*In the opinion of Bond Counsel, under existing law and assuming compliance with certain covenants, interest on the Bonds is excludable from gross income for federal income tax purposes, and interest on the Bonds is not an item of tax preference for purpose of the federal alternative minimum tax imposed on individuals and corporations, however, with respect to corporations, interest on the Bonds will be taken into account in determining adjusted current earnings for the purpose of computing the federal alternative minimum tax. In Bond Counsel's further opinion, under existing law, the Bonds and interest thereon are exempt from all state, county and municipal taxation in the State of Arkansas. In the opinion of Bond Counsel, the Bonds are "qualified tax-exempt obligations" within the meaning of Section 265 of the Internal Revenue Code. See the caption **TAX EXEMPTION** herein.*

**\$8,100,000  
CITY OF ARKADELPHIA, ARKANSAS  
PUBLIC EDUCATION FACILITIES BOARD  
(OUACHITA BAPTIST UNIVERSITY)  
REFUNDING REVENUE BONDS  
SERIES 2015**

Dated: January 1, 2015

Due: March 1, as described below

The bonds offered hereby (the "Bonds") are special and limited obligations of the City of Arkadelphia, Arkansas Public Education Facilities Board (Ouachita Baptist University) (the "Issuer"). The Bonds are payable from and secured by a pledge of certain revenues and other amounts to be received by the Issuer under a Loan Agreement, dated as of February 1, 1994, as amended and supplemented, between the Issuer and Ouachita Baptist University, an Arkansas nonprofit corporation having its principal offices in Arkadelphia, Arkansas (the "Corporation"). The Bonds are issued and secured on a parity basis with the Issuer's Revenue Bonds, Series 2008, the Issuer's Refunding Revenue Bonds, Series 2012, the Issuer's Refunding Revenue Bonds, Series 2013, and the Issuer's Refunding Revenue Bonds, Series 2014.

The Bonds are secured by a Trust Indenture, dated as of February 1, 1994, as amended and supplemented, between the Issuer and Regions Bank, with offices in Little Rock, Arkansas, as Trustee (the "Trustee"). Interest on the Bonds is payable on March 1 and September 1 of each year, commencing March 1, 2015, and the Bonds mature (on March 1 of each year), bear interest and are priced to yield as follows:

(Plus Accrued Interest from January 1, 2015)

The Bonds of each maturity will be initially issued as a single registered Bond registered in the name of Cede & Co., the nominee of The Depository Trust Company ("DTC"), New York, New York. The Bonds will be available for purchase in book-entry form only, in denominations of \$5,000 or any integral multiple thereof. Except in limited circumstances described herein, purchasers of the Bonds will not receive physical delivery of Bonds. Payments of principal of and interest on the Bonds will be made by the Trustee, directly to Cede & Co., as nominee for DTC, as registered owner of the Bonds, to be subsequently disbursed to DTC Participants and thereafter to the Beneficial Owners of the Bonds, all as further described herein.

The Bonds are offered, when, as and if issued and received by the Underwriters named below, subject to the approval as to legality by Friday, Eldredge & Clark, LLP, Little Rock, Arkansas, Bond Counsel, the approval of certain legal matters by Bryan T. McKinney, Esq., counsel to the Corporation, and subject to satisfaction of certain other conditions.

### INTRODUCTION TO THE OFFICIAL STATEMENT

This Introduction is subject in all respects to the more complete information contained in this Official Statement. The offering of the Bonds to potential investors is made only by means of the entire Official Statement, including the cover page hereof and appendices hereto. A full review should be made of the entire Official Statement, as well as the Agreement and the Indenture described herein.

This Official Statement is provided to furnish certain information in connection with the Issuer's Refunding Revenue Bonds, Series 2015, dated January 1, 2015, in the aggregate principal amount of \$8,100,000 (the "Bonds"). The Bonds are being issued for the purpose of (a) current refunding the remainder of the Issuer's Revenue Bonds, Series 2009 that will remain outstanding after the issuance of the Series 2014 Bonds (defined below) (the "Series 2009 Bonds") and (b) paying the costs of issuing the Bonds. See **THE BONDS, Purposes for Bonds**.

The Issuer is a body politic and corporate and a public instrumentality of the City of Arkadelphia, Arkansas (the "City"), authorized and empowered under the laws of the State of Arkansas (the "State"), including particularly Title 14, Chapter 137 of the Arkansas Code of 1987 Annotated (the "Authorizing Legislation"), to finance, refinance, acquire, own, lease, contract concerning, and dispose of educational facilities at Ouachita Baptist University, a four-year degree granting institution of post-secondary education (the "University"). See **THE ISSUER**. The Bonds are being issued pursuant to and in full compliance with the Constitution and laws of the State, including particularly the Authorizing Legislation, an ordinance of the Board of Directors of the City creating the Issuer, resolutions duly adopted by the Issuer and the Board of Directors of the City and a Trust Indenture, dated as of February 1, 1994, as amended and supplemented by a First Supplemental Trust Indenture, dated as of July 1, 1999, a Second Supplemental Trust Indenture, dated as of December 1, 2002, a Third Supplemental Trust Indenture, dated as of September 1, 2005, a Fourth Supplemental Trust Indenture, dated as of June 1, 2008, a Fifth Supplemental Trust Indenture, dated as of October 1, 2009, a Sixth Supplemental Trust Indenture, dated as of December 1, 2012, a Seventh Supplemental Trust Indenture dated as of June 1, 2013, an Eighth Supplemental Trust Indenture dated as of December 1, 2014, and a Ninth Supplemental Trust Indenture dated as of January 1, 2015 (collectively, the "Indenture"), between the Issuer and Regions Bank, with offices in Little Rock, Arkansas, as Trustee (the "Trustee").

Pursuant to a Loan Agreement, dated as of February 1, 1994, as amended and supplemented by a First Supplemental Loan Agreement, dated as of July 1, 1999, a Second Supplemental Loan Agreement, dated as of December 1, 2002, a Third Supplemental Loan Agreement, dated as of September 1, 2005, a Fourth Supplemental Loan Agreement, dated as of June 1, 2008, a Fifth Supplemental Loan Agreement, dated as of October 1, 2009, a Sixth Supplemental Loan Agreement, dated as of December 1, 2012, a Seventh Supplemental Loan Agreement, dated as of June 1, 2013, an Eighth Supplemental Loan Agreement dated as of December 1, 2014, and a Ninth Supplemental Loan Agreement dated as of January 1, 2015 (collectively, the "Agreement"), between the Issuer and Ouachita Baptist University, an Arkansas nonprofit corporation and the owner and operator of the University (the "Corporation"), the Issuer is lending the proceeds of the Bonds to the Corporation in return for payments sufficient to pay the principal of and interest on the Bonds as and when the same become due and payable and the fees, charges, and expenses of the Trustee. See **SUMMARY OF PORTIONS OF THE AGREEMENT**. The obligations of the Corporation under the Agreement are secured by a pledge of and lien on all student tuition and fee revenues received by the Corporation (the "Pledged Revenues") on a parity with the lien securing the Issuer's Revenue Bonds, Series 2008 ("Series 2008 Bonds") in the original principal amount of \$40,470,000, the Issuer's Refunding Revenue Bonds, Series 2012 (the "Series 2012 Bonds") in the original principal amount

of \$3,495,000, the Issuer's Refunding Revenue Bonds, Series 2013 (the "Series 2013 Bonds") in the original principal amount of \$7,755,000, and the Issuer's Refunding Revenue Bonds, Series 2014 (the "Series 2014 Bonds") in the original principal amount of \$6,710,000 (collectively, the "Parity Bonds"). See **THE BONDS, Security**. **The Bonds are not secured by a mortgage on or security interest in any real or tangible personal property.**

Pursuant to the Indenture, all right, title, and interest of the Issuer in and to the Agreement (except for certain rights to indemnification and payment of expenses), including the Issuer's right to receive payments and the pledge of the Pledged Revenues, are assigned to the Trustee to secure the payment of the Bonds.

The Bonds are special and limited obligations of the Issuer. Neither the City, the State, nor any political subdivision thereof shall in any event be liable for the payment of the principal of or interest on the Bonds or for the performance of any pledge, mortgage, obligation, or agreement of any kind whatsoever which may be undertaken by the Corporation. None of the Bonds or any of the agreements or obligations of the Corporation shall be construed to constitute an indebtedness, liability, general or moral obligation, pledge of the faith, loan of credit, or charge against the taxing power of the City, the State, or any political subdivision thereof within the meaning of any constitutional or statutory provision. The Issuer has no taxing power.

This Official Statement sets forth for consideration by each investor certain risk factors and other investments considerations that each investor should consider prior to purchasing the Bonds. See **BONDHOLDER RISKS** herein.

The Bonds will be initially issued in book-entry form and purchasers of Bonds will not receive certificates representing their interest in the Bonds purchased. See **THE BONDS, Book-Entry Only System**. The Bonds will contain such other terms and provisions as described herein **THE BONDS, General Description**.

The Bonds are issuable only as fully registered bonds, without coupons, in the denomination of \$5,000 or an integral multiple thereof. Interest is payable March 1, 2015 and semiannually thereafter on each March 1 and September 1. Unless the Bonds are in book-entry form, principal is payable at the principal office of the Trustee. Interest is payable by check mailed by the Trustee to the registered owners as of the record date for each interest payment date. A Bond may be transferred, in whole or in part (in integral multiples of \$5,000), but only upon delivery of the Bond, together with a written instrument of transfer, to the Trustee. See **THE BONDS, General Description**.

The Bonds are subject to extraordinary redemption in certain events and are subject to optional redemption on and after March 1, 2025, as described herein. The Bonds maturing on March 1 in the years 2016, 2029, 2034 and 2038 are also subject to mandatory sinking fund redemption as described herein. The Trustee shall give at least 30 days notice of redemption. See **THE BONDS, Redemption**.

The Indenture permits, under certain conditions, the issuance of additional bonds (the "Additional Bonds") by the Issuer which will rank on a parity with the Bonds. See the caption **THE BONDS, Additional Bonds**, herein.

Under existing law and assuming compliance with certain covenants described herein, (i) interest on the Bonds is excludable from gross income for federal income tax purposes, (ii) interest on the Bonds is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals and corporations, (iii) with respect to corporations, interest on the Bonds will be taken into account in determining adjusted current earnings for the purpose of computing the federal alternative minimum tax, (iv) interest on the Bonds is exempt from State income tax, (v) the Bonds are "qualified tax-exempt obligations within the meaning of Section 265 of the Internal Revenue Code of 1986, as amended (the "Code"), and (vi) the Bonds are exempt from property taxes in the State. See **LEGAL MATTERS, Tax Exemption**.

It is expected that the Bonds will be available for delivery on or about January 13, 2015 through the facilities of The Depository Trust Company in New York, New York.

This Official Statement contains descriptions of, among other matters, the Bonds, the Corporation, the University, the Indenture, the Agreement and the Continuing Disclosure Agreement (as hereinafter defined). Such descriptions and information do not purport to be comprehensive or definitive. Definitions of certain words and terms used in this Official Statement are set forth in Appendix A hereto. All references herein to the Indenture, the Agreement and the Continuing Disclosure Agreement are qualified in their entirety by reference to such documents, and references herein to the Bonds are qualified in their entirety by reference to the form thereof included in the Indenture. Copies of such documents may be obtained from Bond Counsel prior to the delivery of the Bonds and from the Trustee after the delivery of the Bonds.

## THE BONDS

Book-Entry Only System. DTC, or its successor, will act as securities depository for the Bonds. The Bonds will each be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered Bond certificate for each maturity will be issued in the principal amount of the maturity and will be deposited with DTC.

DTC is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds securities that its participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at [www.dtcc.com](http://www.dtcc.com) and [www.dtc.org](http://www.dtc.org).

Purchases of Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Bonds on DTC's records. The ownership interest of each actual purchaser of each Bond (referred to herein as "Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Bonds are to be accomplished by entries made on the books of Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interest in Bonds, except in the event that use of the book-entry system for the Bonds is discontinued.

To facilitate subsequent transfers, all Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in

beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Bonds are credited, which may or may not be the Beneficial Owners. Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time.

Redemption notices will be sent only to Cede & Co. If fewer than all of the Bonds are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the Bonds unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the Issuer as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Principal, interest and premium, if any, payments on the Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the Issuer or Trustee, on the payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, the Trustee, or the Issuer, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of principal, interest and premium, if any, to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the Trustee, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners shall be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as securities depository with respect to the Bonds at any time by giving reasonable notice to the Issuer or the Trustee. Under such circumstances, in the event that a successor securities depository is not obtained, Bonds are required to be printed and delivered. The Issuer may decide to discontinue use of the system of book-entry transfers through DTC (or a successor securities depository). In that event, Bonds will be printed and delivered.

The information concerning DTC and DTC's book-entry system set forth above has been obtained from DTC. Neither the Underwriter nor the Issuer make any representation or warranty regarding the accuracy or completeness thereof.

**So long as the Bonds are in book-entry only form, Cede & Co., as nominee for DTC, will be treated as the sole owner of the Bonds for all purposes under the Indenture, including receipt of all principal of and interest on the Bonds, receipt of notices, voting and requesting or directing the Trustee to take or not to take, or consenting to, certain actions under the Indenture. The Issuer and the Trustee have no responsibility or obligation to the Participants or the Beneficial Owners with respect to (a) the accuracy of any records maintained by DTC or any Participant; (b) the payment by any Participant of any amount due to any Beneficial Owner in respect of the principal of and interest on the Bonds; (c) the delivery or timeliness of delivery by any Participant of any notice to any Beneficial Owner which is required or permitted under the terms of the Indenture to be given to owners of Bonds; or (d) other action taken by DTC or Cede & Co. as owner of the Bonds.**

General Description. The Bonds shall (a) be dated, (b) mature and (c) bear interest as reflected on the cover page of this Official Statement, and interest is payable on the Bonds in accordance therewith. The Bonds are issuable in the form of registered Bonds without coupons in the denomination of \$5,000 each or any integral multiple thereof, interchangeable in accordance with the provisions of the Indenture. In the event any Bond is mutilated, lost or destroyed, the Issuer shall, if not then prohibited by law, execute and the Trustee may authenticate a new Bond in accordance with the provisions therefor in the Indenture.

Each Bond is transferable by the registered owner thereof or by his attorney duly authorized in writing at the principal office of the Trustee. Upon such transfer a new fully registered Bond or Bonds of the same maturity, of authorized denomination or denominations, for the same aggregate principal amount will be issued to the transferee in exchange therefor.

No charge will be made to any owner of any Bond for the privilege of registration, but any owner of any Bond requesting any such registration shall pay any tax or other governmental charge required to be paid with respect thereto. Except as otherwise provided in the immediately preceding sentence, the cost of preparing each new Bond upon each exchange or transfer and any other expenses of the Issuer or the Trustee incurred in connection therewith shall be paid by the Issuer. Neither the Issuer nor the Trustee shall be required to transfer or exchange any Bonds selected for redemption in whole or in part.

The person in whose name any Bond shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes, and payment of or on account of the principal or premium, if any, or interest of any Bonds shall be made only to or upon the order of the registered owner thereof or his legal representative, but such registration may be changed as hereinabove provided. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid.

In any case where the date of maturity of interest on or principal of the Bonds or the date fixed for redemption of any Bonds shall be a Saturday or Sunday or shall be in the State a legal holiday or a day on which banking institutions are authorized by law to close, then payment of interest or principal (and premium, if any) need not be made on such date but may be made on the next succeeding business day not a Saturday or Sunday or a legal holiday or a day upon which banking institutions are authorized by law to close with the same force and effect as if made on the date of maturity or date fixed for redemption.

Redemption. (1) Extraordinary Redemption. The Bonds shall be redeemed (a) from proceeds of the Bonds which are not needed for the purposes intended, in part on any interest payment date, in inverse order of maturity (and by lot within a maturity in such manner as the Trustee shall determine), at a price equal to the principal amount being redeemed plus accrued interest to the redemption date, (b) on any interest payment date from the proceeds of any insurance or condemnation award resulting from the damage or destruction of the University or any portion thereof by fire or other casualty, or from the taking by condemnation by any governmental body or by any person, firm, or corporation acting under governmental authority, of title to or any interest in, or the temporary use of, the University or any portion thereof, in part in inverse order of maturity (and by lot within a maturity in such manner as the Trustee shall determine) at a price equal to the principal amount being redeemed plus accrued interest to the redemption date and (c) on any interest payment date, in whole, in the event the Corporation shall exercise its option to prepay under Section 9.2 of the Agreement, at a price equal to the principal amount being redeemed plus accrued interest to the redemption date.

(2) Optional Redemption. The Bonds are also subject to redemption at the option of the Issuer, from funds from any source, on and after March 1, 2025 in whole or in part at any time, at a redemption price equal to the principal amount being redeemed plus accrued interest to the redemption date. If fewer than all of the Bonds shall be called for redemption, the particular maturities of the Bonds to be redeemed shall be selected by the Issuer in its discretion. If fewer than all of the Bonds of any one maturity shall be called for redemption, the particular Bonds or portion thereof to be redeemed from such maturity shall be selected by lot by the Trustee.

(3) Mandatory Sinking Fund Redemption--Term Bonds. The Bonds maturing on March 1 in the years 2016, 2029, 2034 and 2038 shall be redeemed prior to stated maturity, in part, as selected by the Trustee, at the principal amount of such Bonds plus accrued interest to the date of redemption, as follows:

Notice of Redemption. The Trustee, at the expense of the Issuer, shall give notice of the call for redemption by first class mail placed in the mail not less than thirty (30) nor more than sixty (60) days prior to the date fixed for redemption to the registered owner of any Bond called for redemption, addressed to such registered owner's registered address. After the date specified in such call, the Bonds or portions thereof (which must be integral multiples of \$5,000) so called will cease to bear interest provided funds for their payment have been deposited with the Trustee.

Notwithstanding the above, so long as the Bonds are issued in book-entry only form, if fewer than all the Bonds of an issue are called for redemption, the particular Bonds to be redeemed will be selected pursuant to the procedures established by DTC. So long as the Bonds are issued in book-entry only form, notice of redemption will be given only to Cede & Co., as nominee for DTC. **The Trustee will not give any notice of redemption to the Beneficial Owners of the Bonds.**

Purposes for Bonds. The Bonds are being issued to (a) current refund the remainder of the Series 2009 Bonds that remain outstanding after the issuance of the Series 2014 Bonds and (b) pay the costs of issuing the Bonds.

The Series 2009 Bonds will be defeased with United States Treasury Obligations - State and Local Government Series that will provide a cash flow to redeem the Series 2009 Bonds on March 1, 2015 at a price of par plus accrued interest.

The Series 2009 Bonds were issued (a) to finance costs of the following: (a) acquiring, constructing, equipping and furnishing Westside Hall and Georgia Hickingbotham Hall located on the campus of OBU at 608 Ouachita Street and 612 Ouachita Street, respectively, including related demolition, site preparation, utility improvements and parking; (b) acquiring, constructing and improving parking lots on the campus of OBU located at 616 North 8th Street, 618 North 8th Street and 624 North 8th Street; (c) acquiring and constructing a pedestrian bridge spanning the ravine that separates the north and south portions of the campus of OBU; (d) renovating and improving the exterior façade of: (i) the Sturgis Physical Education Building located on the campus of OBU at 624 North 8th Street and (ii) Tiger Den located on the campus of OBU at 622 North 8th Street; (e) constructing and improving the portion of North 8th Street spanning from the new two lane road constructed with proceeds of the Board's Revenue Bonds, Series 2008 to University Drive; (f) closing and removing Sonny Jackson Drive at 10th Street located on the campus of OBU; and (g) acquiring, constructing, equipping and furnishing maintenance buildings located on the campus of OBU at 950 North 8th Street.

The Issuer has issued the Series 2014 Bonds to refund a portion of the Series 2009 Bonds. The closing for the Series 2014 Bonds, and the defeasance of a portion of the Series 2009 Bonds, occurred on December 9, 2014. The Series 2015 Bonds will refund all remaining outstanding Series 2009 Bonds.

The sources and uses of Bond proceeds (excluding accrued interest) and other funds are estimated by the Issuer to be as follows:

SOURCES:

Principal Amount of Bonds	\$8,100,000
Available Moneys <sup>(1)</sup>	885,641
Net Original Issue Discount	<u>(108,573)</u>
Total Sources	\$8,877,068

USES:

Refunding of Series 2009 Bonds	\$8,217,969
Debt Service Reserve <sup>(2)</sup>	538,611
Underwriters' Discount	81,000
Costs of Issuance	<u>39,488</u>
Total Uses	\$8,877,068

<sup>(1)</sup>Held in connection with the bond fund and debt service reserve for the Series 2009 Bonds.

<sup>(2)</sup>The Debt Service Reserve for the Bonds will be funded with a transfer from the debt service reserve for the Series 2009 Bonds.

Additional Bonds. So long as the Agreement is in effect and there is no event of default existing under the Agreement or the Indenture, one or more series of Additional Bonds may be issued to pay (i) the costs of making certain substitutions, additions, modifications, and improvements in, on, or to the University, (ii) the costs of refunding, to the extent permitted by law, any Outstanding Bonds or Parity Bonds, and (iii) the costs of the issuance and sale of the Additional Bonds and capitalized interest and certain other costs. Any such Additional Bonds shall be payable solely from the amounts derived from the Agreement. The Additional Bonds shall be delivered to the Trustee only upon the filing of certain documents with the Trustee, including (i) a supplemental indenture and a supplemental agreement, (ii) a written opinion of nationally recognized bond counsel to the effect that the issuance of Additional Bonds and the execution thereof have been duly authorized, all conditions precedent to the delivery thereof have been fulfilled, and the exclusion from gross income of the interest on the Bonds for federal income tax purposes and any Additional Bonds theretofore issued will not be affected by the issuance of any such Additional Bonds, (iii) a written order to the Trustee from the Issuer to authenticate and deliver the Additional Bonds, and (iv) (a) if the Additional Bonds are to be issued to construct additional capital improvements to the University, a written opinion of an Accountant that the Pledged Revenues collected by the Corporation in the Fiscal Year immediately prior to the Fiscal Year in which the Additional Bonds are proposed to be issued were at least 130% of the maximum Annual Debt Service on Outstanding Bonds plus the Additional Bonds proposed to be issued, or (b) if the Additional Bonds are to be issued to refund any Outstanding Bonds or Parity Bonds, a written opinion of an Accountant that either (A) the Pledged Revenues collected by the Corporation in the Fiscal Year immediately prior to the Fiscal Year in which the Additional Bonds are proposed to be issued were at least 130% of the maximum Annual Debt Service on Outstanding Bonds or Parity Bonds which are not to be refunded plus the Additional Bonds proposed to be issued, or (B) Annual Debt Service for each Fiscal Year on the Additional Bonds proposed to be issued does not exceed Annual Debt Service on the Bonds or Parity Bonds proposed to be refunded. Each series of Additional Bonds shall be equally and ratably secured under the Indenture with the Bonds and all other series of Additional Bonds, without preference, priority, or distinction of any Bonds over any other thereof.

Security. The Bonds will be special and limited obligations of the Issuer and will be payable solely from certain amounts payable by the Corporation to the Issuer under the Agreement and certain other available moneys specified in the Indenture (except to the extent paid out of moneys attributable to the proceeds derived from the sale of the Bonds and income from the investment thereof). Under the Indenture, the Issuer will pledge and assign all of its right, title, and interest in and to the Agreement and all revenues and receipts payable thereunder (other than certain indemnification rights and certain fees and expenses of the Issuer) to the Trustee for the benefit of the owners of the Bonds. **The Bonds are not secured by a mortgage on or security interest in any real or tangible personal property. However, the Corporation has covenanted in the Agreement that it will not mortgage any real property upon which the University is presently located to secure any indebtedness of the Corporation.**

The Bonds are not an obligation, general or special, debt, liability, or moral obligation of the City, the State, or of any political subdivision thereof, and neither the faith and credit nor the taxing power of the City, the State, or of any political subdivision thereof is pledged to the payment of the principal of or the interest on the Bonds. The Bonds are not a general obligation of the Issuer (which has no taxing power and receives no funds from any governmental body), but are limited and special revenue obligations of the Issuer payable solely from the revenues and properties pledged therefor in the Indenture. No covenant, stipulation, obligation, or agreement contained in the Indenture or in the Bonds shall be deemed to be a covenant, stipulation, obligation, or agreement of any present or future trustee, officer, agent, or employee of the Issuer in his or her individual capacity. Neither the City, the State, nor any political subdivision thereof shall be liable for the performance of any agreement or covenant of any kind which may be undertaken by the Issuer and no breach by the Issuer of any agreement or covenant shall create any obligation upon the City, the State, or any political subdivision thereof.

Debt Service Reserve Fund. In the Indenture there is established with the Trustee a debt service reserve fund (the "Debt Service Reserve Fund"). There will be maintained in the Debt Service Reserve Fund an amount equal to the least of the maximum Annual Debt Service on the Bonds, the

Series 2008 Bonds, the Series 2009 Bonds, the Series 2012 Bonds, the Series 2013 Bonds, the Series 2014 Bonds, and any Additional Bonds, 125% of the average Annual Debt Service on the Bonds, the Series 2008 Bonds, the Series 2009 Bonds, the Series 2012 Bonds, the Series 2013 Bonds, the Series 2014 Bonds, and any Additional Bonds and 10% of the original proceeds of the Bonds, the Series 2008 Bonds, the Series 2009 Bonds, the Series 2012 Bonds, the Series 2013 Bonds, the Series 2014 Bonds, and Additional Bonds as originally issued (the "Debt Service Reserve Requirement"). The Debt Service Reserve Requirement with respect to the Bonds shall be funded with a transfer from the debt service reserve attributable to the Series 2009 Bonds.

Pledged Revenues. The Corporation, pursuant to the Agreement, has pledged the Pledged Revenues (tuition and fees) received by the Corporation to the payment of the principal of and interest on the Bonds, the maintenance of the Debt Service Reserve Fund at the required level, and the payment of fees and expenses of the Trustee and the Paying Agent for the Bonds. In this regard, the pledge in favor of the Bonds is on a parity with the Parity Bonds and any Additional Bonds. See **DEBT SERVICE REQUIREMENTS**. The Corporation, in the Agreement, has covenanted that it will not grant a security interest in Pledged Revenues except to secure its obligations under the Agreement.

Pursuant to the Agreement, the Corporation is obligated to deliver to the Trustee, at least on a semiannual basis, Pledged Revenues in amounts sufficient to meet the Corporation's obligations under the Agreement. However, if an event of default occurs or exists under the Indenture the Trustee will receive all Pledged Revenues until such time as the event of default has been cured, including funding of the Debt Service Reserve Fund to the required level. The security interest in the Pledged Revenues may be subject to (a) limitation or rights of other parties imposed by statute or court order, (b) to the requirements that appropriate filings be made from time to time to maintain the protection of the security interest and (c) to rights of depository banks to set off.

Rate Covenant. In the Agreement, the Corporation agrees to fix, maintain, and charge tuition and fees for use of the University and for services provided by the University such that Pledged Revenues in each Fiscal Year will not be less than 125% of the maximum Annual Debt Service on Outstanding Bonds, Parity Bonds and Additional Bonds in the Fiscal Year thereafter.

Other Indebtedness. The Corporation has covenanted in the Agreement that it will avoid incurring additional indebtedness in an amount which might impair the security for the Bonds and the ability of the Corporation to make payments required by the Agreement. Other than the Parity Bonds, all of the Corporation's other indebtedness in the outstanding principal amount in excess of \$50,000 is described as follows:

(a) Term Loan (the "Term Loan") payable to Bank of the Ozarks, Little Rock, Arkansas ("Bank of the Ozarks") pursuant to a Loan Agreement dated as of June 27, 2012, as amended (the "Bank of the Ozarks Loan Agreement"), by and between the Corporation and Bank of the Ozarks, bearing interest at the rate of 5.00% per annum. Subsequent to the end of the May 31, 2014 fiscal year, Bank of the Ozarks advanced the Corporation an additional \$800,000 under the Term Loan. As of November 1, 2014, \$16,163,668.09 in principal is outstanding under the Term Loan. Installments of principal and interest in the amount of \$121,151.04 are payable monthly, with a final payment of all unpaid principal and accrued interest due on November 5, 2019 (the Corporation and Bank of the Ozarks agreed to extend the maturity of the Term Loan from June 27, 2017 to November 5, 2019 pursuant to an extension agreement executed on October 30, 2014). See **DEBT SERVICE REQUIREMENTS**. The Term Loan was issued for the purpose of refinancing certain indebtedness of the Corporation. The Term Loan is secured by a lien on and security interest in certain real property, personal property, mineral rights, student receivables, endowment assets, endowment income and unrestricted perpetual trusts (collectively, the "Bank of the Ozarks Collateral"). The Bank of the Ozarks Collateral does not include the Pledged Revenues.

(b) Revolving Line of Credit (the "Line of Credit") from Bank of the Ozarks pursuant to the Bank of the Ozarks Loan Agreement, in the maximum principal amount of \$5,000,000, bearing interest at a variable rate per annum with interest on advances payable monthly and the principal amount of advances payable on November 5, 2015, or upon a subsequent maturity date agreed upon

by Bank of the Ozarks. Currently, \$3,300,000 is outstanding under the Line of Credit. The Corporation plans to draw approximately \$1,000,000 on the Line of Credit in November and December 2014 and anticipates repaying the outstanding principal balance from the funds on hand in January 2015. The Line of Credit is secured by the Bank of the Ozarks Collateral.

(c) Real Estate Installment Note payable to the sellers of Caddo Place Apartments, dated March 31, 2008, in the principal amount of \$714,100. The real estate installment note bears interest at the rate of 5.50% and matures on March 30, 2018. Such note is payable in installments of \$4,944.17 monthly with a payment of \$458,794.17 due on March 30, 2018.

### **CONTINUING DISCLOSURE**

The Issuer has determined that no financial or operating data concerning the Issuer is material to an evaluation of the offering of the Bonds or to any decision to purchase, hold or sell the Bonds, and the Issuer will not provide any such information. The Corporation has undertaken all responsibility for any continuing disclosure to Bondholders as described below, and the Issuer shall have no liability to the Bondholders or any other person with respect to SEC Rule 15c2-12.

The Corporation has covenanted for the benefit of holders and beneficial owners of the Bonds to provide certain financial information and operating data relating to the Corporation by not later than 180 days following the end of the Corporation's fiscal year (which currently would be May 31) (the "Annual Report"), commencing with the Annual Report for the Corporation's fiscal year ending May 31, 2015, and to provide notices of the occurrence of certain enumerated events. Each Annual Report shall be filed by the Trustee on behalf of the Corporation with the Municipal Securities Rulemaking Board. The notices of listed events will be filed by the Trustee on behalf of the Corporation with the Municipal Securities Rulemaking Board. The specific nature of the information to be contained in the Annual Report or the notices of listed events is summarized below under the caption **SUMMARY OF PORTIONS OF THE CONTINUING DISCLOSURE AGREEMENT**. These covenants have been made in order to assist the Underwriters in complying with SEC Rule 15c2-12(b)(5). The Corporation failed to include certain required information in its Annual Reports for the fiscal years ended May 31, 2009, 2010, 2011, 2012, and 2013. On October 31, 2014, the Corporation filed its Annual Report for the fiscal year ended May 31, 2014, and such report includes the required information. The Corporation has implemented policies to ensure future compliance with its continuing disclosure undertakings.

### **THE ISSUER**

The Issuer was created by Ordinance No. 483 of the Board of Directors of the City, adopted on October 20, 1988 (the "Authorizing Ordinance"), pursuant to the Authorizing Legislation. The Issuer is authorized by the Authorizing Ordinance and the Authorizing Legislation to own, acquire, construct, reconstruct, extend, equip, improve, sell, lease, contract concerning, or otherwise deal in or dispose of educational facilities or any interest therein. The Issuer is authorized to issue revenue bonds from time to time and to use the proceeds to finance or refinance its authorized functions.

The initial members of the Issuer were appointed by proclamation of the Mayor of the City. Successor members were previously elected by the remaining members of the Issuer. Due to a change in legislation, successor members are now appointed by the Mayor and confirmed by the Board of Directors of the City. Members are eligible to succeed themselves. The current members of the Issuer and their principal occupations are as follows:

<u>Name</u>	<u>Principal Occupation</u>	<u>Term Expires (May 31)</u>
Rick Mays, Vice Chairman	Pastor	2016
Randall Turner, Chairman	Certified Public Accountant	2015
Dr. Rob Rucker	Veterinarian	2019

Jane L. Lucas	Executive Director, Group Living	2017

## **THE CORPORATION AND UNIVERSITY**

Generally. The Corporation, which owns and operates the University, is an Arkansas nonprofit corporation incorporated on April 19, 1886. In 1885, the Arkansas Baptist Convention voted to establish the University as its institution of higher education. In April, 1886, the Board of Trustees of the University voted to locate the institution in Arkadelphia, Arkansas. Classes began on September 6, 1886, and the University has operated without interruption in the same location since that date. On January 14, 1965, the Board of Trustees voted to change the name from Ouachita Baptist College to Ouachita Baptist University.

Location and Facilities. The University is located in Arkadelphia, Arkansas (the "City"), in Clark County (the "County"), approximately seventy miles southwest of Little Rock, Arkansas, on Interstate 30, and thirty-five miles south of Hot Springs, Arkansas. The University's campus consists of 37 buildings and the campus is located on approximately 200 acres of land. As of May 31, 2014 the net book value of buildings and grounds was valued at \$92,702,875.

During the past decade, the University has added a number of buildings to the campus which enhance the academic environment and provide a beautiful, yet functional, setting for teaching and learning. Those new facilities include Hickingbotham Hall, the home of the Frank D. Hickingbotham School of Business, which was completed in the spring of 2006; the Harvey Jones Science Center in 1997, which provides over 60,000 square feet of space for the Departments of Biological Sciences, Chemistry, Mathematics and Computer Science, and Physics; and the Harvey and Bernice Jones Performing Arts Center which consists of a 1,500 seat auditorium, makeup rooms, prop storage and construction rooms, faculty offices and a ticket office. The University completed the following residence halls in 2009: Gosser Hall, which is approximately 74,260 square feet and houses up to 212 students and East Village Hall which is approximately 52,480 square feet and houses up to 148 students. In 2010, the University completed the Westside One and Westside Two halls, which are approximately 37,500 square feet and house up to 128 students. In 2011, the Facilities Management Complex was completed, which is approximately 29,970 square feet. In 2014, Cliff Harris Stadium was completed; the stadium seats approximately 3,000 for football contests and includes approximately 7,000 square feet of facility space.

Administration. Set forth below are the names, educational degrees and titles of the principal members of the administrative staff of the University:

<u>Name</u>	<u>Title</u>
Rex M. Horne, Jr., D. Min.	President
Stan Poole, Ph.D	Vice President for Academic Affairs
Brett Powell, Ed. D. and C.P.A.	Vice President for Administrative Services
C. Wesley Kluck, M.D.	Vice President for Student Services
Terry Peeples	Vice President for Development
Keldon Henley, Ed. D	Vice President for Institutional Advancement

Dr. Rex M. Horne, Jr. became the 15th president of the University on June 1, 2006. Prior to his selection as president by the University Board of Trustees, he had served as Senior Pastor of Little Rock's Immanuel Baptist Church for almost 16 years.

Dr. Horne attended the University and later graduated from Lyon College (formerly Arkansas College) in Batesville, Arkansas. He earned a master of divinity degree from Southwestern Baptist Theological Seminary in Fort Worth, Texas, and the doctor of ministry degree from New Orleans Baptist Theological Seminary.

Stan Poole was appointed Vice President for Academic Affairs and Dean of the School of Interdisciplinary Studies at the University in June 2003. Before coming to the University, he served as Professor of English at Louisiana College in Pineville, Louisiana, from 1988–2003. He also served at the same institution in several administrative roles, including Coordinator of Faculty Development, Interim Vice President for Academic Affairs, and Assistant Dean of the College.

Dr. Poole holds a B.A. in English and Speech from Louisiana College, a M.A. in English from Tulane University, and a Ph.D. in English from the University of Virginia.

Brett Powell was appointed Vice President for Administrative Services of the University in November 2006. He has served higher education in various capacities since 1998 after beginning his career in public accounting in 1989. As Vice President for Administrative Services, Dr. Powell is responsible for the University's accounting, budgeting, investments, payroll, human resource services, facilities planning and management, purchasing, information technology, risk management, auxiliary services and student financial services.

Dr. Powell holds a B.B.A. degree in Accounting from the University of Louisiana – Monroe, an MBA from the University of Arkansas at Little Rock and the Doctorate of Education in Higher Education Administration from the University of Arkansas at Little Rock and is a Certified Public Accountant.

Wesley Kluck was appointed Vice President for Institutional Advancement and University Physician of Ouachita Baptist University in August 2005. Prior to this appointment he had been in private medical practice as a pediatrician since 1984. Dr. Kluck also served on the University's Board of Trustees for 12 years, including two years as chairman. As Vice President for Advancement he was responsible for student recruitment, alumni, career services, enrollment management and athletic school spirit. In August 2012, he took on a new role as Vice President for Student Services. As University physician Dr. Kluck supervises and practices in an on-campus clinic and serves as athletic team physician.

Dr. Kluck holds a B.S. degree in biology, chemistry and math from the University and a Doctor of Medicine degree from the University of Arkansas. He completed a pediatric residency at Arkansas Children's Hospital and is certified by the American Board of Pediatrics.

Terry Peeples was named Vice President for Development on March 1, 2008. As Vice President for Development, Ms. Peeples will be responsible for guiding all fund-raising efforts of the University and managing the work of the development office staff. A 1983 graduate of the

University, Ms. Peoples served Baptist Health for 20 years as community relations director, where she was responsible for business development, community outreach, 13 wellness centers, volunteer programs, physician relations, sales direction, and guided many of the successful programs and services in place today.

Keldon Henley joined the administrative staff of the University in 1993. From September 2003 to August 2012, Dr. Henley served as Vice President for Student Services and Dean of Students. As the chief student affairs officer for the University, Dr. Henley was responsible for campus housing and residence life, campus activities, health services, counseling services, recreational sports, student conduct, and campus safety. In August 2012, he took on a new role as Vice President for Institutional Advancement.

Dr. Henley earned the Doctor of Education degree in Higher Education Administration and College Teaching in 1997 from the University of Arkansas at Little Rock. He holds an M.A. in Marriage and Family Counseling from Southwestern Baptist Theological Seminary. He was a 1986 graduate of Ouachita Baptist University, earning a Bachelor of Music degree.

Academic Programs. The J. D. Patterson School of Natural Sciences confers the degree of Bachelor of Science and Bachelor of Arts.

The Michael D. Huckabee School of Education confers the degrees of Bachelor of Arts and Bachelor of Science in Education.

The William H. Sutton School of Social Sciences confers the Bachelor of Arts degree.

The School of Humanities confers the Bachelor of Arts degree.

The Bernice Young Jones School of Fine Arts confers the degrees of Bachelor of Music, Bachelor of Music Education and Bachelor of Arts.

The Frank D. Hickingbotham School of Business confers the Bachelor of Arts degree.

The Chesley and Elizabeth Pruet School of Christian Studies confers the Bachelor of Arts degree.

Status of University. The academic programs of the University are accredited by the North Central Association of Colleges. The Teacher Education Program is accredited by the National Council for Accreditation of Teacher Education on the elementary and secondary levels. The Division of Music is accredited for the baccalaureate degree by the National Association of Schools of Music. The Didactic Dietetic Program is accredited by the Commission on Accreditation for Dietetics Education (CADE) of the American Dietetics Association.

The University is a member of the National Commission on Accrediting, the Association of Southern Baptist Colleges and Schools and the American Association of Colleges for Teacher Education.

Employees. As of June 1, 2014, the University employed approximately 311 persons, including both full and part-time employees. A breakdown of the employees by area of service, is as follows:

<u>Area of Service</u>	<u>Number of Employees</u>
Maintenance and Custodial	54
Faculty	112
Administration and Staff	<u>145</u>
Total	311

The undergraduate student-faculty ratio is approximately 12.6 to 1. The average class size is 19. There are 103 full-time teaching faculty members. Eighty-seven percent of full-time professors have earned doctoral or other terminal degrees. Sixty-eight percent of full-time professors have earned tenure.

Litigation. The Corporation is a defendant in a claim for damages related to alleged injuries suffered by a former student athlete. The claim arises from allegations that a football player suffered a back injury from an assistant football coach demonstrating a block during football practice. The plaintiff in the case has also pursued a claim against the head football coach and the assistant football coach that allegedly caused the injury. The claims do not specify a requested damage amount. The Corporation's insurance carrier is defending the case under a reservation of rights. In the event that a finder of fact determines that the assistant football coach acted intentionally to injure the plaintiff, the Corporation's insurance carrier would likely deny coverage of the incident. This claim is being defended by counsel, and the Corporation is vigorously denying liability and that the assistant football coach acted with intent. The Corporation's counsel is also questioning the plaintiff's injury. No trial date has been set.

Except as set forth above, there is no material litigation pending or threatened against the Corporation.

Students. Although approximately 61% of the University's 1,501 students enrolled in the 2014-15 academic year were Arkansas residents, the University enrolls students from 25 states and 29 foreign countries. Approximately 5% of the students enrolled are from Clark County.

Entrance requirements for student enrollment are as follows:

- a. A certificate of graduation (transcript) from high school;
- b. A high school grade point average of 2.75 on a 4.00 scale; and
- c. A satisfactory ACT score (20 for regular admission).

The following is matriculation data for the University for the fall semester indicated:

**Summary of Enrollments and Revenues.** The Pledged Revenues, which secure the repayment of the Bonds, consist of student tuition and fees received by the Corporation. The University operates on a Fiscal Year commencing June 1 and ending May 31 of the following year. Students attend the University for yearly terms which are currently divided into two semesters of seventeen weeks each. Semesters generally commence during the months of August and January. Students may also attend classes in the summer. The summer session consists of four terms. Set forth below is historical data for the University regarding enrollment and student revenues:

Student Financial Aid. Approximately 99% of the University's student body receives assistance from federal, state, college or private sources. Several criteria are recognized by the University as bases for financial assistance: (1) scholastic achievement, (2) outstanding personal qualities such as leadership and service, (3) demonstrated financial need, and (4) other standards that may be named by the scholarship donors. Most of the University's aid programs stipulate some combination of these criteria. However, some programs seek to reward scholastic achievement regardless of need, while others are designated to meet financial need qualifications only.

The following table presents the sources of student financial aid for the Fiscal Years indicated:

### **BONDHOLDER RISKS**

The following is a discussion of certain risks that could affect payments to be made with respect to the Bonds. Such discussion is not, and is not intended to be, exhaustive and should be read in conjunction with all other parts of this Official Statement and should not be considered as a complete description of all risks that could affect such payments. Prospective purchasers of the Bonds should analyze carefully the information contained in this Official Statement, including the Appendices hereto, and additional information in the form of the complete documents summarized herein, copies of which are available during the initial offering period from the Underwriters and thereafter from the Trustee.

General. The Bonds are special, limited obligations of the Issuer, payable solely from certain amounts payable by the Corporation to the Issuer under the Agreement and certain other available moneys specified in the Indenture (except to the extent paid out of moneys attributable to the proceeds derived from the sale of the Bonds and income from the investment thereof). No representation or assurance can be given that the Corporation will realize revenues in amounts sufficient to make such payments under the Agreement with respect to the Bonds and to pay other expenses and obligations of the Corporation. The realization of future revenues is dependent upon, among other things, the capabilities of the management of the University and future changes in economic and other conditions that are unpredictable and cannot be determined at this time.

Enrollment. The Corporation believes that the strength of its academic programs, faculty and facilities will cause the demand for its educational programs to remain stable; however, no assurance can be given that it will do so. A significant decrease in the University's enrollment could adversely affect the Corporation's financial position and cash flows and could, in turn, adversely affect the Corporation's ability to make debt service payments on the Bonds at the times and in the amounts contemplated by the Agreement.

Financial Aid. A significant percentage of the University's students receive financial support in the form of federal and state grants, federally backed loans and institutional scholarships and grants from the Corporation. There can be no assurance that the amount of federal or state supported financial aid programs will remain stable or increase in the future. If the amount of such federal or state supported financial aid decreases in the future, there can be no assurance that the Corporation will be able to increase the amount of financial aid provided by it. Any change in the availability of federal or state financial aid would likely adversely affect the University's enrollment. Any significant decrease in enrollment could adversely affect the Corporation's financial position and cash flows and could, in turn, adversely affect the Corporation's ability to make debt service payments on the Bonds at the times and in the amounts contemplated by the Agreement.

Tuition. A significant portion of the Corporation's operating revenues is provided through tuition and related fees. Although the Corporation in the past has been able to raise tuition and related fees without adversely affecting enrollment, there can be no assurance that it will continue to be able to do so in the future, and that the increase will be in amounts sufficient to offset expenses. Future tuition increases and any adverse change in enrollment could adversely affect the Corporation's financial position and cash flows and could, in turn, adversely affect the Corporation's ability to make debt service payments on the Bonds at the times and in the amounts contemplated by the Agreement.

Gifts, Grants and Bequests. The Corporation annually solicits gifts and bequests for both current operating purposes and other needs. There can be no assurance that the amount of gifts, grants and bequests received by the Corporation will remain stable or increase in the future. Any adverse changes in (a) enrollment, (b) tax laws affecting deductibility of charitable contributions and (c) economic conditions could adversely affect the amount of gifts, grants and bequests received by the Corporation, which could adversely affect the Corporation's financial position and results of operations.

Investment Income. A portion of the Corporation's total revenues is derived from income earned on investments of the Corporation's funds. Although the Corporation believes its investments are managed prudently and has adopted policies designed to ensure the prudent management of its investments in the future, there can be no assurance that unforeseen developments in the securities markets will not have an adverse effect on the market value of those investments and the income generated therefrom.

Competition. A key factor in maintaining its revenues is the University's ability to attract a sufficient number of qualified students and faculty. The University competes with higher education institutions located in Arkansas and across the region, including publicly-supported institutions. The Corporation expects to encounter competition in maintaining its recruiting base and seeking to expand its student recruitment. Attracting and retaining qualified faculty is essential to attracting qualified students and is dependent on the Corporation's ability to offer competitive compensation and facilities. No assurances can be given that the University will continue to attract sufficient numbers of qualified students or faculty so that its revenues will be sufficient to make the payments required under the Agreement.

Other Factors Affecting the Financial Performance of the University. One or more of the following factors or events, or the occurrence of other unanticipated factors or events, could adversely affect the Corporation's operations and financial performance to an extent that cannot be determined at this time:

1. *Changes in Administration.* Changes in key administrative personnel could affect the capability of management of the Corporation.

2. *Future Economic Conditions.* Increased unemployment or other adverse economic conditions or changes in demographics in the service area of the University that could increase the proportion of students who are unable to pay the cost of tuition to the Corporation; cost and availability of energy; an inability to control expenses in periods of inflation and difficulties in increasing charges and other fees while maintaining the quality of educational services.

3. *Competition.* Increased competition from other educational institutions, which could adversely affect the enrollment at or revenues of the University, which could force the Corporation to offer discounted rates, or which could adversely affect the ability of the University to attract faculty or other staff.

4. *Organized Labor Efforts.* Efforts to organize employees of the Corporation into collective bargaining units could result in adverse labor actions or increased labor costs.

5. *Environmental Matters.* Legislative, regulatory, administrative or enforcement action involving environmental controls could adversely affect the operation of the facilities of the University. For example, if property of the University is determined to be contaminated by hazardous materials, the Corporation could be liable for significant clean up costs even if it were not responsible for the contamination.

6. *Natural Disasters.* The occurrence of natural disasters, such as floods or droughts, could damage the facilities of the University, interrupt services or otherwise impair operations and the ability of the Corporation to produce revenues.

Payment, Refinancing and Maturity of Term Loan and Line of Credit. The Corporation is the obligor under the Term Loan (maturing November 5, 2019) and the Line of Credit (maturing November 5, 2015). See **THE BONDS, Other Indebtedness.** If the Corporation is unable to pay the Term Loan and Revolving Line of Credit as due or refinance the debt at maturity or upon acceleration of the debt due to default, the Corporation could be forced to liquidate enough assets to pay off the accelerated debt. Such an occurrence could adversely affect the Corporation's financial position and cash flows and could, in turn, adversely affect the Corporation's ability to make debt service payments on the Bonds at the times and in the amounts contemplated by the Agreement.

Tax-Exempt Status of the University and the Bonds. *The Corporation.* The Internal Revenue Service ("IRS") has determined as recently as 1997 that the Corporation is an organization described in Section 501(c)(3) of the Code and therefore is exempt from federal income taxation. The maintenance by the Corporation of its tax-exempt status depends, in part, upon its maintenance of its status as an organization described in Section 501(c)(3) of the Code. The maintenance of such status by the Corporation is contingent upon its compliance with applicable provisions of the Code and related regulations regarding the organization and operation of tax-exempt entities, including its operation for educational purposes and its avoidance of transactions which may cause its assets to inure to the benefit of private individuals. The failure of the Corporation to remain qualified as a tax-exempt organization (see "IRS Examination and Enforcement Activities" below) could result in substantial tax liabilities on the income of the Corporation and could adversely affect the amount of funds available to pay debt service on the Bonds. Such failure could also cause the inclusion of interest on the Bonds in gross income for federal income tax purposes retroactive to their date of issuance (see "The Bonds" below). In addition, the possible modification or repeal of certain existing federal income tax laws or property tax laws or other loss by the Corporation of the present advantages of such laws, or any legislation imposing additional conditions on tax-exempt organizations, could adversely impact the financial position of the Corporation.

*The Bonds.* The failure of the Corporation to remain qualified as a tax-exempt organization, as well as failure to comply with certain legal requirements relating to the Bonds (see "Tax Matters"), could cause the inclusion of interest on the Bonds in gross income for federal income tax purposes retroactive to their date of issuance. In such event, defaults under covenants regarding the Bonds could be triggered and the maturity of the Bonds may be accelerated. The Indenture does not provide for the payment of any additional interest or penalty in the event of the taxability of the interest on

the Bonds. The taxation of interest on the Bonds would also adversely affect their price and marketability.

*IRS Examination and Enforcement Activities.* In recent years, the IRS has increased the frequency and scope of its examination and other enforcement activities regarding tax-exempt organizations and tax-exempt bonds. Currently, the primary penalties available to the IRS under the Code are the revocation of the tax-exempt status of an organization and a determination that interest on tax-exempt bonds is subject to federal income taxation. Although the IRS has not frequently revoked the 501(c)(3) tax-exempt status of nonprofit corporations, it could do so in the future. In addition, although the IRS has only infrequently taxed the interest received by holders of bonds that were represented to be tax-exempt, the IRS has examined a number of bond issues and concluded that such bond issues did not comply with applicable provisions of the Code and related regulations. No assurance can be given that the IRS will not examine the Underwriters, a Bondholder, the Corporation or the Bonds. If the Bonds are examined, it may have an adverse impact on their price and marketability. Based on the stated use of proceeds from the sale of the Bonds as described herein, and on representations, warranties and covenants of the Corporation, Bond Counsel will deliver its opinion as to the tax-exemption of interest on the Bonds.

During 2007, the IRS conducted an examination of the Issuer's Refunding Revenue Bonds, Series 2002 and the Issuer's Refunding and Improvement Revenue Bonds, Series 2005. The IRS raised concerns about the tax-exempt status of one of the issues. A closing agreement was signed by the Issuer, the Corporation and the IRS pursuant to which the tax-exempt status of interest on such issues was protected based upon such concerns.

Marketability. The Underwriters may engage in secondary market transactions with respect to the Bonds but it is under no obligation to do so. There is no assurance that a secondary market for the Bonds will develop or that owners who wish to sell their Bonds will be able to do so.

Certain Matters Relating to Enforceability. The remedies available upon a default under the Indenture and the Loan Agreement will, in many respects, be dependent upon judicial actions, which are often subject to discretion and delay. Under existing constitutional and statutory law and judicial decisions, including the United States Bankruptcy Code and state laws concerning the use of assets of charitable organizations, the remedies specified in the Indenture and the Loan Agreement may not be readily available or may be limited. The various legal opinions to be delivered in connection with the issuance of the Bonds will be expressly subject to the qualification that the enforceability of the Indenture and the Loan Agreement and other legal documents is limited by bankruptcy, reorganization, insolvency, moratorium and other similar laws affecting the rights of creditors and by the exercise of judicial discretion in appropriate cases.

## DEBT SERVICE COVERAGE

Historical Coverage Based on Pledged Revenues. The obligations of the Corporation under the Agreement are secured by a pledge of the Pledged Revenues which consists of tuition and fees. The following table reflects Pledged Revenues available for debt service based on the audited financial statements of the Corporation for the preceding two fiscal years ended May 31:

	<u>Fiscal Year Ending May 31,</u>	
	<u>2014</u>	<u>2013</u>
Total Pledged Revenues <sup>(A)(1)</sup>	\$16,305,731	\$15,494,404
Maximum Annual Debt Service for the Bonds and the Parity Bonds <sup>(B)(2)</sup>	5,221,739	5,221,739
Historical Coverage on Pledged Revenues <sup>(A/B)</sup>	3.12x	2.97x

<sup>(1)</sup> Revenues for the periods indicated are net of scholarships granted by the University.

<sup>(2)</sup> Based upon a twelve (12) month period; debt service requirements are for the Bonds and the Parity Bonds. See **DEBT SERVICE REQUIREMENTS** herein.

Historical Coverage Based Change on Unrestricted Net Assets of Corporation. The following table sets forth the debt service coverage ratio using the change in unrestricted net assets of the Corporation for the two preceding fiscal years ended May 31 based on the audited financial statements of the Corporation.

	<u>Fiscal Year Ending May 31,</u>	
	<u>2014</u>	<u>2013</u>
University Operating Revenues (Unrestricted)	\$41,373,447	\$39,500,027

Maximum Annual Debt Service <sup>(B)(1)</sup>	6,734,881	6,734,881
Coverage <sup>(A/B)</sup>	1.40x	1.11x

<sup>(1)</sup> See **DEBT SERVICE REQUIREMENTS** herein. Based upon a twelve (12) month period; maximum debt service requirements for the Bonds, the Parity Bonds and the indebtedness represented by the Term Loan and the Real Estate Note (but not the Line of Credit) described under **THE BONDS, Other Indebtedness**, excluding the fiscal year ending May 31, 2018 in which the Real Estate Note balloon payment is due and excluding the fiscal year ending May 31, 2020 in which the Term Loan balloon payment is due. The Term Loan matures on November 5, 2019 and the Real Estate Note matures on March 30, 2018. The Corporation expects to pursue a refinancing of such indebtedness before maturity.

## SUMMARY OF PORTIONS OF THE AGREEMENT

The following is a summary, which does not purport to be comprehensive and definitive, of certain provisions of the Agreement.

Issuance of the Bonds. Pursuant to the Agreement, the Issuer agrees to issue the Bonds to accomplish the refunding of the remainder of the Series 2009 Bonds that will be outstanding after the issuance of the Series 2014 Bonds. Upon the issuance of the Bonds, the Issuer will deposit the proceeds from the Bonds with the Trustee. An amount equal to the accrued interest, if any, to be paid for the Bonds shall be deposited in the Bond Fund. The amount necessary, along with other funds, to accomplish the refunding of the Series 2009 Bonds will be deposited with the Trustee. The balance of the proceeds, which will be an amount not exceeding 2% of the proceeds of the Bonds, shall be deposited in the Issuance Cost Fund.

Investment of Moneys. The Trustee shall, at the direction of the Corporation, continuously invest and reinvest moneys held for the credit of the Debt Service Reserve Fund in investments permitted by the Agreement ("Permitted Investments") maturing not later than five years from the date of investment. In the absence of direction from the Corporation, the Trustee shall invest and reinvest such moneys in a fund comprised exclusively of Governmental Obligations. Money held for the credit of any other fund or account created in the Indenture shall, to the extent practicable, be invested and reinvested in Permitted Investments which shall mature not later than the date or dates on which the money held for credit of the particular fund shall be required for the purposes intended. The Trustee shall so invest and reinvest pursuant to instructions from the Corporation.

The obligations so purchased as an investment of moneys in any such fund or account shall be deemed at all times a part of such fund. Investment earnings and profits will be applied to pay arbitrage rebate or deposited into the Bond Fund.

Term of Agreement and Installment Loan Payments. The Term of Agreement commenced as of February 1, 1994 and, unless sooner terminated as provided in the Agreement, shall expire on March 1, 2038, or on the date that all of the Bonds and all fees and charges of the Issuer, the Trustee, and any paying agents have been fully paid or provision made for such payment, whichever is later; provided, however, that the Agreement may be terminated prior to such date if the Corporation exercises its option to prepay the amounts payable under the Agreement pursuant to the terms thereof.

The Corporation agrees to pay to the Issuer during the Term of Agreement on or before one (1) business day prior to any interest payment date for the Bonds, such being March 1 and September 1 of each year, commencing February 1, 2015 or any other date fixed for the redemption of any or all of the Bonds pursuant to the Indenture, until the principal of and interest on the Bonds shall have been fully paid or provision for the payment thereof shall have been made in accordance with the Indenture, a sum which, together with other moneys available therefor in the Bond Fund, will enable the Trustee to pay the amount payable on such date as principal of (whether at maturity or upon redemption or acceleration or otherwise) and interest on the Bonds as provided in the Indenture. In addition, the Corporation shall deposit into the Bond Fund, on or before the 15th day of each month, commencing in February 2015, the following amounts: a sum equal to 1/6 of the next installment of interest and 1/12 of the installment of principal due during the then next twelve months of the Bonds, the Series 2008 Bonds, the Series 2012 Bonds, the Series 2013 Bonds, and the Series 2014 Bonds; provided, however, that the monthly payments with respect to the interest on the Bonds for February 15, 2015 shall be equal to the interest on the Bonds due March 1, 2015 and equal to the principal of the Bonds due March 1, 2015.

In addition, during the Term of Agreement, the Corporation shall pay the principal of and interest when due on the Parity Bonds and any Additional Bonds and the reasonable fees and expenses of the Trustee and any paying agents and the reasonable fees and expenses of the Issuer.

The Corporation will also pay the amount, if any, required to be deposited in the Debt Service Reserve Fund in order to cause the amount on deposit therein to equal the Debt Service Reserve Requirement.

The obligation of the Corporation to make payments is absolute and unconditional, and in the event the Corporation should fail to make any payments, the item or installment so in default shall continue as an obligation of the Corporation until the amount in default shall have been fully paid.

Taxes and Governmental and Utility Charges. The Corporation agrees to pay or cause to be paid during the Term of Agreement all taxes and governmental charges of any kind lawfully assessed or levied upon the University or any part thereof, all utility and other charges incurred in the operation, maintenance, use, occupancy, and upkeep of the University; and all assessments and charges lawfully made by any governmental body for public improvements that may be secured by a lien on the University, provided that with respect to special assessments or other governmental charges that may lawfully be paid in installments over a period of years, the Corporation shall be obligated to pay only such installments as are required to be paid during the Term of Agreement.

The Corporation may, at the Corporation's expense and in the Corporation's name or in the name of the Issuer, in good faith, contest any such taxes, assessments, and other charges and, in the event of any such contest, may permit the taxes, assessments, or other charges so contested to remain unpaid during the period of such contest and any appeal therefrom unless by such nonpayment the security afforded pursuant to the Agreement will be materially endangered or the University or any part thereof will be subject to loss or forfeiture, in which event such taxes, assessments, or charges shall be paid forthwith.

Maintenance and Modification of University. The Corporation agrees that at all times during the Term of Agreement it will, at its own expense, maintain, preserve, and keep the University, or cause the University to be maintained, preserved, and kept, with the appurtenances and every part and parcel thereof, in good repair, working order, and condition, and that the Corporation will from time to time make or cause to be made all necessary and proper repairs, replacements, and renewals deemed proper and necessary by it.

In addition, the Corporation shall have the privilege of remodeling the University or making substitutions, additions, modifications, and improvements to the University from time to time as the Corporation, in its sole discretion, may deem to be desirable for its use for such purposes as are permitted by the Act, the cost of which remodeling, substitutions, additions, modifications, and improvements shall be paid by the Corporation; provided, however, that such remodeling, substitutions, modifications, and improvements shall not interfere with the operation of the University or in any way damage the University, and provided that the University, as remodeled, improved, or altered, upon completion of such remodeling, substitutions, modifications, and improvements shall be of a value not less than the value of the University immediately prior to the improvements. The Corporation will not permit any mechanic's lien to be established or remain against the University for labor or materials furnished in connection with any remodeling, substitutions, additions, modifications, improvements, repairs, renewals, or replacements, provided that the Corporation may in good faith contest any such lien and not pay the same unless by such nonpayment the lien of the Agreement as to the Pledged Revenues and the Indenture as to the payments will be materially endangered or the University or any part thereof will be subject to loss or forfeiture, in which event the Corporation shall promptly pay and cause to be satisfied and discharged all such unpaid items.

Insurance. The Corporation agrees to insure or cause to be insured the University against loss or damage of the kinds usually insured against by companies similarly situated, by means of policies issued by reputable insurance companies duly qualified to do such business in the State, with uniform standard coverage endorsement limited only as may be provided in the standard form of extended coverage endorsement at that time in use in the State, in amounts that are not less than the full insurable value (as that term is defined in the Agreement) of the University, and with such deductible provisions as are customarily included by companies similarly situated, or at the option of the Corporation any lesser amount which is equal to or greater than the amount of all of the Indenture

Bonds then Outstanding. Alternatively, the Corporation may insure such property under a blanket insurance policy or policies which cover not only such property but other properties.

Notwithstanding the foregoing paragraph, if the Corporation shall insure similar properties by self-insurance, the Corporation, at its election, may insure the University, partially or wholly, by means of an adequate self-insurance fund set aside and maintained out of its earnings, or in conjunction with other companies through an insurance trust or other arrangements.

The Corporation also agrees to carry public liability insurance with respect to the University with one or more reputable insurance companies in minimum amounts of \$1,000,000 for the death or personal injury to one person and \$1,000,000 for personal injury or death for each occurrence in connection with the University and \$1,000,000 for property damage for any occurrence in connection with the University.

Damage, Destruction, and Condemnation. Unless the Corporation shall have exercised its option to prepay the amounts payable under the Agreement pursuant to certain provisions of the Agreement (see Options to Prepay Loan Upon the Occurrence of Certain Events), if the University or any portion thereof is destroyed in whole or in part or is damaged by fire or other casualty, or title to or any interest in, or the temporary use of, the University or any portion thereof shall be taken under the exercise of the power of eminent domain, the Corporation shall be obligated to continue to pay the amounts specified in the Agreement.

Prior to any completion date for any project being financed by an issue of Indenture Bonds, the Issuer, the Trustee and the Corporation will cause the net proceeds of any insurance proceeds or any condemnation award resulting from any of the foregoing events to be deposited in the project fund for such Indenture Bonds and to be disbursed therefrom as provided in the Agreement and the Indenture. Subsequent to any completion date, the Issuer, the Trustee and the Corporation will cause the net proceeds of any insurance proceeds or any condemnation award resulting from any of the foregoing events to be deposited in a separate trust fund, provided that Net Proceeds in an amount less than \$100,000 shall be paid directly to the Corporation. All Net Proceeds shall be applied in one or more of the following ways as directed by the Corporation:

- (1) To the prompt repair, restoration, modification, or improvement of the University by the Corporation; or
- (2) To the redemption of the Outstanding Indenture Bonds, provide that no part of the Net Proceeds may be applied for such redemption unless:
  - (a) all of the Outstanding Indenture Bonds are to be redeemed in accordance with the Indenture upon the prepayment of the amounts payable under the Agreement, or
  - (b) if less than all of the Outstanding Indenture Bonds are to be redeemed, the Corporation shall furnish to the Issuer and the Trustee an acceptable certificate stating (i) that the portion of the University that was damaged or destroyed or was taken by such condemnation proceedings is not essential to the use of possession of the University by the Corporation or (ii) that the University has been repaired, restored, modified, or improved to enable the University to operate as designed.

In the event the Net Proceeds are insufficient, the Corporation will nonetheless complete the work and will pay any cost in excess of the amount of the Net Proceeds.

Any balance of the Net Proceeds deposited in the separate trust fund and remaining after the repair, restoration, modification, or improvement has been completed shall be transferred to the Bond Fund, or if the Outstanding Indenture Bonds have been fully paid (or provisions for payment thereof have been made in accordance with the provisions of the Indenture), the balance shall be paid to the Corporation.

Removals from University; Gifts. The Corporation may not dispose of its cash or demolish, remove, or dispose of any real property, structures, furnishings, machinery, equipment, or other improvements now or hereafter existing as part of the University, except as stated below:

(a) The Corporation, free of any obligation to make any replacement thereof, may demolish, remove, or dispose of any real property, structure, furnishing, machinery, equipment, or other improvement now or hereafter existing as part of the University, and may make any donation, gift, or transfer of its cash without fair and adequate consideration or compensation, to any individual, partnership, corporation, or other entity provided the net book value of all such demolitions and removals plus the donations, gifts, or transfers of cash made pursuant to this provision during any Fiscal Year shall not exceed 15% of the total assets of the Corporation as shown on its books as of the beginning of such Fiscal Year. The net proceeds, if any, arising from any such actions shall be used by the Corporation as it shall in its sole discretion determine.

(b) Except as provided in (a) above, if the Corporation in its sole discretion determines that (i) any real property, structure, furnishing, machinery, equipment, or other improvement now or hereafter constituting a part of the University has become inadequate, obsolete, worn out, unsuitable, undesirable, or unnecessary, or its disposal as hereinafter provided is in the best interests of operation of the University, or (ii) a donation, gift, or transfer of its cash to another entity is desirable, the Corporation may give written notice thereof to the Trustee (if the fair market value of the property or the amount of cash to be transferred is less than \$25,000, then notice to the Trustee is not required), and then demolish or remove such property from the University, and may, to the extent permitted by law, sell, trade-in, exchange, or otherwise dispose of same, in whole or in part, or may donate, give away, or transfer such cash provided that either:

(1) The Corporation shall, at its own cost and expense, acquire, construct, or install replacement or substitute real property, structures, furnishing, machinery, equipment, or other improvements having a usefulness, as determined by the Corporation, to the operations of the Corporation (but not necessarily the same function) at least equal to the usefulness, prior to demolition, removal, or disposal of the property demolished, removed, or disposed of; or

(2) The Corporation shall demolish, remove, or dispose of any such property from time to time at its own cost and expense, without any obligation on the part of the Corporation to provide any property in replacement of or substitution for that demolished, removed, or disposed of or may donate, give away, or transfer such cash if the fair market value of such property or the amount of cash to be transferred is less than \$25,000. If the fair market value of the property to be demolished, removed or disposed of or the amount of cash to be transferred is \$25,000 or more than the following terms and conditions must first be satisfied:

(i) prior to such demolition, removal, disposal, donation, gift, or transfer the Corporation must give to the Trustee written notice thereof, setting forth a brief description of the property to be demolished, removed, or disposed of and the net book value thereof as shown on the books of the Corporation or the amount of cash to be donated, given away, or transferred; and

(ii) the Corporation must submit to the Trustee a certificate of its chief executive officer and its chief financial officer and acceptable to the Trustee determining that the property to be demolished, removed, or disposed of has become obsolete, inadequate, worn out, unsuitable, undesirable, or unnecessary or its disposal is in the best interest of the Corporation's operation of the University and that its demolition, removal, or disposal will not impair the structural soundness, efficiency, or economic value of the University and to the effect that the demolition, removal, or disposal of the property to be demolished, removed, or disposed of, or the donation, gift, or transfer of cash will not cause the Pledged Revenues available for Debt Service for any subsequent Fiscal Year.

Covenants of the Corporation. The Corporation covenants as follows:

(1) The Corporation shall furnish to the Trustee the following information, and shall furnish to any owner of the Bonds who shall have requested in writing items (a) and (b) below:

(a) Within one hundred eighty (180) days after the end of the preceding Fiscal Year, an audit report covering the operations of the Corporation, which includes the statement of financial position of the Corporation, and the related statements of activities, changes in net assets, and cash flows for the year ended that date, reported on by independent public accountants.

(b) Upon request, copies of all such regular or periodic reports which are available for public inspection and which the Corporation may be required to file with any federal or state department, bureau, commission, or agency.

(c) Within one hundred twenty (120) days after the end of the preceding Fiscal Year, a certification that the Corporation is in compliance with all covenants and agreements made by the Corporation and contained in the Agreement.

(2) The Corporation agrees to fix, maintain, and charge tuition and fees for use of the University and for services provided by the University such that Pledged Revenues in each Fiscal year will not be less than 125% of the maximum Annual Debt Service on all Outstanding Indenture Bonds in the Fiscal Year thereafter.

(3) The Corporation agrees that during the Term of Agreement it will maintain its corporate existence, will continue to be a nonprofit Corporation in good standing in the State, will not dissolve or otherwise dispose of all or substantially all of its assets, and will not consolidate with or merge into another legal entity or permit one or more other legal entities to consolidate with or merge into it, provided that the Corporation may, without violating the foregoing, consolidate with or merge into another legal entity, or permit one or more legal entities to consolidate with or merge into it, or sell or otherwise transfer to another legal entity all or substantially all of its assets as an entirety and thereafter dissolve, provided (i) that the surviving, resulting, or transferee legal entity, as the case may be, shall have net assets (excluding restricted net assets), as determined in accordance with generally accepted accounting principles, immediately subsequent to such acquisition, consolidation, merger, or transfer equal to at least that of the Corporation immediately prior to such acquisition, consolidation, merger, or transfer; (ii) that such acquisition, consolidation, merger, or transfer will not affect the tax-exempt status of the interest on the Bonds; and (iii) that if the surviving, resulting, or transferee legal entity, as the case may be, is not the Corporation, then such legal entity shall be a legal entity organized and existing under the laws of one of the states of the United States of America, shall be qualified to do business in the State, shall be a Tax-Exempt Organization, and shall assume all of the obligations of the Corporation under the Agreement, in which event the Issuer shall release the Corporation in writing, concurrently with and contingent upon such acquisition, consolidation, merger, or transfer, and the Trustee shall be furnished a certificate from the chief financial officer of the Corporation stating that in the opinion of such officer none of the covenants contained in the Agreement will be violated as a result of such acquisition, consolidation, merger, or transfer.

Security Interest in the Pledged Revenues. The Corporation grants to the Trustee a security interest in the Pledged Revenues in order to secure payment of the principal of and the interest on the Outstanding Indenture Bonds. The Corporation agrees that in the event of a Default under the Agreement and acceleration of payment of the Outstanding Indenture Bonds by the Trustee pursuant to the Indenture, the Trustee may foreclose its security interest in the Pledged Revenues and cause the Corporation to pay any Pledged Revenues directly to the Trustee and use any proceeds therefrom for payment of the principal of and interest on the Outstanding Indenture Bonds irrespective of any other remedies exercised by the Issuer or the Trustee. The security interest in the Pledged Revenues shall remain in effect until the Corporation shall have satisfied its obligations under the Agreement, at which time the Issuer will cause the execution and delivery to the Corporation of such documents as shall be necessary to effect or evidence the termination of such security interest. Notwithstanding

the security interest in the Pledged Revenues granted in the Agreement, the Corporation shall have the rights, so long as it is not in Default under the Agreement, to use Pledged Revenues for any proper corporate purpose to the extent not prohibited or restricted by the terms of the Agreement.

Leasing and Operating Contracts. The Corporation may lease any part of the University financed or refinanced with the proceeds of the Bonds or contract for the performance by others of operations or services of or in connection with any part of the University financed or refinanced with the proceeds of the Bonds for any lawful purpose which is consistent with the provisions of the Act, provided that (a) such lease or operating contract shall not be inconsistent with the provisions of the Act, the Agreement or the Indenture and (b) the Corporation shall remain fully obligated and responsible under the provisions hereof to the same extent as if such lease or operating contract had not been executed. In addition, each such lease or contract shall be expressly conditional upon an opinion of Bond Counsel acceptable to the Trustee that the exclusion from gross income of the interest on the Bonds shall not be adversely affected by such lease or contract.

Events of Default. The Agreement provides that any one or more of the following events will constitute a "Default":

(a) Failure by the Corporation to pay the amounts required to be paid under the Agreement relating to the payment of the principal of and the interest on the Indenture Bonds as the same become due, at the times specified therein;

(b) Failure by the Corporation to observe and perform any covenant, condition, or agreement on its part to be observed or performed, other than as referred to in paragraph (a) above, for a period of thirty (30) Business Days after written notice, specifying such failure and requesting that it be remedied, shall have been given to the Corporation by the Issuer or the Trustee, unless the Issuer and the Trustee shall agree in writing to any extension of such time prior to its expiration; provided, however, if the failure stated in the notice cannot be corrected within the applicable period, the Issuer and the Trustee will not unreasonably withhold their consent to an extension of such time if corrective action is instituted by the Corporation within the applicable period and diligently pursued until the default is corrected; or

(c) Certain events of bankruptcy, dissolution, liquidation, or reorganization by the Corporation.

The Corporation will not be deemed to be in Default under paragraph (b) above if due to force majeure, as defined in the Agreement, it is unable in whole or in part to carry out any agreement in the Agreement, other than the agreement to pay taxes and other governmental charges, to carry insurance, and to maintain the University.

Remedies on Default. Whenever any Default under the Agreement shall have happened and be continuing, the Issuer (or the Trustee pursuant to the assignment of rights and remedies contained in the Indenture) may take one or any combination of the following remedial steps:

(1) By written notice to the Corporation, declare an amount equal to all amounts then due and payable on the Outstanding Indenture Bonds, whether by acceleration of maturity (as provided in the Indenture) or otherwise, to be immediately due and payable as liquidated damages and not as a penalty;

(2) Have reasonable access to and inspect, examine, and make copies of the books and records and any and all accounts, data, and income tax and other tax returns of the Corporation during regular business hours of the Corporation if reasonably necessary in the opinion of the Trustee;

(3) Take whatever action at law or in equity which may appear necessary or desirable to collect the amounts then due and thereafter to become due, or to enforce performance and observance of any obligation, agreement, or covenant of the Corporation under the Agreement; and/or

(4) Proceed by appropriate judicial action to foreclose the security interest in the Pledged Revenues.

Any amounts collected pursuant to action taken upon the happening of an event of Default shall be paid into the Bond Fund.

Options to Prepay Loan and Terminate at Any Time. The Corporation has the option to terminate the Term of Agreement at any time prior to full payment of the Bonds (or provision for payment thereof having been made in accordance with the provisions of the Indenture). The Corporation may terminate the Term of Agreement (i) by paying to the Trustee an amount which, when added to the amount on deposit and available in the Bond Fund, will be sufficient to pay, retire, and redeem all the Outstanding Indenture Bonds in accordance with the provisions of the Indenture (including, without limiting the generality of the foregoing, principal and interest to maturity or applicable redemption date, as the case may be, and expenses of redemption and the Trustee's and paying agents' fees and expenses), and, in case of redemption, by making arrangements satisfactory to the Trustee for the giving of the required notice of redemption, and (ii) by giving the Issuer notice in writing of such termination, and such termination shall forthwith become effective.

Option to Prepay Loan Upon the Occurrence of Certain Events. The Corporation shall have, and is hereby granted, the option to terminate the Term of Agreement and prepay the amounts payable under the Agreement prior to the full payment of the Bonds (or provision for payment thereof having been made in accordance with the provision of the Indenture) at any time any of the events set forth below shall occur:

(a) The University shall have been damaged or destroyed (i) to such extent that it cannot be reasonably restored within a period of six (6) months to the condition thereof immediately preceding such damage or destruction, or (ii) to such extent that the Corporation is thereby prevented, in the Corporation's judgment, from carrying on its normal operations at the University for a period of six (6) months or more, or (iii) to such extent that the cost of restoration thereof would exceed the Net Proceeds of insurance required to be carried thereon pursuant to the requirements of Section 4.6 of the Agreement.

(b) Title to, or the temporary use for a period of six (6) months or more of, all or substantially all the University, or such part thereof as shall materially interfere, in the Corporation's judgment, with the operation of the University for the purpose for which the University is designed, shall have been taken under the exercise or threat of exercise of the power of eminent domain by any governmental body or by any person, firm, or corporation acting under governmental authority (including such a taking or takings as results in the Corporation being thereby prevented from carrying on its normal operations at the University for a period of six (6) months or more).

(c) As a result of any changes in the Constitution of the State or the Constitution of the United States of America or of legislative or administrative action (whether state or federal), or by final decree, judgment, or order of any court or administrative body (whether state or federal) entered after the contest thereof by the Corporation in good faith, the Agreement shall have become void or unenforceable or impossible to perform in accordance with the intent and purposes of the parties as expressed in the Agreement, or unreasonable burdens or excessive liabilities shall have been imposed on the Corporation in respect to the University, including, without limitation, federal, state or other ad valorem, property, income, or other taxes not being imposed on the date of the Agreement.

## SUMMARY OF PORTIONS OF THE INDENTURE

The following is a summary, which does not purport to be comprehensive and definitive, of certain provisions of the Indenture.

Assignment and Security. Pursuant to the Indenture, the Issuer's interest in the Agreement and all amounts payable by the Corporation to the Issuer under the Agreement (other than certain indemnification rights and certain fees and expenses of the Issuer) are assigned to the Trustee by the Issuer to secure the payment of the principal of and interest on the Bonds.

Application of Bond Fund. The Bond Fund, into which the payments made pursuant to the Agreement and certain other amounts specified in the Indenture will be deposited, will be maintained with the Trustee. Moneys in the Bond Fund shall be used for the payment of the principal of and interest on the Bonds and for the redemption of the Bonds prior to maturity.

Repayment to the Corporation. Any amounts remaining in the Bond Fund, Debt Service Reserve Fund or any other fund created under the Indenture after payment in full of the principal of and interest on the Bonds, the fees, charges, and expenses of the Trustee, the amounts required to be rebated to the United States, and all other amounts required to be paid under the Indenture shall be paid immediately to the Corporation.

Discharge of Lien. The lien of the Indenture shall be discharged if:

(1) The principal of and interest due or to become due on the Bonds at the time and in the manner stipulated therein have been paid or provision for payment has otherwise been made to or for the owners of the Bonds;

(2) There shall be no Default in any of the covenants and promises in the Bonds and in the Indenture; and

(3) The Issuer shall cause to be paid to the Trustee and any paying agents all sums of money due or to become due according to the provisions of the Indenture.

Any Bond shall be deemed to be paid when (a) payment of the principal of such Bond, plus interest thereon to the due date thereof (whether such due date be by reason of maturity or upon redemption as provided in the Indenture) either (i) shall have been made in accordance with the terms thereof, or (ii) shall have been provided by irrevocably depositing with the Trustee, in trust and irrevocably set aside exclusively for such payment, (1) moneys sufficient to make such payment and/or (2) Governmental Obligations maturing as to principal and interest in such amounts and at such times as will insure the availability of sufficient moneys to make such payment, and (b) all necessary and proper fees, compensation, and expenses of the Trustee pertaining to the Bonds with respect to which such deposit is made shall have been paid or the payment thereof provided for to the Trustee's satisfaction. At such time as a Bond shall be deemed to be paid as aforesaid, it shall no longer be secured by or entitled to the benefits of the Indenture, except for the purposes of any such payment from such moneys or Governmental Obligations.

Notwithstanding the foregoing, no deposit under clause (a)(ii) of the immediately preceding paragraph shall be deemed a payment of such Bonds as aforesaid until (a) proper notice of redemption of such Bonds shall have been previously given or the Trustee has been irrevocably instructed to give proper notice of redemption, in accordance with the Indenture and, in the event said Bonds are not by their terms subject to redemption within the next succeeding sixty (60) days, until the Corporation shall have given the Trustee on behalf of the Issuer, in form satisfactory to the Trustee, irrevocable instructions to notify, as soon as practicable, the owners of the Bonds in accordance with the requirements of the Indenture, that the deposit required by (a)(ii) above has been made with the Trustee and that said Bonds are deemed to have been paid and stating the maturity or

redemption date upon which moneys are to be available for the payment of the principal of said Bonds, plus interest thereon to the due date thereof; or (b) the maturity of such Bonds.

The Issuer and the Trustee have agreed that no deposit will be made or accepted under the Indenture and no use made of any such deposit which would cause the Bonds to be treated as arbitrage bonds within the meaning of Section 148 of the Code.

Defaults and Remedies. Any of the following events will constitute a Default under the Indenture:

(1) Default in the due and punctual payment of interest on any Outstanding Indenture Bond;

(2) Default in the due and punctual payment of the principal of any Outstanding Indenture Bond, whether at the stated maturity thereof, or upon proceedings for redemption thereof, or upon the maturity thereof by declaration;

(3) Default in the performance or observance of any other of the covenants, agreements, or conditions on the part of the Issuer contained in the Indenture or in the Outstanding Indenture Bonds and failure to remedy the same after notice as provided in the Indenture; or

(4) The occurrence of a "Default" under the Agreement. See **SUMMARY OF PORTIONS OF THE AGREEMENT**, Events of Default.

Events of Default. In the event of a Default, the Trustee may, and at the written request of the Registered Owners of not less than 25% in aggregate principal amount of all Outstanding Indenture Bonds shall, by written notice to the Issuer and to the Corporation, declare the Outstanding Indenture Bonds to be immediately due and payable, whereupon they shall, without further action, become and be immediately due and payable, anything in the Indenture or in the Outstanding Indenture Bonds to the contrary notwithstanding. Upon any such declaration of acceleration the Trustee shall immediately declare an amount equal to all amounts then due and payable on the Outstanding Indenture Bonds to be immediately due and payable under the Agreement.

The Trustee may also or as an alternative pursue any available remedy by suit at law or in equity to enforce the payment of the principal of and interest on, the Outstanding Indenture Bonds.

Waiver of Event of Default. The Trustee may waive any Default under the Indenture and its consequences and rescind any declaration of acceleration of principal, and shall do so upon the written request of the owners of (a) more than two-thirds (2/3) in aggregate principal amount of all Outstanding Indenture Bonds in respect of which Default in the payment of principal or interest, or both, exists or (b) more than two-thirds (2/3) in aggregate principal amount of all Outstanding Indenture Bonds in the case of any other Default; provided, however, that there may not be waived any Default in the payment of the principal of or interest on any Outstanding Indenture Bonds unless prior to such waiver or rescission all arrearages of principal and interest (other than principal of or interest on the Outstanding Indenture Bonds which became due and payable by declaration of acceleration), and all expenses of the Trustee in connection with such Default shall have been paid or provided for. In case of any such waiver or rescission, or in case any proceeding taken by the Trustee on account of any such Default shall have been discontinued or abandoned or determined adversely, then and in every such case the Issuer, the Trustee, and the owners of the Outstanding Indenture Bonds shall be restored to their former positions and rights under the Indenture, but no such waiver or rescission shall extend to any subsequent or other Default or impair any right consequent thereon.

Supplemental Indenture. The Issuer and the Trustee may enter into indentures supplemental to the Indenture without notice to or the approval of the Registered Owners for any one or more of the following purposes:

(1) To cure any ambiguity or formal defect or omission in the Indenture;

(2) To grant to or confer upon the Trustee for the Benefit of the Registered Owners any additional rights, remedies, powers, or authorities that may lawfully be granted to or conferred upon the Registered Owners or the Trustee;

(3) To subject to the lien of the Indenture additional revenues, properties, or collateral;

(4) To modify, amend, or supplement the Indenture or any indenture supplemental thereto in such manner as to permit the qualification thereof under the Trust Indenture Act of 1939, as amended, or any similar federal statute then in effect, or to permit the qualification of the Bonds for sale under the securities laws of any of the states of the United States of America;

(5) To provide for the issuance of Additional Bonds pursuant to the provisions of the Indenture; or

(6) To evidence the appointment of a separate Co-Trustee or the succession of a new Trustee under the Indenture; or

(7) To make such additions, deletions, or modifications as may be necessary to assure compliance with Section 145 of the Code relating to qualified 501(c)(3) obligations, Section 148(f) of the Code relating to required rebate of excess investment earnings to the United States, or otherwise as may be necessary to assure exemption from gross income of interest on the Bonds for federal income tax purposes.

Exclusive of supplemental indentures for the purposes set forth in the previous paragraph, the consent of the owners of not less than two-thirds (2/3) in aggregate principal amount of the Outstanding Indenture Bonds is required to approve any supplemental indenture, except no supplemental indentures shall permit without the consent of the owners of all Outstanding Indenture Bonds (1) an extension of the maturity of the principal of or the interest on any Bond, (2) a reduction in the principal amount of any Bond or the rate of interest thereon, (3) a privilege or priority of any Bond or Bonds over any other Bond or Bonds, (4) a reduction in the aggregate principal amount of the Bonds required for consent to such supplemental indenture or any modification or waiver of the provisions of the Agreement, (5) the creation of any lien ranking prior to or on a parity with the lien of the Indenture of the Trust Estate, or any part thereof, except as permitted by the Indenture, or (6) the deprivation of the owner of any Bond of the lien of the Indenture.

No supplemental indenture will become effective unless and until the Corporation shall have consented to the execution and delivery thereof.

Amendments to the Agreement. Except as otherwise provided in the Agreement or the Indenture, no amendment, change, or modification of the Agreement is permissible without the written consent of the Trustee. Pursuant to the provision of the Indenture, the consent of the owners of at least two-thirds (2/3) of the principal amount of all Outstanding Indenture Bonds is also required for any such amendment, change, or modification of the Agreement, except for amendments, changes, or modifications required (i) by the provisions of the Agreement or the Indenture, (ii) for the purpose of curing any ambiguity or formal defect or omission, (iii) to more precisely identify a project financed by Indenture Bonds or substitute or to add additional improvements or equipment to a project financed by Indenture Bonds in accordance with the provisions of the Agreement, (iv) to enter into an indenture or indentures supplemental to the Indenture as provided in the Indenture, (v) to provide for the issuance of Additional Bonds for the purposes set forth in the Agreement and in accordance with the provisions of the Indenture, (vi) to make such additions, deletions, or modifications as may be necessary to assure compliance with Section 145 of the Code relating to qualified 501(c)(3) obligations, Section 148(f) of the Code relating to required rebate of Excess Investment Earnings to the United States, or otherwise as may be necessary to assure exclusion from gross income of interest on the Bonds for federal income tax purposes, or (vii) in connection with any other change which, in the judgment of the Trustee, is not to the prejudice of the Trustee or the Registered Owners. However, the consent of the owners of all Outstanding Indenture Bonds is required for any amendment, change, or modification of the Agreement that would permit the termination or

cancellation of the Agreement or a reduction in or a postponement of the payments under the Agreement or any change in the provisions relating to the payment thereunder.

## SUMMARY OF PORTIONS OF THE CONTINUING DISCLOSURE AGREEMENT

The following statements are brief summaries of certain provisions of the Continuing Disclosure Agreement. The statements do not purport to be complete, and reference is made to the Continuing Disclosure Agreement, copies of which are available for examination at the offices of the Corporation, for a full statement thereof.

**Purpose of the Agreement.** The Continuing Disclosure Agreement is executed and delivered by the Corporation and the Trustee for the benefit of the Beneficial Owners of the Bonds and in order to assist the Original Purchasers in complying with Securities and Exchange Commission Rule 15c2-12(b)(5).

**Definitions.** In addition to the definitions set forth in Appendix A hereto, the following capitalized terms shall have the following meanings when used under this caption **SUMMARY OF PORTIONS THE CONTINUING DISCLOSURE AGREEMENT:**

"Annual Report" shall mean any Annual Report provided by the Corporation, as described hereinafter under the subheading "Provision of Annual Reports."

"Beneficial Owner" shall mean any person which (a) has the power, directly or indirectly, to vote or consent with respect to, or dispose of ownership of, any Bonds (including persons holding Bonds through nominees, depositories or other intermediaries), or (b) is treated as the owner of any Bonds for federal income tax purposes.

"Disclosure Representative" shall mean the Vice President for Administrative Services, or his or her designee, or such other person as the Corporation shall designate in writing to the Trustee from time to time.

"Dissemination Agent" shall mean the Trustee, acting in its capacity as Dissemination Agent under the Continuing Disclosure Agreement, or any successor Dissemination Agent designated in writing by the Corporation and which has filed with the Trustee a written acceptance of such designation.

"EMMA" shall mean the Electronic Municipal Market Access system as described in 1934 Act Release No. 59062 and maintained by the MSRB for purposes of the Rule.

"Listed Events" shall mean any of the events listed hereinafter under the subheading **Reporting of Significant Events.**

"MSRB" shall mean the Municipal Securities Rulemaking Board.

"Original Purchasers" shall mean Stephens Inc. and Crews & Associates, Inc., the original underwriters of the Bonds required to comply with the Rule in connection with the offering of the Bonds.

"Rule" shall mean Rule 15c2-12(b)(5) adopted by the Securities and Exchange Commission under the Securities Exchange Act of 1934, as the same may be amended from time to time.

**Provision of Annual Reports.** The Corporation shall, or shall cause the Dissemination Agent to, not later than 180 days after the end of the Corporation's Fiscal Year (presently ending on May 31 in each year), commencing with the Fiscal Year ending May 31, 2015, provide to the MSRB, through its continuing disclosure service portal provided through EMMA at <http://www.emma.msrb.org> or any similar system acceptable to the Securities and Exchange Commission, an Annual Report which is consistent with the requirements of the Continuing Disclosure Agreement. Not later than fifteen (15) Business Days prior to said date, the Corporation shall provide the Annual Report to the Dissemination Agent and the Trustee (if the Trustee is not the Dissemination Agent). The Annual

Report shall be in electronic format as prescribed by the MSRB and shall be accompanied by identifying information as prescribed by the MSRB. The Annual Report may be submitted as a single document or as separate documents comprising a package and may cross-reference other information as provided in the Continuing Disclosure Agreement; provided that the audited financial statements of the Corporation may be submitted separately from the balance of the Annual Report and later than the date required above for the filing of the Annual Report if they are not available by that date, but, in such event, such audited financial statements shall be submitted within thirty (30) days after receipt thereof by the Corporation. If the Corporation's fiscal year changes, it shall give notice of such change in the manner as for a Listed Event.

Content of Annual Reports. The Annual Report shall contain or include by reference the following:

(i) The following general categories of financial information and operating data with respect to the Corporation for the prior Fiscal Year:

(a) Matriculation data, first year retention rates and six year graduation rates as set forth under **THE CORPORATION AND THE UNIVERSITY, Students**;

(b) Enrollment figures, tuition and fee revenues, student tuition charges and fees, as set forth under the caption **THE CORPORATION AND UNIVERSITY, Summary of Enrollments and Revenues** in the Official Statement;

(c) Information regarding the sources of student financial aid, as set forth under the caption **THE CORPORATION AND UNIVERSITY, Student Financial Aid**, in the Official Statement;

(d) Number of students in University housing;

(e) Information of the type described under **THE CORPORATION AND THE UNIVERSITY, Investment Assets**;

(f) The total amount of gifts received and total amount of contributions received from the Arkansas State Baptist Convention; and

(g) A breakdown of net assets released from being restricted for the previous fiscal year; and

(ii) The Corporation's audited financial statements for the prior Fiscal Year, prepared in accordance with generally accepted accounting principles ("GAAP") as promulgated by the Financial Accounting Standards Board ("FASB"), as in effect from time to time. If the Corporation's audited financial statements are not available by the time its Annual Report is required to be filed, the Annual Report shall contain unaudited financial statements in a format similar to the financial statements contained in the Official Statement for the Bonds, and the audited financial statements shall be filed in the same manner as such Annual Report when they become available.

Any or all of the items listed above may be included by specific reference to other documents, including official statements of debt issues with respect to which the Corporation is an "obligated person" (as defined by the Rule), which have been filed the MSRB or the Securities and Exchange Commission. If the document included by reference is a final official statement, it must be available from the MSRB. The Corporation shall clearly identify each such other document so included by reference.

Reporting of Significant Events. (a) The Corporation shall give, or cause to be given, notice of the occurrence of any of the following events with respect to the Bonds:

(i) principal and interest payment delinquencies;

(ii) non-payment related defaults, if material;

- (iii) modifications to rights of Bondholders, if material;
- (iv) optional, contingent or unscheduled Bond calls, if material;
- (v) defeasances and tender offers;
- (vi) rating changes;
- (vii) adverse tax opinions, the issuance by the Internal Revenue Service of proposed or final determinations of taxability, Notices of Proposed Issue (IRS Form 5701-TEB) or other material notices or determinations with respect to the tax-status of the Bonds, or other material events adversely affecting the tax status of the Bonds;
- (viii) unscheduled draws on debt service reserves reflecting financial difficulties;
- (ix) unscheduled draws on credit enhancements reflecting financial difficulties;
- (x) substitution of credit or liquidity providers, or their failure to perform;
- (xi) release, substitution or sale of property securing repayment of the Bonds, if material;
- (xii) bankruptcy, insolvency, receivership or similar event of the Corporation;
- (xiii) the consummation of a merger, consolidation or acquisition involving an obligated person or the sale of all or substantially all of the assets of the Corporation, other than in the ordinary course of business, the entry into a definitive agreement to undertake such an action or the termination of a definitive agreement relating to any such actions, other than pursuant to its terms, if material; or
- (xiv) appointment of a successor or additional trustee or the change of name of a trustee, if material.

(b) The Trustee shall, within one (1) Business Day of obtaining actual knowledge of the occurrence of any of the Listed Events, contact the Disclosure Representative, inform such person of the event, and request that the Corporation promptly notify the Trustee in writing whether or not to report the event pursuant to Subsection (f) below.

(c) After the occurrence of a Listed Event, because of a notice from the Trustee as provided in Subsection (b) above or otherwise, the Corporation shall determine, in a timely manner which will allow the Dissemination Agent to file the notice within the time frame prescribed by Subsection (f), if such event must be reported under applicable federal securities laws.

(d) If the Corporation has determined that the occurrence of a Listed Event must be reported under applicable federal securities laws, the Corporation shall promptly notify the Dissemination Agent (and the Trustee if the Trustee is not the Dissemination Agent) in writing. Such notice shall instruct the Dissemination Agent (and the Trustee if the Trustee is not the Dissemination Agent) to report the occurrence as provided in Subsection (f) below.

(e) If in response to a request as provided in Subsection (b) above, the Corporation determines that such occurrence would not be required to be reported under applicable federal securities laws, the Corporation shall so notify the Dissemination Agent (and the Trustee if the Trustee is not the Dissemination Agent) in writing and instruct the Dissemination Agent (and the Trustee if the Trustee is not the Dissemination Agent) not to report the occurrence as provided in Subsection (f) below.

(f) If the Dissemination Agent has been instructed by the Corporation to report the occurrence of a Listed Event, the Dissemination Agent shall file, in a timely manner not in excess of ten (10) business days after the occurrence of such Listed Event, a notice of such occurrence with the MSRB, with through its continuing disclosure service portal provided through EMMA at <http://emma/msrb.org>, or any other similar system that is acceptable to the Securities and Exchange Commission, and the Corporation. Notwithstanding the foregoing, notice of Listed Events described in Subsections (a)(iv) and (v) above need not be given any earlier than the notice (if any) of the underlying event is given to the Bondholders of affected Bonds pursuant to the Indenture. Each notice of the occurrence of a Listed Event shall be captioned "Notice of Listed Event" and shall be filed in electronic format as prescribed by the MSRB and shall be accompanied by identifying information as prescribed by the MSRB.

Termination of Reporting Obligation. The obligations of the Corporation under the Continuing Disclosure Agreement shall terminate upon the legal defeasance, prior redemption or payment in full of all of the Bonds. If the Corporation's obligations under the Loan Agreement are assumed in full by some other entity, such entity shall be responsible for compliance with the Continuing Disclosure Agreement in the same manner as if it were the Corporation, and the Corporation shall have no further responsibility thereunder. If such termination or substitution occurs prior to the final maturity of the Bonds, the Corporation shall give notice of such termination or substitution in the same manner as for a Listed Event.

Dissemination Agent. The Corporation may, from time to time, appoint or engage a Dissemination Agent to assist it in carrying out its obligations under the Continuing Disclosure Agreement, and may discharge any such Dissemination Agent, with or without appointing a successor Dissemination Agent. A Dissemination Agent shall not be responsible in any manner for the content of any notice or report prepared by the Corporation pursuant to the Continuing Disclosure Agreement. If at any time there is not any other designated Dissemination Agent, the Trustee shall be the Dissemination Agent for the Corporation. The Trustee shall be the initial Dissemination Agent.

Amendment; Waiver. Notwithstanding any other provision of the Continuing Disclosure Agreement, the Corporation, the Dissemination Agent and the Trustee (if the Trustee is not the Dissemination Agent) may amend the Continuing Disclosure Agreement (and the Trustee shall agree to any amendment so requested by the Corporation), and any provision of the Continuing Disclosure Agreement may be waived, provided that the following conditions are satisfied:

(a) If such amendment or waiver relates to the provisions requiring the filing of Annual Reports with the MSRB by certain dates, the content of Annual Reports, or the Listed Events to be reported, it may only be made in connection with a change in circumstances that arises from a change in legal requirements, change in law, or change in the identity, nature or status of an "Obligated Person" (as defined in the Rule) with respect to the Bonds, or the type of business conducted;

(b) The undertaking, as amended or taking into account such waiver, would, in the opinion of nationally recognized bond counsel, have complied with the requirements of the Rule at the time of the original issuance of the Bonds, after taking into account any amendments or interpretations of the Rule, as well as any change in circumstance; and

(c) The amendment or waiver either (i) is approved by the Bondowners in the same manner as provided in the Indenture for amendments to the Indenture with the consent of the Bondowners, or (ii) does not, in the opinion of the Trustee or nationally recognized bond counsel, materially impair the interests of the Bondholders or the Beneficial Owners of the Bonds.

In the event of any amendment or waiver of a provision of the Continuing Disclosure Agreement, the Corporation shall describe such amendment or waiver in its next Annual Report, and shall include, as applicable, a narrative explanation of the reason for the amendment or waiver and its impact on the type (or, in the case of a change of accounting principles, on the presentation) of financial information or operating data being presented with respect to the Corporation. In addition, if the amendment relates to the accounting principles to be followed in preparing financial statements,

(i) notice of such change shall be given in the same manner as for a Listed Event, and (ii) the Annual Report for the year in which the change is made should present a comparison (in narrative form, and also, if feasible, in quantitative form) between the financial statements prepared on the basis of the new accounting principles and those prepared on the basis of the former accounting principles.

Additional Information. Nothing in the Continuing Disclosure Agreement shall be deemed to prevent the Corporation from disseminating any other information, using the means of dissemination set forth in the Continuing Disclosure Agreement or any other means of communication, or including any other information in any Annual Report or notice of occurrence of a Listed Event, in addition to that which is required by the Continuing Disclosure Agreement. If the Corporation chooses to include any information in any Annual Report or notice of occurrence of a Listed Event, in addition to that which is specifically required by the Continuing Disclosure Agreement, the Corporation shall have no obligation under the Continuing Disclosure Agreement to update such information or include it in any future Annual Report or notice of occurrence of a Listed Event.

Default. In the event of a failure of the Corporation or the Dissemination Agent (if the Trustee is not the Dissemination Agent) to comply with any provision of the Continuing Disclosure Agreement, the Participating Underwriter, any Beneficial Owner or the Trustee may (and, at the request of the Original Purchaser or the Bondowners of at least 25% aggregate principal amount of Outstanding Bonds, the Trustee shall), take such actions as may be necessary and appropriate, including seeking mandamus or specific performance by court order, to cause the Corporation or the Dissemination Agent, as the case may be, to comply with its obligations under the Continuing Disclosure Agreement. In the event of a failure of the Trustee to comply with any provision of the Continuing Disclosure Agreement, the Participating Underwriter, the Corporation or any Beneficial Owner may take such actions as may be necessary and appropriate, including seeking mandamus or specific performance by court order, to cause the Trustee to comply with its obligations under the Continuing Disclosure Agreement. A default under the Continuing Disclosure Agreement shall not be deemed a Default under the Indenture, and the sole remedy under the Continuing Disclosure Agreement in the event of any failure of the Corporation or the Trustee to comply with the Continuing Disclosure Agreement shall be an action to compel performance.

Duties, Immunities and Liabilities of Trustee and Dissemination Agent. The Dissemination Agent (if other than the Trustee or the Trustee in its capacity as Dissemination Agent) shall have only such duties as are specifically set forth in the Continuing Disclosure Agreement, and the Corporation agrees to indemnify and save the Dissemination Agent, its officers, directors, employees and agents, harmless against any loss, expense and liabilities which it may incur arising out of or in the exercise or performance of its powers and duties under the Continuing Disclosure Agreement, including the costs and expenses (including attorneys' fees) of defending against any claim of liability, but excluding liabilities due to the Dissemination Agent's gross negligence or willful misconduct. Such indemnification obligations of the Corporation shall survive resignation or removal of the Dissemination Agent and payment of the Bonds.

## **LEGAL MATTERS**

Legal Proceedings. There is no litigation pending seeking to restrain or enjoin the issuance or delivery of the Bonds, or questioning or affecting the legality of the Bonds or the proceedings and authority under which the Bonds are to be issued, or questioning the right of the Issuer to issue the Bonds.

Legal Opinions. Legal matters incident to the authorization and issuance of the Bonds are subject to the unqualified approving opinion of Friday, Eldredge & Clark, LLP, Little Rock, Arkansas, Bond Counsel. Certain matters will be passed upon for the Corporation by Bryan T. McKinney, Esq.

Tax Exemption. In the opinion of Bond Counsel, under existing law, the interest on the Bonds is exempt from all State income taxes and the Bonds are exempt from property taxation in the State.

In the opinion of Bond Counsel, interest on the Bonds under existing law is excludable from gross income for federal income tax purposes and is not an item of tax preference for purposes of the

federal alternative minimum tax imposed on individuals and corporations; however, it should be noted that with respect to corporations (as defined for federal income tax purposes), such interest is taken into account in determining adjusted current earnings for the purpose of computing the alternative minimum tax imposed on such corporations. The opinion set forth in the previous sentence is subject to the condition that the Issuer and the Corporation comply with all requirements of the Code that must be satisfied subsequent to the issuance of the Bonds in order that interest thereon be (or continue to be) excluded from gross income for federal income tax purposes. These requirements generally relate to arbitrage, the use of the proceeds of the Bonds and the Corporation. Failure to comply with certain of such requirements could cause the interest on the Bonds to be so included in gross income retroactive to the date of issuance of the Bonds. The Corporation and the Issuer have covenanted to comply with all such requirements.

Prospective purchasers of the Bonds should be aware that (i) with respect to insurance companies subject to the tax imposed by Section 831 of the Code, Section 832(b)(5)(B)(i) reduces the deduction for loss reserves by 15 percent of the sum of certain items, including interest on the Bonds, (ii) interest on the Bonds earned by certain foreign corporations doing business in the United States could be subject to a branch profits tax imposed by Section 884 of the Code, (iii) passive investment income including interest on the Bonds, may be subject to federal income taxation under Section 1375 of the Code for Subchapter S corporations that have subchapter C earnings and profits at the close of the taxable year if greater than 25% of the gross receipts of such Subchapter S corporation is passive investment income and (iv) Section 86 of the Code requires recipients of certain Social Security and certain Railroad Retirement benefits to take into account in determining gross income, receipts or accruals of interest on the Bonds.

The Issuer and the Corporation have designated the Bonds as "qualified tax-exempt obligations." The Corporation has covenanted not to use the facilities refinanced with proceeds of the Bonds in a manner which would cause the Bonds not to be "qualified 501(c)(3) bonds" within the meaning of Section 145 of the Code. The Issuer has represented that the Issuer and its subordinate entities have not and will not issue more than \$10,000,000 of tax-exempt obligations (other than private activity bonds (excluding from that term "qualified 501(c)(3) bonds" within the meaning of Section 145 of the Code) during calendar year 2015.

Prospective purchasers of the Bonds should also be aware that Section 17 of Act 785 of the Acts of Arkansas of 1993 added new subsections (b) and (c) to Section 26-51-431 of the Arkansas Code Annotated. Subsection (b) states that Section 265(a) of the Code is adopted for the purpose of computing Arkansas corporation income tax liability. Subsection (c) provides that in computing Arkansas corporation income tax liability, no deduction shall be allowed for interest "on indebtedness incurred or continued to purchase or carry obligations the interest on which is wholly exempt from the taxes imposed by Arkansas law." On December 8, 1993, the Arkansas Development of Finance and Administration Revenue Division issued Revenue Policy Statement 1993-2, which provides in part:

Financial institutions may continue to deduct interest on indebtedness incurred or continued to purchase or carry obligations which generate tax-exempt income to the same extent that the interest was deductible prior to the adoption of Section 17 of Act 785 of 1993.

Current or future legislative proposals, if enacted into law, may cause interest on the Bonds to be subject, directly or indirectly, to federal income taxation or otherwise prevent holders of the Bonds from realizing the full current benefit of the tax status of such interest. Recent legislative proposals include provisions that would limit the amount of exclusions (including tax-exempt interest) and deductions available to certain high income taxpayers. It cannot be predicted whether or in what form any such proposal might be enacted or whether, if enacted, it would apply to bonds issued prior to enactment. The introduction or enactment of any such legislative proposals may also affect the market price for, or marketability of, the Bonds. Prospective purchasers of the Bonds should consult their own tax advisors regarding any pending or proposed federal or state tax legislation, regulations or litigation, as to which Bond Counsel expresses no opinion.

It is not an event of default on the Bonds if legislation is enacted reducing or eliminating the exclusion of interest on state and local government bonds from gross income for federal or state income tax purposes.

As shown on the cover page of this Official Statement, certain of the Bonds are being sold at a premium (collectively, the "Premium Bonds"). An amount equal to the excess of the issue price of a Premium Bond over its stated redemption price at maturity constitutes premium on such Premium Bond. An initial purchaser of a Premium Bond must amortize any premium over such Premium Bond's term using constant yield principles, based on the purchaser's yield to maturity (or, in the case of Premium Bonds callable prior to their maturity, by amortizing the premium to the call date, based on the purchaser's yield to the call date and giving effect to the call premium). As premium is amortized, the amount of the amortization offsets a corresponding amount of interest for the period and the purchaser's basis in such Premium Bond is reduced by a corresponding amount resulting in an increase in the gain (or decrease in the loss) to be recognized for federal income tax purposes upon a sale or disposition of such Premium Bond prior to its maturity. Even though the purchaser's basis may be reduced, no federal income tax deduction is allowed. Purchasers of the Premium Bonds should consult with their tax advisors with respect to the determination and treatment of amortizable premium for federal income tax purposes and with respect to the state and local tax consequences of owning a Premium Bond.

As shown on the cover page of this Official Statement, certain of the Bonds are being sold at an original issue discount (collectively, the "Discount Bonds"). The difference between the initial public offering prices, as set forth inside the front cover page, of such Discount Bonds and their stated amounts to be paid at maturity constitutes original issue discount treated as interest which is excluded from gross income for federal income tax purposes, as described above.

The amount of original issue discount which is treated as having accrued with respect to such Discount Bond is added to the cost basis of the owner in determining, for federal income tax purposes, gain or loss upon disposition of such Discount Bond (including its sale, redemption, or payment at maturity). Amounts received upon disposition of such Discount Bond which are attributable to accrued original issue discount will be treated as tax-exempt interest, rather than as taxable gain, for federal income tax purposes.

Original issue discount is treated as compounding semiannually, at a rate determined by reference to the yield to maturity of each individual Discount Bond, on days which are determined by reference to the maturity date of such Discount Bond. The amount treated as original issue discount on such Discount Bond for a particular semiannual accrual period is equal to the product of (i) the yield of maturity for such Discount Bond (determined by compounding at the close of each accrual period) and (ii) the amount which would have been the tax basis of such Discount Bond at the beginning of the particular accrual period if held by the original purchaser, less the amount of any interest payable for such Discount Bond during the accrual period. The tax basis is determined by adding to the initial public offering price on such Discount Bond the sum of the amounts which have been treated as original issue discount for such purposes during all prior periods. If such Discount Bond is sold between semiannual compounding dates, original issue discount which would have been accrued for that semiannual compounding period for federal income tax purposes is to be apportioned in equal amounts among the days in such compounding period.

Owners of the Discount Bonds should consult their tax advisors with respect to the determination and treatment of original issue discount accrued as of any date and with respect to the state and local tax consequences of owning a Discount Bond.

## MISCELLANEOUS

Enforceability of Remedies. Rights of the registered owners of the Bonds and the enforceability of the remedies available under the Indenture may depend on judicial action and may be subject to the valid exercise of the constitutional powers of the United States of America and the sovereign police powers of the State or other governmental units having jurisdiction, and to the application of federal

bankruptcy laws or other debtor relief or moratorium law in general. Therefore, enforcement of those remedies may be delayed or limited, or the remedies may be modified or unavailable, subject to the exercise of judicial discretion in accordance with general principles of equity. Bond Counsel expresses no opinion as to any effect upon any right, title, interest or relationship created by or arising under the Indenture resulting from the application of state or federal bankruptcy, insolvency, reorganization, moratorium or similar debtor relief laws affecting creditors' rights which are presently or may from time to time be in effect.

Underwriting. Stephens Inc. and Crews & Associates, Inc., the Underwriters, have agreed, subject to certain conditions precedent, to purchase the Bonds from the Issuer at an aggregate purchase price of \$7,910,426.55 (principal amount less net original issue discount of \$108,573.45 less Underwriters' discount of \$81,000) plus accrued interest. The Underwriters are committed to purchase all of the Bonds if any are purchased.

The Bonds are being purchased by the Underwriters for reoffering in the normal course of the Underwriters' business activities. The Underwriters may offer and sell the Bonds to certain dealers (including dealers depositing bonds into investment accounts) and others at prices lower than the offering price stated on the cover page hereof. After the initial public offering, the public offering price may be changed from time to time by the Underwriters.

Information in the Official Statement. Any statements made in this Official Statement involving matters of opinion or of estimates, whether or not so expressly stated, are set forth as such and not as representations of fact, and no representation is made that any of the estimates will be realized. This Official Statement is not to be construed as a contract or agreement between the Issuer and purchasers or owners of any of the Bonds.

The information contained in this Official Statement has been taken from sources considered to be reliable, but is not guaranteed. To the best of the knowledge of the undersigned the Official Statement does not include any untrue statement of a material fact, nor does it omit the statement of any material fact required to be stated therein, or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading.

## **INDEPENDENT AUDITORS' REPORT**

The Board of Trustees  
Ouachita Baptist University  
Arkadelphia, Arkansas

We have audited the accompanying financial statements of Ouachita Baptist University, which comprise the statements of financial position as of May 31, 2014 and 2013, and the related statements of activities and cash flows for the years then ended, and the related notes to the financial statements.

### ***Management's Responsibility for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### ***Auditors' Responsibility***

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

***Opinion***

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Ouachita Baptist University as of May 31, 2014 and 2013, and the changes in their net assets and their cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

## NOTES TO FINANCIAL STATEMENTS

May 31, 2014 and 2013

### (1) ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

#### Nature of activities –

Ouachita Baptist University (OBU) is a church-related, four-year liberal arts university located in Arkadelphia, Arkansas. OBU's revenues are derived principally from student tuition and fees and from private donations.

#### Basis of presentation and use of estimates –

The accounting principles of OBU and the methods of applying them conform with U.S. generally accepted accounting principles (GAAP). The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting and reporting principles for nonprofit organizations generally accepted in the United States of America. Net assets and revenues, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

Unrestricted net assets – Net assets that are not subject to donor-imposed stipulations.

Temporarily restricted net assets – Net assets subject to donor-imposed stipulations that may or will be met, either by actions of OBU and/or the passage of time. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

Permanently restricted net assets – Net assets subject to donor-imposed stipulations that they be maintained in perpetuity by OBU. Generally, the donors of these assets permit OBU to use all or part of the income earned on any related investments for general or specific purposes.

Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support, depending on the existence and/or nature of any donor restrictions. Donor-restricted support, including support in which restrictions are met in the same period as received, is reported as an increase in temporarily or permanently restricted net assets, depending on the nature of the restriction. When a restriction expires (that is, when a stipulated time restriction ends or a purpose restriction is accomplished), restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restriction. Investment earnings are recorded as unrestricted, temporarily restricted or permanently restricted according to the terms of the governing documents.

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

(1) ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (cont.):

Cash and cash equivalents –

For presentation in the Statements of Cash Flows, cash and cash equivalents include cash on hand, bank deposits, certificates of deposits and all highly liquid cash instruments with original maturities of three months or less.

Credit risk –

Financial instruments which subject OBU to concentrations of credit risk consist primarily of investments in long-term corporate and U. S. government and agency bonds. Credit risk for student accounts and loans receivable, accounts receivable from federal programs, grants receivable, other accounts and notes receivable, and contributions receivable is represented by the carrying value of those receivables. Substantially all of these receivables are unsecured. At May 31, 2014, OBU had bank deposits in several area banks in excess of FDIC-insured limits. OBU also invests excess cash in short-term investment sweep accounts managed by area banks. Management periodically reviews the soundness of these financial institutions and believes that these deposits are not exposed to significant credit risk.

Promises to give –

OBU recognizes unconditional promises to give as grant or contribution support in the period received. Conditional promises to give are recognized when the conditions on which they depend are substantially met. Contributions of assets other than cash are recorded at their estimated fair value at the date of the gift. Unconditional promises to give expected to be collected in one year or less are reported at net realizable value. Unconditional promises to give that are expected to be collected in more than one year are reported at fair value initially and in subsequent periods. Changes in fair value are reported in the Statement of Activities as they occur. Management believes that the use of fair value reduces the cost of measuring unconditional promises to give in periods subsequent to their receipt and provides equal or better information to users of its financial statements than if those promises to give were measured using present value techniques and historical discount rates. An allowance for uncollectible promises is maintained at a level that management believes is adequate to value promises to give at the amount estimated to be collectible based upon such factors as prior collection history, type of contribution, and nature of fund-raising activity. Because of the uncertainty described above and the inherent uncertainty involved with the estimation process related to promises to give, it is reasonably possible that management's estimate of the recorded allowance may change in the near term.

Student loans –

Student loans receivable are carried at unpaid principal balances, less an allowance for uncollectible loans. The allowance for uncollectible loans is increased by charges to income and decreased by charge-offs (net of recoveries). Management's periodic evaluation of the adequacy of the allowance is based on Perkins loan program requirements, OBU's past loan loss experience, specific impaired loans, adverse situations that may affect the borrower's ability to repay, the estimated value of any underlying collateral, and current economic conditions. A loan is considered impaired if all principal or interest payments are not expected to be collected in accordance with the loan's contractual terms. OBU's practice is to charge off any loan or portion of a loan when the loan is determined by management to be uncollectible due to the borrower's failure to meet repayment terms, the borrower's deteriorating or deteriorated financial condition, or for other reasons. Interest on loans is recognized over the term of the loan and is calculated using the simple-interest method on principal amounts outstanding.

(1) ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (cont.):

Investments –

OBU's investments are reported at their estimated fair values in the accompanying Statements of Financial Position. Fair values for money market funds and certificates of deposit are based on cost, which approximates fair value. Fair values for stocks, mutual funds, bonds, real estate investment trust funds, and other publicly traded securities are based on quoted market prices. If quoted market prices are not available, fair values are based on quoted market prices of comparable securities, broker quotes, third party pricing models, net asset values, and other relevant information generated by market transactions. For investment securities traded in a market that is not active, fair value is determined using unobservable inputs. Mineral interests, consisting primarily of oil and gas producing properties, are valued at a multiple of historical revenues. The estimated fair value of alternative assets is based on the most recent valuations provided by the external investment managers. Management believes the carrying amount of these financial instruments is a reasonable estimate of fair value. Other investments for which fair value is not readily determinable are included in the Statements of Financial Position at cost. Management believes any differences between cost and fair value for these investments are not material.

OBU has investments held in various common trust funds managed by the Arkansas Baptist Foundation (ABF) of the Arkansas Baptist State Convention, a nonprofit organization. Income from each common fund is distributed regularly to participating accounts. Contributions and withdrawals from each common fund are calculated at net asset value similar to a mutual fund. Some common funds restrict the frequency of purchases or redemptions to weekly or monthly. Fair values for common funds are determined by ABF at the net asset value of units held at each month end based on the fair values of underlying assets held by the funds. Common funds managed by ABF are exempt from registration requirements of the federal securities laws, pursuant to the exemption for collective investment trusts and similar funds maintained by charitable organizations under the Philanthropy Protection Act of 1995 (P.L. 104-62), and are exempt from registration requirements of Arkansas state security laws pursuant to an order issued by the Arkansas Securities Commissioner. A summary of the objectives and underlying securities included in ABF common funds are as follows:

Limited Maturity Income Fund: The Limited Maturity Income Fund is designed for reasonable income with an objective of maintaining a reasonably stable principal value. Investments are made only in treasuries; insured CD's; and securities including debt, mortgage-backed securities, and collateralized mortgage obligations issued by the U.S. Government, U.S. Government agencies, or AAA-rated corporate or independent companies.

Balanced Fund: The Balanced Fund maintains primarily a balance of fixed income investments including treasuries; insured CD's; securities including debt, mortgage-backed securities and collateralized mortgage obligations issued by government, government agencies or investment grade bonds and preferred stock. The objective of the Fund is to provide current income and some growth to counteract inflation.

Total Return Fund: The Total Return Fund maintains primarily a balance of U.S. and international stocks and bonds, along with some fixed income and alternative investments. The objective of the Fund is to provide growth with some current income.

Group Equity Fund: The Group Equity Fund is a broadly diversified equity portfolio of U.S. and non-U.S. stocks. The objective of the Fund is to expose the equity portion of an account to a broadly diversified range of equities.

(1) ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (cont.):

Group Bond Fund: The Group Bond Fund is a broadly diversified portfolio of debt securities designed for total return.

Strategic Allocation Fund: The Strategic Allocation Fund is a broadly diversified portfolio of various alternative investments which are designed to generate returns independent of traditional bond and stock markets.

Gift Annuity Fund: The Gift Annuity Fund maintains primarily a balance of U.S. and international stocks and bonds, along with some fixed income and alternative investments. The objective of the Fund is to provide growth with some current income.

In obtaining valuation information from third-party providers, OBU's management has evaluated the valuation methodologies used to develop the fair values in order to determine whether such valuations are representative of an exit price in its principal markets. While management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different estimate of fair value at the reporting date.

Unrealized gains and losses are included in changes in net assets. Purchased investments are initially recorded at cost at the date of acquisition and subsequently remeasured at fair value. Investments received by gift are recorded at fair value at the date of acquisition.

OBU invests in a diversified mix of financial instruments. Marketable securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of marketable securities will occur in the near term and that such changes could materially affect the amounts reported in the Statements of Financial Position and Statements of Activities. Significant fluctuations in fair values could occur and the amounts OBU will ultimately realize could differ materially from their current carrying values.

OBU has limited transactions subject to FASB ASC 815, the accounting and reporting standards for derivative instruments and hedging activities. OBU does not use derivatives for trading purposes. The managers of OBU's various alternative assets may use derivatives for asset management and hedging purposes. The use of these derivatives is not believed to materially increase the credit or market risk of these investments.

Bookstore and supplies inventories –

Inventories related to OBU's bookstore are valued at the lower of cost or market. Supplies inventories are valued at cost.

Property, plant and equipment –

Property, plant and equipment is stated at cost at the date of acquisition or fair value at the date of donation in the case of gifts, except properties acquired prior to May 31, 1960, which are recorded at their appraised value at that date, less accumulated depreciation. OBU generally capitalizes all individual expenditures for property, plant and equipment in excess of \$1,500. Depreciation is computed on the straight-line method, using composite balances for library books, over the estimated useful lives of the assets (5 to 80 years).

(1) ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (cont.):

OBU records impairments to its property, plant and equipment when it becomes probable that the carrying values of these assets will not be fully recovered over the estimated lives of the assets. Impairments, if any, are recorded to reduce the carrying value of the asset to net realizable value based on facts and circumstances in existence at the time of the determination, anticipated future economic conditions, and other available information.

Endowment funds –

OBU's endowment consists of approximately 545 individual funds and split-interest agreements established over many years for a variety of purposes. Endowment fund balances include both donor-restricted funds and funds designated by the Board of Trustees to function as endowments. Endowment fund balances, including funds functioning as endowment, are classified and reported as unrestricted, temporarily restricted, or permanently restricted net assets in accordance with donor specifications.

OBU follows the Arkansas Uniform Prudent Management of Institutional Funds Act (UPMIFA) and its own governing documents to manage its endowment funds. Its Board of Trustees has interpreted UPMIFA as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation, OBU classifies as permanently restricted net assets: the original value of gifts donated to the endowment; the original value of subsequent gifts donated to the endowment; and, if directed by the donor gift instrument, accumulations to the endowment. The remaining portion of the donor-restricted endowment fund that is not classified as permanently restricted net assets is classified as temporarily restricted net assets until those amounts are appropriated for expenditure in a manner consistent with donor gift instruments and the standard of prudence prescribed by UPMIFA. OBU considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds: the duration and preservation of the funds, the purposes of the donor-restricted endowment funds, general economic conditions, the possible effects of inflation and deflation, the expected total return from income and the appreciation of investments, other resources, and its investment policies.

OBU has adopted investment and spending policies, approved by the Board of Trustees, for endowment assets that attempt to provide a predictable stream of funding to activities supported by its endowment funds while also preserving the purchasing power of those endowment assets over the long-term. Accordingly, the investment process seeks to achieve a stable and continuously growing income stream as well as capital appreciation. The majority of endowment assets are invested in OBU's Endowment Pool (Pool). The Pool is made up of a diversified asset mix that includes equity, fixed income and cash equivalent securities, real estate, and other alternative investments. The Pool is invested in a manner that is intended to produce results (net of spending) that exceed the Consumer Price Index on a consistent basis over time while assuming a moderate level of investment risk. To satisfy its long-term return objectives, OBU relies on a total return strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends). OBU targets a diversified asset allocation that is intended to be more aggressive than fixed income oriented portfolios and less aggressive than equity oriented portfolios to achieve its long-term return objectives within prudent risk constraints. The investment policies related to OBU's interests in perpetual trusts and contributions receivable from remainder trusts are determined by the trustees of those trusts rather than OBU.

(1) ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (cont.):

OBU utilizes a spending rate approach to designate a portion of its endowment investment returns to support current operational budget requirements. Amounts distributed from the investment returns for pooled investments in any one year may include interest, dividends, and a portion of accumulated investment gains. The distribution is based on 5% of the average market value of the Pool for the preceding three years. Under this policy, investment returns in some periods may not be sufficient to fully fund distributions. Under those circumstances, distributions in excess of investment returns are considered to be funded from cumulative undistributed investment returns from prior years.

At May 31, 2014 and 2013, the fair value of the assets of certain donor-restricted endowments was less than the amount required to be retained permanently by \$32,249 and \$47,049, respectively. During the year ended May 31, 2014 and 2013, gains restoring the fair value of the assets of donor-restricted endowment funds to their required levels increased unrestricted net assets by \$14,800 and \$391,688, respectively.

Collections –

OBU's collections are made up of items of historical significance and art objects that are held for educational purposes. Each of the items is preserved and cared for, and activities verifying their existence and assessing their condition are performed periodically. The collections, which were acquired through contributions since OBU's inception, are not recognized as assets in the Statements of Financial Position.

Compensated absences –

Employees of OBU are entitled to paid vacations, paid sick-days and personal days off, depending on job classification, length of service, and other factors. It is impracticable to estimate the amount of compensation for future absences; therefore no liability has been recorded in the accompanying financial statements. OBU's policy is to recognize costs of compensated absences when paid to employees.

Income taxes –

OBU is a nonprofit organization exempt from federal income taxes under section 501(c)(3) of the Internal Revenue Code. OBU is no longer subject to federal or state tax examinations by tax authorities for years ended prior to May 31, 2011.

Reclassifications –

Certain reclassifications have been made to the 2013 financial statements to conform to the 2014 basis of presentation.

Subsequent events –

OBU has evaluated subsequent events through September 4, 2014, the date these financial statements were available to be issued.

	<u>\$ 1,699,314</u>	<u>\$ 2,486,973</u>

(4) STUDENT LOANS:

Student loans consist of short-term loans to students and loans made under the Federal Perkins Loan Program. The balances at May 31, 2014 and 2013 were comprised of the following:

	<u>2014</u>	<u>2013</u>
Short-term loans	\$ 407,851	\$ 411,066
Federal Perkins loans	<u>1,097,025</u>	<u>942,122</u>

	<u>\$ 92,702,875</u>	<u>\$ 94,474,411</u>

Depreciation expense totalled \$3,937,505 and \$3,786,520 for the years ended May 31, 2014 and 2013, respectively.

(6) UNAMORTIZED DEBT ISSUANCE COSTS:

Fees and other expenses associated with the borrowings under 2005, 2008, 2009, 2012, and 2013 Arkadelphia Public Facilities Board loans are being amortized using the straight-line method over the terms of the loans. Debt issuance costs of \$119,664 and \$67,671 were incurred during the years ended May 31, 2014 and 2013, respectively, in connection with the refinancing of its 2005 and 2002 loans. During the years ended May 31, 2014 and 2013, unamortized debt issuance costs of \$102,910 and \$54,075, respectively, were written off as additional amortization. As of May 31, 2014 and 2013, the gross amount of unamortized debt issuance costs was \$1,144,916 and \$1,177,241, respectively. Accumulated amortization of those costs was \$205,631 and \$202,720, respectively. Total amortization recognized during 2014 and 2013 was \$154,900 and \$148,882, respectively.

(7) NOTES PAYABLE:

In September of 2005, OBU entered into a twenty-four year loan agreement, funded by the issuance of tax-exempt bonds, with the City of Arkadelphia Public Facilities Board. The loan agreement refinanced the July 1, 1999 Public Facilities Board bond issue and provided funds for capital improvements. The loan, which was refinanced with the 2013 bond issued described below, bore interest at rates varying from 2.95% to 4.625% and was secured by a lien on all tuition and fee revenue.

In June of 2008, OBU entered into a thirty year loan agreement, funded by the issuance of tax-exempt bonds, with the City of Arkadelphia Public Facilities Board. The loan agreement provided funds for the construction of student housing facilities as well as other campus improvements. The loan bears interest at rates varying from 4.125% to 6.0% and is secured by a lien on all tuition and fee revenue.

In October of 2009, OBU entered into a thirty year loan agreement, funded by the issuance of tax-exempt bonds, with the City of Arkadelphia Public Facilities Board. The loan agreement provided funds for the construction of student housing facilities as well as other campus improvements. The loan bears interest at rates varying from 3.0% to 5.375% and is secured by a lien on all tuition and fee revenue similar to the lien securing the 2008 bond issue.

In December of 2012, OBU entered into a seven year loan agreement, funded by the issuance of tax-exempt bonds, with the City of Arkadelphia Public Facilities Board. The loan agreement refinanced the December 2002 Public Facilities Board bond issue. The loan bears interest at rates varying from 1.0% to 1.85% and is secured by a lien on all tuition and fee revenue similar to the lien securing the 2008 and 2009 bond issues.

In June of 2013, OBU entered into a ten year loan agreement, funded by the issuance of tax-exempt bonds, with the City of Arkadelphia Public Facilities Board. The loan agreement refinanced the September 2005 Public Facilities Board bond issue. The loan bears interest at rates varying from 1.0% to 3.5% and is secured by a lien on all tuition and fee revenue similar to the lien securing the 2008, 2009, and 2012 bond issues.

The 2005, 2008, 2009, 2012, and 2013 loan agreements require OBU to fund and maintain debt reserve accounts in amounts sufficient to pay the principal and interest on the bonds as they are due. The combined annual debt service requirements under the 2008, 2009, 2012, and 2013 loans range from a low of approximately \$4,777,000 to a high of \$5,321,000 for the years ending May 31, 2014 through 2019. The combined annual debt service requirements under the 2008, 2009, and 2013 loans range from a low of approximately \$4,772,000 to a high of \$4,783,000 for the years ending May 31, 2020 through 2030. Annual debt service requirements from May 31, 2031 through 2038 for the 2008 and 2009 loan agreements will average approximately \$4,171,000.

The 2005, 2008, 2009, and 2012 loan agreements contain certain compliance requirements and covenants including maintenance of specified levels of tuition and fee revenues, maintenance of debt service reserve balances, and limitations on real property that can be used to secure other debt. OBU was substantially in compliance with all such requirements as of May 31, 2014 and 2013. Investments at May 31, 2014 include \$6,661,160 of debt service reserves.

During June 2012, OBU refinanced its bank note payable and bank credit line with another bank. Under the terms of the agreement, principal and interest at 5.0% is due in monthly installments of \$121,151 on the bank note payable through maturity in June 2017. The bank credit line was for an initial amount of \$5,500,000 reducing to \$5,000,000 on September 1, 2012, with interest payments due monthly at prime plus 1% (not to fall below 4.75%) with a maturity in November 2014. Both agreements are collateralized by real estate, mineral interests, student loans and accounts receivable, unrestricted endowment income and other unrestricted income and distributions, equipment and all deposit accounts.

(7) NOTES PAYABLE (continued):

OBU's bank note payable contains certain covenants, the most restrictive of which requires the maintenance of specified levels of net assets, unrestricted net assets, a debt service coverage ratio, and prohibits the issuance of additional debt. OBU was in compliance with these covenants as of May 31, 2014.

Interest expense was \$4,242,524 and \$4,495,716 for the years ended May 31, 2014 and 2013, respectively. These amounts are exclusive of bond discount accretion, which totaled \$44,921 and \$43,885 for the years ended May 31, 2014 and 2013, respectively.

Following is a summary of notes payable at May 31, 2014 and 2013:

(9) SPLIT INTEREST AGREEMENTS:

Charitable gift annuities –

OBU is the beneficiary of a number of charitable gift annuities. Under the terms of these agreements, the donors contribute assets to OBU in exchange for a promise by OBU to pay certain amounts for a specified period of time to the donor or to donor-specified beneficiaries. The fair value of assets held under these agreements is included in the Statements of Financial Position at May 31, 2014 and 2013, as follows:

	<u>2014</u>	<u>2013</u>
Cash and cash equivalents	\$ 8,154	\$ 11,827
Investments – Pooled Funds	55,613	49,729
Investments – Non Pooled Funds	208,543	201,432
Notes receivable	<u>19,732</u>	<u>19,732</u>
	<u>\$ 292,042</u>	<u>\$ 282,720</u>

The liability included in the accompanying financial statements for annuities payable under these agreements was \$76,390 and \$80,616 at May 31, 2014 and 2013, respectively. This liability is revalued annually and represents the present value of estimated future payments to the annuitants over their life expectancy, discounted at 5.0% as of May 31, 2014 and 2013.

Interest in perpetual trusts –

OBU is a party to a number of perpetual trusts held and administered by the Arkansas Baptist Foundation and various other organizations. Under the terms of these trusts, OBU has the irrevocable right to receive the income earned on such trust assets in perpetuity, but will never receive the assets of the trusts. These arrangements have been recorded at the fair value of the assets held in the trust, unless circumstances indicate that this value differs from the present value of the expected future cash flows from the trusts.

Contributions receivable from remainder trusts –

OBU is also the beneficiary of a number of charitable remainder trusts. Upon termination of these trusts, OBU will receive the assets remaining in the trusts. The donors of these trusts may place permanent or temporary restrictions on the use of these assets or they may be available for unrestricted use. These trusts are recorded at the present value of the estimated future benefits expected to be received.

(10) LEASES:

OBU leases various equipment under operating leases expiring within one to six years. OBU also leases property for student housing under operating leases expiring within two to nine years. Total rent expense for the years ended May 31, 2014 and 2013 was \$690,065 and \$641,688, respectively. Minimum future rental payments under leases with terms of one year or more are as follows:

2015	\$ 472,163
2016	394,978
2017	199,606
2018	162,999
2019	88,701
Thereafter	<u>260,423</u>
	<u>\$ 1,578,870</u>

(11) EMPLOYEE BENEFIT PLANS:

OBU offers a contributory employee retirement benefit plan administered by TIAA-CREF and GuideStone Financial Resources of the Southern Baptist Convention to substantially all full time employees. OBU contributes 4% of all participants' compensation to the plan and contributes an additional amount of up to 1.5% of a participant's salary for participants who are employed at least half-time. The plan was amended effective June 1, 2012 to increase the additional matching contribution rate from 1.5% to 2.5%. Total retirement plan expense for the years ended May 31, 2014 and 2013 was \$764,498 and \$808,757, respectively.

Effective April 1, 2003, OBU adopted two non-qualified Deferred Compensation Plans under Internal Revenue Code Sections 457(b) and 457(f). The plans, which are administered by GuideStone Financial Resources of the Southern Baptist Convention, were adopted to encourage retirement savings by employees. Total expense under these plans for each of the years ended May 31, 2014 and 2013 was \$16,300.

(12) COMMITMENTS AND CONTINGENCIES:

OBU conducts certain programs pursuant to federal grants and contracts which are subject to often complex and ambiguous administrative requirements contained in grant or contract agreements, applicable federal laws and regulations, agency program announcements, and stipulations contained in the application submitted for the award. Compliance with these requirements, which is the responsibility of the management of OBU, may be determined through operational, procedural or performance audits by the grantor agencies or the inspectors general for these agencies. Such audits could lead to requests for reimbursement by the grantor agencies. Other grantors may also place certain terms and restrictions on the use of grant funds. Management is not aware of any events of material noncompliance with grant or loan terms, requirements and restrictions.

During the year ended May 31, 2014, OBU commenced construction of several campus improvement projects. The estimated cost to complete these projects during the next fiscal year is approximately \$3,050,000.

(12) COMMITMENTS AND CONTINGENCIES (continued):

OBU maintains a self-insurance program for the portion of health care costs not covered by insurance. Reinsurance coverage has been obtained to cover medical benefit claims in excess of \$75,000 per individual or 100% of aggregate expected claims annually. The cost of providing medical benefits is funded by contributions from OBU and participating employees. Required contributions are determined by OBU based on expected claims and administrative costs. Participating employees contribute approximately one-third of the total required contributions. OBU made contributions to the trust totaling \$1,443,389 and \$1,643,568 during the years ended May 31, 2014 and 2013, respectively.

On August 15, 2011, OBU was named as a defendant by a plaintiff who previously filed suit against an employee of OBU alleging personal injury caused by the employee. OBU has engaged an attorney to respond to the suit. Although OBU believes it has no liability, the outcome of this suit cannot presently be determined.

(13) RELATED PARTY TRANSACTIONS:

Included in private gifts, grants and contributions in the Statements of Activities are contributions received from the Arkansas Baptist State Convention, an affiliate, of approximately \$3,025,000 and \$3,000,000, respectively, for the years ended May 31, 2014 and 2013.

During the years ended May 31, 2014 and 2013, OBU made payments in connection with construction projects to a company for which a Trustee is an officer and co-owner totaling approximately \$98,000 and \$705,000, respectively. The estimated cost to complete these projects during the next fiscal year is approximately \$3,050,000.

(14) FAIR VALUE MEASUREMENTS AND DISCLOSURES:

OBU measures certain assets on a fair value basis using various valuation techniques and assumptions, depending on the nature of the asset. Fair value is defined by ASC Topic 820, *Fair Value Measurements and Disclosures*, as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants on the measurement date. Assets and liabilities that are recorded at fair value are grouped by three input levels based on the markets in which the financial instruments are traded and the reliability of the assumptions used to determine their fair values. These input levels are:

- Level 1 - Quoted prices in active markets for identical assets or liabilities.
- Level 2 - Quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in markets that are not active; and model-derived valuations whose inputs are observable.
- Level 3 - Unobservable inputs for determining the fair values of assets or liabilities that reflect the entity's own assumptions about the assumptions that market participants would use in pricing assets or liabilities.

(14) FAIR VALUE MEASUREMENTS AND DISCLOSURES (continued):

The following table presents OBU's assets that are measured at fair value on a recurring basis as of May 31, 2014 and 2013:

OBU does not hold any material financial or nonfinancial assets or liabilities that are measured at fair value on a nonrecurring basis.

OBU recognizes transfers into and out of input levels at the end of the reporting period. There were no transfers between levels during the years ended May 31, 2014 and 2013.

(14) FAIR VALUE MEASUREMENTS AND DISCLOSURES (continued):

Investments included in Level 3 primarily consist of OBU's ownership in ABF common funds, mineral interests, and alternative assets (principally limited partnership interests in hedge and other similar funds). Included in the Statements of Activities under return on investments for 2014 and 2013 are unrealized gains (losses) related to Level 3 investments held at the reporting date totaling \$276,415 and \$(727,446), respectively. The value of alternative assets generally represents the ownership interest in the net asset value of the respective partnership. Redemption frequency is generally restricted to monthly or quarterly and with notice periods ranging from 0 to 75 days prior to the desired redemption date. Some funds place additional restrictions on the timing of the initial and subsequent redemptions. The remaining restriction period for redemption of these investments ranged from approximately one to ten days at May 31, 2014.

Following is a reconciliation of activity during 2014 and 2013 for investments included in Level 3:

	Common Funds	Mineral Interests	Alternative Assets	Other	Total

As discussed in Note 1, OBU measures unconditional promises to give that are expected to be collected in more than one year at fair value. Unconditional promises for which payment is expected to be received in one year or less at the time the promise is made are reported at net realizable value. When estimating the fair value of unconditional promises, management considers promises of \$100,000 or more individually. The relationship with the donor, the donor's past history of making timely payments, and the donor's overall creditworthiness are considered and incorporated into a fair value measurement computed using present value techniques. Unconditional promises of less than \$100,000 are measured in the aggregate using present value techniques that consider historical trends of collection, general economic conditions, and market interest rates. The interest element resulting from amortization of the discount for the time value of money, computed using the effective interest rate method, is included in private gifts, grants and contributions in the Statements of Activities.

(14) FAIR VALUE MEASUREMENTS AND DISCLOSURES (continued):

The carrying amount for promises to give included in the Statements of Financial Position at May 31, 2014 and 2013 was determined as follows:

	<u>\$100,000 or more</u>	<u>Less than \$100,000</u>	<u>Total</u>

Fair values for contributions receivable from remainder trusts are determined by calculating the present value of estimated future distributions expected to be received using a discount rate of 5% at May 31, 2014 and 2013. The change in value of remainder trusts is reported as change in value of split interest agreements in the Statements of Activities. The table below presents information about the changes in contributions receivable from remainder trusts within the Level 3 classification for the years ended May 31, 2014 and 2013:

	<u>2014</u>	<u>2013</u>

Balance – End of year	<u>\$ 1,740,561</u>	<u>\$ 2,148,589</u>

Fair values for interests in perpetual trusts are determined based on either the fair value of the assets held in trust or by calculating the present values of estimated future distributions expected to be received over the expected terms of the agreements using a discount rate of 5% at May 31, 2014 and 2013. The change in value of perpetual trusts is also reported as change in value of split interest agreements in the Statements of Activities. The table below presents information about the changes in interests in perpetual trusts within the Level 3 classification for the years ended May 31, 2014 and 2013:

FASB ASC 825 requires disclosure of fair value information about financial instruments, whether or not recognized in the Statements of Financial Position, for which it is practicable to estimate that value. In cases where quoted market values are not available, fair values are based on estimates using present value, discounted cash flows, or other valuation techniques. Those techniques are significantly affected by the assumptions used, including the discount rate and estimates of future cash flows. In that regard, the derived fair value estimates cannot be substantiated by comparison to independent markets and, in many cases, could not be realized in immediate settlement of the instrument.

The following methods and assumptions were used to estimate the fair value of each class of financial instruments as of May 31, 2014 and 2013 for which it is practicable to estimate that value:

The fair values of the following short-term financial instruments approximate their carrying values due to their short maturity: cash and cash equivalents, interest-bearing deposits, student accounts receivable, accounts receivable - federal programs, accounts receivable - other, grants receivable, promises to give to be received in less than one year, accounts payable, credit balances - student accounts receivable, accrued payroll liabilities and housing deposits.

The carrying amounts and fair values of investments are determined by reference to quoted market prices, third-party pricing models, quoted prices of securities with similar characteristics, and information provided by external investment managers.

The carrying amount and fair value of promises to give expected to be collected after one year is based on estimated future cash flows discounted at rates ranging from .53% to 2.81% at May 31, 2014 and from .69% to 2.81% at May 31, 2013.

The carrying amount of notes receivable represents the unpaid principal balances at year end, less an allowance for loan losses if necessary. The fair value of notes receivable is estimated using discounted cash flow analysis, using estimated current market interest rates.

The carrying amount of student loans represents the unpaid principal balances at year end, less an allowance for loan losses. This amount is comprised of a high volume of relatively small dollar value loans with varying interest rates and terms. Loans made under government loan programs are not salable and can only be assigned to the U.S. government or its designees. Accordingly, a reasonable estimate of the fair value for these instruments, other than carrying value, is not practicable.

(14) FAIR VALUE MEASUREMENTS AND DISCLOSURES (continued):

The carrying amount and fair value of interests in perpetual trusts for which OBU is currently receiving income is determined by reference to quoted market prices, third-party pricing models, quoted prices of securities with similar characteristics, and other relevant information generated by market transactions. The carrying amount and fair value of perpetual trusts for which OBU will receive income in the future is determined by calculating the present value of estimated future benefits expected to be received using a discount rate of 5% at May 31, 2014 and 2013.

The carrying amount and fair value of contributions receivable from remainder trusts is determined by calculating the present value of estimated future benefits expected to be received using a discount rate of 5% at May 31, 2014 and 2013.

The carrying amount of annuities payable represents the present value of the contractual payments over the estimated remaining term, which approximates the fair value of these obligations.

The carrying amount of liability for prepaid tuition is based on current tuition rates, which approximates the fair value of these obligations.

The carrying amount of refundable advances on federal government loans represents the federal portion of the Perkins Loan Program at year end. A reasonable estimate of the fair value, other than the carrying value, for these instruments is not practicable due to the fact that associated student loans are not salable and can only be assigned to the U.S. Government or its designees.

The fair value of notes payable is estimated using discounted cash flow analysis, based on estimated current market interest rates.

OBU's financial instruments at May 31, 2014 and 2013 are summarized as follows:
