the gross receipts of such Subchapter S corporation is passive investment income, and (iv) Section 86 of the Code requires recipients of certain Social Security and certain Railroad Retirement benefits to take into account in determining gross income, receipts or accruals of interest on the Bonds.

Prospective purchasers of the Bonds should be further aware that Section 265 of the Code denies a deduction for interest on indebtedness incurred or continued to purchase or carry the Bonds or, in the case of a financial institution, that portion of a holder's interest expense allocated to interest on the Bonds, except with respect to certain financial institutions (within the meaning of Section 265(b)(5) of the Code).

An exception allows a deduction for certain interest expense allocable to the "qualified tax-exempt obligations." The City has designated the Bonds as "qualified tax-exempt obligations" and has covenanted not to use the Improvements or the proceeds of the Bonds in a manner which would cause the Bonds to be "private activity bonds," within the meaning of the Code, and has represented that the City and its subordinate entities have not and do not expect to issue more than \$10,000,000 of such tax-exempt obligations (other than private-activity bonds (excluding from that term "qualified 501(c)(3) bonds" under Section 145 of the Code)) during calendar year 2017.

Prospective purchasers of the Bonds should also be aware that Section 17 of Act 785 of the Acts of Arkansas of 1993 added new subsections (b) and (c) to Section 26-51-431 of the Arkansas Code of 1987 Annotated. Subsection (b) states that Section 265(a) of the Internal Revenue Code is adopted for the purpose of computing Arkansas corporation income tax liability. Subsection (c) provides that in computing Arkansas corporation income tax liability, no deduction shall be allowed for interest "on indebtedness incurred or continued to purchase or carry obligations the interest on which is wholly exempt from the taxes imposed by Arkansas law." On December 8, 1993, the Arkansas Department of Finance and Administration Revenue Division issued Revenue Policy Statement 1993-2, which provides in part:

Financial institutions may continue to deduct interest on indebtedness incurred or continued to purchase or carry obligations which generate tax-exempt income to the same extent that the interest was deductible prior to the adoption of Section 17 of Act 785 of 1993.

As shown on the cover page of this Official Statement, certain of the Bonds are being sold at an original issue discount (collectively, the "Discount Bonds"). The difference between the initial public offering prices, as set forth on the cover page, of such Discount Bonds and their stated amounts to be paid at maturity constitutes original issue discount treated as interest which is excluded from gross income for federal income tax purposes, as described above.

The amount of original issue discount which is treated as having accrued with respect to such Discount Bond is added to the cost basis of the owner in determining, for federal income tax purposes, gain or loss upon disposition of such Discount Bond (including its sale, redemption, or payment at maturity). Amounts received upon disposition of such Discount Bond which are attributable to accrued original issue discount will be treated as tax-exempt interest, rather than as taxable gain, for federal income tax purposes.

Original issue discount is treated as compounding semiannually, at a rate determined by reference to the yield to maturity of each individual Discount Bond, on days which are determined by reference to the maturity date of such Discount Bond. The amount treated as original issue discount on such Discount Bond for a particular semiannual accrual period is equal to the product of (i) the yield of maturity for such Discount Bond (determined by compounding at the close of each accrual period) and (ii) the amount which would have been the tax basis of such Discount Bond at the beginning of the particular accrual period if held by the original purchaser, less the amount of any interest payable for such Discount Bond during the accrual period. The tax basis is determined by adding to the initial public offering price on such Discount Bond the sum of the amounts which have been treated as original issue discount for such purposes during all prior periods. If such Discount Bond is sold between semiannual compounding dates, original issue discount which would have been accrued for that semiannual compounding period for federal income tax purposes is to be apportioned in equal amounts among the days in such compounding period.

Owners of the Discount Bonds should consult their tax advisors with respect to the determination and treatment of original issue discount accrued as of any date and with respect to the state and local tax consequences of owning a Discount Bond.

Current or future legislative proposals, if enacted into law, may cause interest on the Bonds to be subject, directly or indirectly, to federal income taxation or otherwise prevent holders of the Bonds from realizing the full current benefit of the tax status of such interest. Recent legislative proposals include provisions that would limit the amount of exclusions (including tax-exempt interest) and deductions available to certain high income taxpayers. It cannot be predicted whether or in what form any such proposal might be enacted or whether, if enacted, it would apply to bonds issued prior to enactment. The introduction or enactment of any such legislative proposals may also affect the market price for, or marketability of, the Bonds. Prospective purchasers of the Bonds should consult their own tax advisors regarding any pending or proposed federal or state tax legislation, regulations or litigation, as to which Bond Counsel expresses no opinion.

It is not an event of default on the Bonds if legislation is enacted reducing or eliminating the exclusion of interest on state and local government bonds from gross income for federal or state income tax purposes.

MISCELLANEOUS

Underwriting. Under a Bond Purchase Agreement (the "Agreement") entered into by and between the City, as issuer, and Stephens Inc., as underwriter (the "Underwriter"), the Bonds are being purchased at \$4,945,600.20 (principal amount less Underwriter's discount of \$89,250 less original issue discount of \$65,149.80). The Agreement provides that the Underwriter will purchase all of the Bonds if any are purchased. The obligation of the Underwriter to accept delivery of the Bonds is subject to various conditions contained in the Agreement, including the absence of pending or threatened litigation questioning the validity of the Bonds or any proceedings in connection with the issuance thereof, and the absence of material adverse changes in the financial or business condition of the City.

The Underwriter intends to offer the Bonds to the public initially at the offering prices set forth on the cover page of this Official Statement, which prices may subsequently change without any requirement of prior notice. The Underwriter reserves the right to join with dealers and other underwriters in offering the Bonds to the public. The Underwriter may offer and sell Bonds to certain dealers (including dealers depositing Bonds into investment trusts) at prices lower than the public offering price.

The City has agreed to indemnify the Underwriter against certain civil liabilities in connection with the offering and sale of the Bonds, including certain liabilities under federal securities laws.

Mark C. Doramus, Chief Financial Officer of Stephens Inc., the Underwriter, serves on the Board of Directors of the Trustee.

Enforceability of Remedies. Rights of the registered owners of the Bonds and the enforceability of the remedies available under the Authorizing Ordinance may depend on judicial action and may be subject to the valid exercise of the constitutional powers of the United States of America and of the sovereign police powers of the State or other governmental units having jurisdiction, and to the application of federal bankruptcy laws or other debtor relief or moratorium laws in general. Therefore, enforcement of those remedies may be delayed or limited, or the remedies may be modified or unavailable, subject to the exercise of judicial discretion in accordance with general principles of equity. Bond Counsel expresses no opinion as to any effect upon any right, title, interest or relationship created by or arising under the Authorizing Ordinance resulting from the application of state or federal bankruptcy, insolvency, reorganization, moratorium or similar debtor relief laws affecting creditors' rights which are presently or may from time to time be in effect.

Information in Official Statement. Any statements made in this Official Statement involving matters of opinion or of estimates, whether or not so expressly stated, are set forth as such and not as representations of fact, and no representation is made that any of the estimates will be realized. This Official Statement is not to be construed as a contract or agreement between the City and the purchasers or owners of any of the Bonds.

The information contained in this Official Statement has been taken from sources considered to be reliable, but is not guaranteed. To the best of the knowledge of the undersigned the Official Statement does not include any untrue statement of a material fact, nor does it omit the statement of any material fact required to be stated therein, or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading.

The execution of this Official Statement has been duly authorized by the City.
