

NEW ISSUE**BOOK-ENTRY ONLY**

In the opinion of Bond Counsel, based on existing statutes, regulations, rulings and court decisions, the interest on the Bonds is excludable from gross income for federal income tax purposes, subject to the condition that the County comply with all requirements of the Internal Revenue Code that must be satisfied subsequent to the issuance of the Bonds, and the Bonds and interest thereon are exempt from all Arkansas state, county and municipal taxes. In the opinion of Bond Counsel, interest on the Bonds is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals and corporations, although, with respect to corporations, it is taken into account in determining adjusted current earnings for the purpose of calculating the federal alternative minimum tax and the Bonds are "qualified tax-exempt obligations" within the meaning of Section 265 of the Internal Revenue Code. See LEGAL MATTERS, Tax Exemption herein.

REFUNDING AND IMPROVEMENT BONDS
SERIES 2015

INTRODUCTION TO THE OFFICIAL STATEMENT

This Introduction is subject in all respects to the more complete information contained in this Official Statement. The offering of the bonds to potential investors is made only by means of the entire Official Statement, including the cover page hereof and the exhibit hereto. A full review should be made of the entire Official Statement, as well as the Authorizing Ordinance described herein.

This Official Statement of Ouachita County, Arkansas (the "County") is furnished in connection with the offering by the County of its \$9,680,000 principal amount of Sales and Use Tax Refunding and Improvement Bonds, Series 2015, dated October 1, 2015 (the "Bonds"). The Bonds are being issued for the purpose of financing all or a portion of the costs of acquiring, constructing, furnishing and equipping improvements to the hospital facility owned by the County and known as "Ouachita County Medical Center" (collectively, the "Improvements"), refunding the Ouachita County Public Facilities Board Healthcare Revenue Bonds (Ouachita County Medical Center Project), Series 2003 (the "Bonds Refunded"), paying the premium for the Reserve Policy (as hereinafter defined) and paying expenses of issuing the Bonds. See **THE BONDS**, Purposes for Bonds.

The County is a county organized under the laws of the State of Arkansas (the "State") and is located in southwestern Arkansas. The County is authorized under Amendment No. 62 to the Constitution of the State ("Amendment 62") and Title 14, Chapter 164, Subchapter 3 of the Arkansas Code of 1987 Annotated (the "Authorizing Legislation") to issue capital improvement bonds and to expend the proceeds thereof for the intended purposes. See **THE COUNTY**.

The Bonds are not general obligations of the County but are special obligations payable solely from collections from a 0.5% sales and use tax (the "Tax") levied by the County. See **THE TAX** and **THE BONDS**, Security. The Tax is levied under Ordinance No. 2014-041, adopted November 10, 2014, under the authority of the Authorizing Legislation. The issuance of the Bonds and the pledging of the Tax to the payment of the principal of and interest on the Bonds was approved at a special election held February 10, 2015. The Bonds are being issued pursuant to and in full compliance with Amendment 62 and the Authorizing Legislation and Ordinance No. 2014-040 of the County, adopted on September 1, 2015 (the "Authorizing Ordinance"). See **THE AUTHORIZING ORDINANCE**.

The Bonds are issuable only as fully registered bonds, without coupons, in the denomination of \$5,000 or any integral multiple thereof. Interest is payable May 1, 2016, and semiannually thereafter on each May 1 and November 1. Principal is payable at the principal office of Bank of the Ozarks, Little Rock, Arkansas, as trustee and paying agent (the "Trustee"). Interest is payable by check mailed by the Trustee to the registered owners as of the record date for each interest payment date. The record date for payment of interest on the Bonds shall be the fifteenth day of the calendar month next preceding each interest payment date. A Bond may be transferred, in whole or in part (in integral multiples of \$5,000), but only upon delivery of the Bond, together with a written instrument of transfer, to the Trustee. See **THE BONDS**, Generally.

The Bonds will be initially issued in book-entry form and purchasers of Bonds will not receive certificates representing their interest in the Bonds purchased. See **THE BONDS**, Book-Entry Only System. The Bonds will contain such other terms and provisions as described herein. See **THE BONDS**, Generally.

The Bonds are subject to extraordinary redemption from proceeds of the Bonds not needed for the purposes intended and from Surplus Tax Receipts (hereinafter defined). The Bonds are subject to optional redemption on and after November 1, 2020. The Trustee shall give at least thirty (30) days notice of redemption. See **THE BONDS, Redemption**.

Under existing law and assuming compliance with certain covenants described herein, (i) interest on the Bonds is excludable from gross income for federal income tax purposes, (ii) interest on the Bonds is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals and corporations, (iii) with respect to corporations, interest on the Bonds will be taken into account in determining adjusted current earnings for the purpose of computing the federal alternative minimum tax, (iv) the Bonds are "qualified tax-exempt obligations" within the meaning of Section 265 of the Internal Revenue Code of 1986, as amended (the "Code") and (v) the Bonds and interest thereon are exempt from all State, county and municipal taxes. See **LEGAL MATTERS, Tax Exemption**.

It is expected that the Bonds will be available for delivery on or about October 14, 2015, through the facilities of the Depository Trust Company, in New York, New York.

The County and the Trustee have entered into a Continuing Disclosure Agreement in order to assist the Underwriter in complying with Securities and Exchange Commission Rule 15c2-12(b)(5) (the "Continuing Disclosure Agreement"). See **CONTINUING DISCLOSURE AGREEMENT**.

This Official Statement speaks only as of its date, and the information contained herein is subject to change. Copies of the Authorizing Ordinance and the Continuing Disclosure Agreement summarized herein are available upon request from Stephens Inc., 111 Center Street, Little Rock, Arkansas 72201, Attention: Public Finance.

THE BONDS

Book-Entry Only System. The Depository Trust Company ("DTC"), New York, New York, or its successor, will act as securities depository for the Bonds. The Bonds will each be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered Bond certificate for each maturity will be issued in the principal amount of the maturity, and will be deposited with DTC.

DTC is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds securities that its participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com.

Purchases of Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Bonds on DTC's records. The ownership interest of each actual purchaser of each Bond (referred to herein as "Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Bonds are to be accomplished by entries made on the books of Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interest in Bonds, except in the event that use of the book-entry system for the Bonds is discontinued.

To facilitate subsequent transfers, all Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co. or such other name as may be requested by an authorized representative of DTC. The deposit of Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Bonds are credited, which may or may not be the Beneficial Owners. Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time.

Redemption notices will be sent to Cede & Co. If fewer than all of the Bonds are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the Bonds unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the Trustee as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Principal, interest and premium, if any, payments on the Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the County or Trustee, on the payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, the Trustee, or the County, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of principal, interest and premium, if any, to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the Trustee, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners shall be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as securities depository with respect to the Bonds at any time by giving reasonable notice to the County or the Trustee. Under such circumstances, in the event that a successor securities depository is not obtained, Bonds are required to be printed and delivered. The County may decide to discontinue use of the system of book-entry transfers through DTC (or a successor securities depository). In that event, Bonds will be printed and delivered.

The information concerning DTC and DTC's book-entry system set forth above has been obtained from DTC. Neither the Underwriter nor the County make any representation or warranty regarding the accuracy or completeness thereof.

So long as the Bonds are in book-entry only form, Cede & Co., as nominee for DTC, will be treated as the sole owner of the Bonds for all purposes under the Authorizing Ordinance, including receipt of all principal of and interest on the Bonds, receipt of notices, voting and requesting or directing the Trustee to take or not to take, or consenting to, certain actions under the Authorizing Ordinance. The County and the Trustee have no responsibility or obligation to the Participants or the Beneficial Owners with respect to (a) the accuracy of any records maintained by DTC or any Participant; (b) the payment by any Participant of any amount due to any Beneficial Owner in respect of the principal of and interest on the Bonds; (c) the delivery or timeliness of delivery by any Participant of any notice to any Beneficial Owner which is required or permitted under the terms of the Authorizing Ordinance to be given to owners of Bonds; or (d) other action taken by DTC or Cede & Co. as owner of the Bonds.

Generally. The Bonds are dated, mature and bear interest as set forth on the cover page hereof. The principal of the Bonds is payable upon presentation and surrender at the principal office of the Trustee. Payment of interest on the Bonds will be made to each registered owner thereof by check or draft mailed by the Trustee to such owner at his address as such name and address appear on the registration book of the County kept by the Trustee on the record date which is the fifteenth day of the calendar month next preceding the calendar month in which such interest payment date falls. All such payments will be made in lawful money of the United States of America.

The Bonds are issuable in the form of registered Bonds without coupons in the denomination of \$5,000 each or any integral multiple thereof, interchangeable in accordance with the provisions of the Authorizing Ordinance. In the event any Bond is mutilated, lost or destroyed, the County shall, if not then prohibited by law, execute and the Trustee may authenticate a new Bond in accordance with the provisions therefor in the Authorizing Ordinance.

Each Bond is transferable by the registered owner thereof or by his attorney duly authorized in writing at the principal office of the Trustee. Upon such transfer a new fully registered Bond or Bonds of the same maturity, of authorized denomination or denominations, for the same aggregate principal amount will be issued to the transferee in exchange therefor.

No charge shall be made to any owner of any Bond for the privilege of registration, but any owner of any Bond requesting any such registration shall pay any tax or other governmental charge required to be paid with respect thereto. Except as otherwise provided in the immediately preceding sentence, the cost of preparing each new Bond upon each exchange or transfer and any other expenses of the County or the Trustee incurred in connection therewith shall be paid by the County. Neither the County nor the Trustee shall be required to transfer or exchange any Bonds selected for redemption in whole or in part.

The person in whose name any Bond shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes, and payment of or on account of the principal or premium, if any, or interest of any Bond shall be made only to or upon the order of the registered owner thereof or his legal representative, but such registration may be changed as hereinabove provided. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid.

In any case where the date of maturity of interest on or principal of the Bonds or the date fixed for redemption of any Bonds shall be a Saturday or Sunday or shall be in the State a legal holiday or a day on which banking institutions are authorized by law to close, then payment of interest or principal (and premium, if any) need not be made on such date but may be made on the next succeeding business day with the same force and effect as if made on the date of maturity or the date fixed for redemption, and no interest shall accrue for the period after the date of maturity or date fixed for redemption.

Redemption. The Bonds are subject to extraordinary and optional redemption prior to maturity as follows:

(1) Extraordinary Redemption. The Bonds shall be redeemed from Surplus Tax Receipts (hereinafter defined) and from proceeds of the Bonds not needed for the purposes intended on any interest payment date, in whole or in part, at a redemption price equal to the principal amount being redeemed plus accrued interest to the redemption date, in inverse order of maturity (and by lot within a maturity in such manner as the Trustee shall determine). "Surplus Tax Receipts" are collections of the Tax in excess of the amount necessary to insure the prompt payment of the principal, interest on and Trustee's and administrative fees in connection with the Bonds, pay the Insurer (as hereinafter defined) for any amounts owing with respect to the Reserve Policy (as hereinafter defined) and pay any arbitrage rebate due under Section 148(f) of the Code.

In case of any defeasance of the Bonds, redemption of defeased Bonds shall be scheduled on the basis of mandatory redemption requirements and assuming annual collections of the Tax in an amount equal to receipts for the most recent twelve-month period.

(2) Optional Redemption. The Bonds may be redeemed at the option of the County on and after November 1, 2020, in whole at any time, or in part on any interest payment date, at a redemption price equal to the principal amount being redeemed plus accrued interest to the redemption date. If fewer than all of the Bonds shall be called for redemption, the particular maturities to be redeemed shall be selected by the County in its discretion. If fewer than all of the Bonds of any one maturity shall be called for redemption, the particular Bonds or portion thereof to be redeemed from such maturity shall be selected by lot by the Trustee.

In the case of any redemption of Bonds prior to maturity, the Trustee shall mail, or send via other acceptable standard means, including facsimile or electronic communication, a copy of the redemption notice to the registered owners of the Bonds to be redeemed, in each case not less than 30 nor more than 60 days prior to the date of redemption. After the date for redemption no further interest shall accrue on any Bond called for redemption if funds for redemption of such Bond have been deposited with the Trustee as provided in the Authorizing Ordinance.

Notwithstanding the above, so long as the Bonds are issued in book-entry only form, if fewer than all the Bonds of an issue are called for redemption, the particular Bonds to be redeemed will be selected pursuant to the procedures established by DTC. So long as the Bonds are issued in book-entry only form, notice of redemption will be given only to Cede & Co., as nominee for DTC. **The Trustee will not give any notice of redemption to the Beneficial Owners of the Bonds.**

Purposes for Bonds. At the special election held February 10, 2015, there was approved the issuance of the Bonds in the aggregate principal amount of \$10,565,000 for the following purposes:

- (a) the Improvements - \$6,975,000; and
- (b) refunding the Bonds Refunded (the "Refunding") - \$3,590,000.

The principal amount of the Bonds are allocated as follows: \$6,500,523.56 for the Improvements; and \$3,179,476.44 for the Refunding. The remainder of the voter approved bonds for the Improvements and the Refunding will not be issued in the future.

The Bonds Refunded were issued to finance improvements to Ouachita County Medical Center, including renovations to two existing wings and the demolition and reconstruction of a medical/surgical wing (collectively, the "Prior Improvements"). The Bonds Refunded will be redeemed on the date the Bonds are issued at a price of par plus accrued interest.

The Improvements include particularly, without limitation, renovations to the emergency department and surgery department. Work on the Improvements is expected to be completed by November 30, 2017.

The sources and uses of funds to accomplish the Refunding and the Improvements are estimated by the County as follows:

SOURCES:

Principal Amount of Bonds	\$9,680,000
Net Original Issue Premium	15,033
Existing Funds for Bonds Refunded	869,081
Equity Contribution	<u>27,282</u>
Total Sources	\$10,591,396

USES:

Costs of Improvements	\$6,401,124
Refunding Costs	3,969,390
Costs of Issuance and Reserve Policy Premium	99,882
Underwriter's Discount	<u>121,000</u>
Total Uses	\$10,591,396

The payment of Underwriter's discount and the costs of issuing the Bonds relating to the payment of professional fees will be contingent on the Bonds being issued. See **MISCELLANEOUS, Underwriting**, for a description of the Underwriter's discount. The County will deposit the net proceeds of the Bonds (principal amount plus net original issue premium and less Underwriter's discount, the premium for the Reserve Policy, Refunding costs and certain issuance costs) into a special fund established with the Trustee and designated "Hospital Construction Fund" (the "Construction Fund"). Moneys contained in the Construction Fund will be disbursed by the County solely in payment of costs of the Improvements, paying necessary expenses incidental thereto and paying expenses of issuing the Bonds. Disbursements shall be on the basis of requisitions which shall contain at least the following information: the person to whom payment is being made; the amount of the payment; and the purpose by general classification of the payment. For a description of how the Bond proceeds are to be invested pending use and the provisions governing those investments, see **THE AUTHORIZING ORDINANCE, Investments**.

Security. The Bonds are not general obligations of the County but are special obligations, secured by a first and prior pledge of collections of the Tax ("Tax receipts"). See **THE TAX**. Tax receipts must be used to pay the scheduled principal of and interest on the Bonds, to redeem Bonds prior to maturity, to pay Trustee's fees and expenses and other administrative charges, to pay the Insurer (as hereinafter defined) for any amounts owing with respect to the Reserve Policy and to pay any arbitrage rebate due under Section 148(f) of the Code. The Bonds are secured under the Authorizing Ordinance. For a summary of the terms of the Authorizing Ordinance, see **THE AUTHORIZING ORDINANCE**.

There is a debt service reserve that will be funded with a municipal bond debt service reserve insurance policy (the "Reserve Policy") issued by Build America Mutual Assurance Company (the "Insurer"). The face amount of the Reserve Policy will be an amount equal to one-half of the maximum annual principal and interest requirements on the Bonds (based on a year ending May 1). See **THE AUTHORIZING ORDINANCE, The Bond Fund**.

THE TAX

Generally. Pursuant to the Authorizing Legislation and the Tax Ordinance, the County has levied the Tax, which is a tax within the County on all items which are subject to taxation under The Arkansas Gross Receipts Act of 1941 and a tax on the receipts from storing, using or consuming tangible personal property under The Arkansas Compensating (Use) Tax Act of 1949. Pursuant to the

Authorizing Ordinance, the County has pledged the Tax receipts to the payment of the Bonds. The Tax was approved as security for the Bonds at the special election held February 10, 2015. The Tax became effective on July 1, 2015.

The Streamline Sales and Use Tax Agreement ("Streamline") has been adopted by Arkansas and became effective on January 1, 2008. Streamline amended Arkansas sales and use tax law to allow the State to collect sales and use taxes from internet sales from vendors outside the State. Streamline limits the collection of the local sales and use tax on the first \$2,500 of sales proceeds only on the following sales: motor vehicles, aircraft, watercraft, modular homes, manufactured homes or mobile homes. There is no limit of the amount of local sales and use tax to be paid on all other items. The State allows businesses, nonprofits and governmental entities to file for a credit or rebate on a local sales and use tax if the amount on an invoice totals more than \$2,500 on certain qualified purchases. Claims for credit or rebates must be filed with the Arkansas Department of Finance and Administration ("DF&A") within one year from the date of purchase or one year from the date of payment, if later. DF&A will then cause the State Treasurer to withhold the amount of the refund from future disbursements to the local government levying the sales and use tax. Prior to January 1, 2008, sales and use taxes were collected on the first \$2,500 of sales proceeds for each single transaction, as defined by the County.

Pursuant to Act 757 of 2011 (the "Sales Tax Holiday Act"), the State has created an annual sales tax holiday in which clothing (which are less than \$100 per item), clothing accessories or equipment (which are less than \$50 per item), school art supplies, school instructional materials and school supplies are exempt from taxation under The Arkansas Gross Receipts Tax Act of 1941. The annual sales tax holiday is from 12:01 a.m. on the first Saturday in August until 11:59 p.m. the following Sunday.

Set forth in Exhibit A attached hereto is a summary of certain provisions of the statutes authorizing the Tax. The summary does not purport to be complete statements of the laws. Reference is made to the Arkansas Code Annotated §§26-52-101 et seq. and 26-53-101 et seq. for the full text and complete descriptions of such provisions.

Administration. Pursuant to the Authorizing Legislation, the Commissioner of Revenues of the State (the "Commissioner") performs all functions incidental to the administration, collection, enforcement and operation of the Tax. All Tax receipts collected, less certain charges payable and retainage due the Commissioner for administrative services in the amount of 3% of the gross Tax receipts, shall be remitted by the State Treasurer to the Trustee monthly for deposit into the Bond Fund. See **THE AUTHORIZING ORDINANCE, The Bond Fund.**

Historical Tax Receipts. Collections of an existing 1% sales and use tax in the County (the "Existing Tax") and a calculation of one-half of the Existing Tax for the last five years are as follows (taxes are collected in one month and received by the levying entity two months later):

<u>Year</u>	<u>Existing Tax Collections (1%)</u>	<u>50% of Existing Tax Collections (0.5%)</u>
2010	\$2,701,701.48	\$1,350,850.74
2011	2,771,727.63	1,385,863.81
2012	2,772,532.00	1,386,266.00
2013	2,812,988.65	1,406,494.32
2014	2,996,463.42	1,483,231.71
<u>Twelve-Month Period Ended July 31</u>	<u>Existing Tax Collections (1%)</u>	<u>50% of Existing Tax Collections (0.5%)</u>
2011	\$2,719,294.00	\$1,359,647.00
2012	2,797,840.89	1,398,920.44
2013	2,796,374.18	1,398,187.09
2014	2,884,593.25	1,442,296.62
2015	2,952,259.00	1,476,129.50

Future Tax Receipts. Tax receipts will be contingent upon the sale and use of property and services within the County, which activity is generally dependent upon economic conditions within the County. Also, Tax receipts may be affected by changes to transactions exempted from the Tax made by legislation adopted by the General Assembly of the State or by the people of the State in the form of a constitutional amendment or initiated act. In the past the General Assembly of the State has considered new exemptions to the Tax, such as food sales, which, if adopted, would materially reduce Tax receipts. The County has no control over actions of the General Assembly or the people of the State and cannot predict whether changes to the Tax may be made. Accordingly, the County cannot predict with certainty the expected amount of Tax receipts to be received and, therefore, there can be no assurance that Tax receipts will be sufficient to pay the principal of and interest on the Bonds.

THE AUTHORIZING ORDINANCE

Set forth below is a summary of certain portions of the Authorizing Ordinance. This summary does not purport to be comprehensive and reference is made to the full text of the Authorizing Ordinance for a complete description of its provisions. The County will covenant as set forth below in the Authorizing Ordinance.

The Bond Fund. (a) The Trustee shall deposit all Tax receipts as and when received into a special fund of the County in the Trustee which is created by the Authorizing Ordinance and designated "Sales and Use Tax Bond Fund" (the "Bond Fund"), for the purpose of providing funds for the payment of principal of and interest on the Bonds as they become due at maturity or at redemption prior to maturity, the Trustee's fees and expenses and other administrative charges and any arbitrage rebate. Moneys in the Special Redemption Account shall be used to redeem the Bonds prior to maturity.

(d) When the moneys in the Bond Fund shall be and remain sufficient to pay (1) the principal of all the Bonds then outstanding, (2) interest on the Bonds until the next interest payment date, (3) the Trustee's fees and expenses and other administrative charges and (4) all arbitrage rebate payments due the United States under Section 148(f) of the Code, there shall be no obligation to make any further payments into the Bond Fund and any Tax receipts remaining in the Bond Fund after the principal of, premium, if any and interest on the Bonds have been paid may be used by the County for any lawful purpose.

Investments (a) Moneys held for the credit of the Construction Fund may be invested and reinvested at the direction of the County, and in the Trustee's discretion in the absence of any direct instructions from the County, in Permitted Investments or other investments from time to time permitted by law which shall mature, or which shall be subject to redemption by the holder thereof, at the option of such holder, not later than the date or dates when such money will be required for the purposes intended.

(b) Moneys held for the credit of the Bond Fund shall be invested and reinvested at the direction of the County, and in the Trustee's discretion in the absence of any direct instructions from the County, in Permitted Investments, which will mature, or which will be subject to redemption by the holder thereof at the option of the holder, not later than the date or dates on which the money shall be required for the payment of the principal of and interest on the Bonds when due.

(c) Obligations purchased as an investment of any fund or account shall be deemed at all times a part of such fund. Any profit or loss realized on investments of moneys in any fund shall be charged to said fund.

(d) "Permitted Investments" are defined as (i) direct or fully guaranteed obligations of the United States of America ("Government Securities"), (ii) direct obligations of an agency, instrumentality or government-sponsored enterprise created by an act of the United States Congress and authorized to issue securities or evidences of indebtedness, regardless of whether the securities or evidences of indebtedness are guaranteed for repayment by the United States Government, (iii) certificates of deposit or demand deposits of banks, including the Trustee, which are insured by the Federal Deposit Insurance Corporation or, if in excess of insurance coverage, collateralized by Government Securities or other securities authorized by State law to secure public funds or (iv) money market funds invested exclusively in Government Securities and the obligations described in (ii) above.

(e) All investments and deposits in the Bond Fund and the Revenue Fund shall have a par value (or market value when less than par, exclusive of accrued interest) at all times at least equal to the amount of money credited to such funds and shall be made in such a manner that the money required to be expended from any fund will be available at the proper time or times.

(f) Investments of moneys in all funds shall be valued in terms of current market value as of the last day of each year, except that direct obligations of the United States (State and Local Government Series) in book-entry form shall be continuously valued at par or face principal amount.

Certain Covenants. The County covenants that: (a) it will not take, suffer or permit any action which may cause the interest payable on the Bonds to be included in gross income for federal income tax purposes, including any use of proceeds of the sale of the Bonds or Tax receipts directly or indirectly in such manner as to cause the Bonds to be treated as "arbitrage bonds" within the meaning of Section 148 of the Code.

(b) It will faithfully and punctually perform all duties with reference to the Tax and the Bonds, required by the Constitution and laws of the State and by the Authorizing Ordinance, including the collection of the Tax, as therein specified and covenanted, the segregating of the Tax receipts and the applying of the Tax receipts as provided in the Authorizing Ordinance.

(c) It will make any arbitrage rebate payments due the United States under Section 148(f) of the Code from moneys in the Bond Fund.

Defaults and Remedies. (a) If there be any default in the payment of the principal of and interest on the Bonds or if the County defaults in the performance of any covenant contained in the Authorizing Ordinance, the Trustee may, and upon the written request of the owners of not less than 10% in principal amount of the Bonds then outstanding shall, by proper suit compel the performance of the duties of the officials of the County and officials of the State, under the Authorizing Ordinance, to take any action or obtain any proper relief in law or equity available under the Constitution and laws of the State.

(b) No owner of any Bond shall have any right to institute any suit, action, mandamus or other proceeding in equity or in law for the protection or enforcement of any right under the Authorizing Ordinance or under the Constitution and laws of the State unless such owner previously shall have given to the Trustee written notice of the default on account of which such suit, action or proceeding is to be taken, and unless the owners of not less than 10% in principal amount of the Bonds then outstanding shall have made written request of the Trustee after the right to exercise such powers or right of action, as the case may be, shall have accrued, and shall have afforded the Trustee a reasonable opportunity either to proceed to exercise the powers herein granted or granted by the Constitution and laws of the State, or to institute such action, suit or proceeding in its name, and unless, also, there shall have been offered to the Trustee reasonable security and indemnity against the cost, expense and liabilities to be incurred therein or thereby and the Trustee shall have refused or neglected to comply with such request within a reasonable time, and such notification, request and offer of indemnity are in every such case, at the option of the Trustee, to be conditions precedent to the execution of the powers and trust of the Authorizing Ordinance or to any other remedy thereunder. No one or more owners of the Bonds shall have any right in any manner whatever by his or their action to affect, disturb or prejudice the security of the Authorizing Ordinance, or to enforce any right thereunder except in the manner therein provided, that all proceedings at law or in equity shall be instituted, had and maintained in the manner therein provided and for the benefit of all owners of the outstanding Bonds, and any individual rights of action or other right given to one or more of such owners by law are restricted by the Authorizing Ordinance to the rights and remedies therein detailed.

(c) All rights of action under the Authorizing Ordinance or under any of the Bonds secured thereby, enforceable by the Trustee, may be enforced by it without the possession of any of the Bonds, and any such suit, action or proceeding instituted by the Trustee shall be brought in its name and for the benefit of all the owners of the Bonds, subject to the provisions of the Authorizing Ordinance.

(d) No remedy conferred upon or reserved to the Trustee or to the owners of the Bonds is intended to be exclusive of any other remedy or remedies, and each and every such remedy shall be cumulative and shall be in addition to every other remedy given under the Authorizing Ordinance or given by any law or by the Constitution of the State.

(e) No delay or omission of the Trustee or of any owners of the Bonds to exercise any right or power accrued upon any default shall impair any such right or power or shall be construed to be a waiver of any such default or an acquiescence therein, and every power and remedy given by the Authorizing Ordinance to the Trustee and to the owners of the Bonds, respectively, may be exercised from time to time and as often as may be deemed expedient.

(f) The Trustee may, and upon the written request of the owners of not less than a majority in principal amount of the Bonds then outstanding shall, waive any default which shall have been remedied before the entry of final judgment or decree in any suit, action or proceeding instituted under the provision of the Authorizing Ordinance or before the completion of the enforcement of any other remedy, but no such waiver shall extend to or affect any other existing or any subsequent default or defaults or impair any rights or remedies consequent thereon.

Defeasance. The Bonds shall be deemed paid when there has been deposited with the Trustee in the Bond Fund an amount sufficient to pay the principal or redemption price of and interest on the Bonds to the date of maturity or redemption. The Bonds shall also be deemed paid if there shall be irrevocably deposited with the Trustee (1) cash sufficient to make such payment and/or (2)

Government Securities which are direct obligations of the United States of America maturing as to principal and interest in such amounts and at such times as will provide sufficient moneys to make such payment, and all necessary and proper fees, compensation and expenses of the Trustee with respect to which such deposit is made shall have been paid or the payment thereof provided for to the satisfaction of the Trustee. Any cash must be insured at all times by the FDIC or otherwise collateralized with Government Securities.

In case of any defeasance of the Bonds, redemption of defeased Bonds shall be scheduled on the basis of mandatory redemption requirements and assuming annual collections of the Tax in an amount equal to receipts for the most recent twelve-month period.

On the payment of any Bonds within the meaning of the Authorizing Ordinance, the Trustee shall hold in trust, for the benefit of the owners of such Bonds, all such moneys and/or Government Securities.

When all the Bonds shall have been paid within the meaning of the Authorizing Ordinance, if the Trustee has been paid its fees and expenses or provision has been made therefor and if all arbitrage rebate payments due the United States under Section 148(f) of the Code have been paid, the Trustee shall take all appropriate action to cause (i) the pledge and lien of the Authorizing Ordinance to be discharged and cancelled, (ii) all moneys held by it pursuant to the Authorizing Ordinance and which are not required for the payment of such Bonds, to be paid over or delivered to or at the direction of the County.

No Parity Bonds. The County covenants that it will not issue any additional bonds, or incur any other obligation, secured by a lien on or pledge of the Tax receipts.

The Trustee. The Trustee shall be responsible for the exercise of good faith and ordinary prudence in the execution of its trusts and duties. The recitals in the Authorizing Ordinance and in the Bonds are the recitals of the County and not of the Trustee. The Trustee shall not be required to take any action unless it shall have been requested to do so in writing by the owners of not less than 10% in principal amount of Bonds then outstanding and shall have been offered reasonable security and indemnity against the costs, expenses and liabilities to be incurred therein or thereby. The Trustee may resign at any time by 60 days notice in writing to the County and the owners of the Bonds, and the majority in principal amount of the owners of the outstanding Bonds or the County, so long as it is not in default under the Authorizing Ordinance, may at any time, with or without cause, remove the Trustee. In the event of a vacancy in the office of Trustee either by resignation or by removal, the County shall forthwith designate a new Trustee. The Trustee and any successor Trustee shall file a written acceptance and agreement to execute the trusts and duties imposed upon it by the Authorizing Ordinance, but only upon the terms and conditions set forth in the Authorizing Ordinance and subject to the provisions of the Authorizing Ordinance, to all of which the respective owners of the Bonds agree. Such written acceptance shall be filed with the County, and a copy thereof shall be placed in the bond transcript. Any successor Trustee shall have all the powers herein granted to the original Trustee.

Supplemental Ordinances. The terms of the Authorizing Ordinance constitute a contract between the County and the owners of the Bonds and no variation or change in the undertaking set forth in the Authorizing Ordinance shall be made while any of the Bonds are outstanding, except as hereinafter set forth. The owners of not less than 75% in aggregate principal amount of the Bonds then outstanding shall have the right, from time to time, to consent to and approve the adoption by the County of a supplemental ordinance as shall be necessary or desirable for the purpose of modifying, altering, amending, adding to or rescinding, in any particular, any of the terms or provisions contained in the Authorizing Ordinance or in any supplemental ordinance. The Trustee may consent to any change without the consent of 75% of the owners of the aggregate principal amount of Bonds outstanding that the Trustee determines is not to the material prejudice of the owners of the Bonds or in order to cure any ambiguity or formal defect or omission in the Authorizing Ordinance or any amendment thereto, provided, however, that nothing therein contained shall permit or be construed as permitting (a) an extension of the maturity of the principal of or the interest on any Bond issued thereunder, or (b) a reduction in the principal amount of any Bond or the rate of interest thereon, or

(c) the creation of a pledge of the Tax receipts other than a pledge created or permitted by the Authorizing Ordinance, or (d) a privilege or priority of any Bond or Bonds over any other Bond or Bonds, or (e) a reduction in the aggregate principal amount of the Bonds required for consent to such supplemental ordinance.

CONTINUING DISCLOSURE AGREEMENT

The County is currently a party to continuing disclosure agreements in connection with outstanding bonds. The existing continuing disclosure agreements require the County to file (i) certain statistical information in annual reports and (ii) its audited financial statements for the previous fiscal year (currently December 31). While the County has not made any determination as to materiality, the following summarizes a non-exhaustive discussion of the County's compliance with its continuing disclosure obligations over the past five years.

During the past five years, the annual reports have been filed in a timely manner. The County filed its 2010 and 2011 audited financial statements but did not do so within 30 days after receipt as required. The 2009, 2012 and 2013 audited financial statements of the County were timely filed. The 2014 audited financial statements of the County have not yet been received by the County. The County's audit is currently conducted by the Legislative Joint Auditing Committee, Division of Legislative Audit of the State of Arkansas ("Legislative Audit"). Due to the large number of audits conducted by Legislative Audit, the County has little control over when the audit will be conducted.

The County will enter into a Continuing Disclosure Agreement with the Trustee in order to assist the Underwriter in complying with Securities and Exchange Commission Rule 15c2-12(b)(5).

Set forth below is a summary of certain portions of the Continuing Disclosure Agreement. This summary does not purport to be comprehensive and reference is made to the full text of the Continuing Disclosure Agreement for a complete description of its provisions.

Purpose of the Continuing Disclosure Agreement. The Continuing Disclosure Agreement is executed and delivered by the County and the Trustee for the benefit of the Beneficial Owners of the Bonds and in order to assist the Underwriter in complying with the Securities and Exchange Commission, Rule 15c2-12(b)(5).

Definitions. In addition to the definitions set forth in this Official Statement, the following capitalized terms shall have the following meanings:

"Annual Report" shall mean any annual report provided by the County pursuant to, and as described in, the Continuing Disclosure Agreement.

"Beneficial Owner" of a Bond shall mean any person who has or shares the power, directly or indirectly, to make investment decisions concerning ownership of any Bonds (including persons holding Bonds through nominees, depositories or other intermediaries).

"Dissemination Agent" shall mean the Trustee, acting in its capacity as Dissemination Agent, or any successor Dissemination Agent designated in writing by the County and which has filed with the Trustee a written acceptance of such designation.

"EMMA" shall mean the Electronic Municipal Market Access System as described in 1934 Act Release No. 59062 and maintained by the MSRB for purposes of the Rule.

"Listed Events" shall mean any of the events listed hereunder.

"MSRB" shall mean the Municipal Securities Rulemaking Board.

"Rule" shall mean Rule 15c2-12(b)(5) adopted by the Securities and Exchange Commission under the Securities Exchange Act of 1934, as the same may be amended from time to time.

(a) The County shall, or cause the Dissemination Agent to, not later than June 30 of each year, commencing June 30, 2016, provide to the MSRB, through its continuing disclosure service portal provided through EMMA at <http://www.emma.msrb.org> or any similar system acceptable to the Securities and Exchange Commission, an Annual Report which is consistent with the requirements of the Continuing Disclosure Agreement. The Annual Report shall be in electronic format as prescribed by the MSRB and shall be accompanied by identifying information as prescribed by the MSRB. The Annual Report may be submitted as a single document or as separate documents comprising a package and may cross-reference other information as provided in the Continuing Disclosure Agreement; provided that the audited financial statements of the County may be submitted separately from the balance of the Annual Report and later than the date required above for the filing of the Annual Report if they are not available by that date, but, in such event, such audited financial statements shall be submitted within thirty (30) days after review of the audited financial statements by the Quorum Court. If the County's fiscal year changes, it shall give notice of such change in the same manner as for a Listed Event.

(b) Not later than fifteen (15) business days prior to the date specified in subsection (a) for providing the Annual Report to the MSRB, the County shall provide the Annual Report to the Dissemination Agent and the Trustee (if the Trustee is not the Dissemination Agent). If by such date, the Trustee has not received a copy of the Annual Report, the Trustee shall contact the County and the Dissemination Agent to determine if the County is in compliance with the first sentence of this subsection (b).

(c) If the Trustee is unable to verify that an Annual Report (containing the information in (a) and (b) under Content of Annual Report, below) has been provided to the MSRB by the date required in subsection (a), the Trustee shall file a notice to the MSRB.

Content of Annual Report. The County's Annual Report shall contain or incorporate by reference the following:

(a) Information of the type set forth in this Official Statement under the caption **THE COUNTY** with respect to (i) County population in the latest year for which available; and (ii) unemployment rates in the County and the State in the latest year for which such figures are available and the four (4) previous years.

Any or all of the items above may be incorporated by reference from other documents, including official statements of debt issues of the County or related public entities, which have been submitted to the MSRB or the Securities and Exchange Commission. If the document incorporated by reference is a final official statement, it must be available from the MSRB. The County shall clearly identify each such other document so incorporated by reference.

13. The consummation of a merger, consolidation or acquisition involving an obligated person or the sale of all or substantially all of the assets of the obligated person, other than in the ordinary course of business, the entry into a definitive agreement to undertake such action or the termination of a definitive agreement relating to any such actions, other than pursuant to its terms, if material.
14. Appointment of a successor or additional trustee or the change of name of a trustee, if material.

(b) After the occurrence of a Listed Event, whether by notice from the Trustee or otherwise, the County shall file (or shall cause the Dissemination Agent to file), in a timely manner not in excess of ten (10) business days after the occurrence of such Listed Event, a notice of such occurrence with the MSRB, through its continuing disclosure service portal provided through EMMA at <http://www.msrb.emma.org> or any other similar system that is acceptable to the Securities and Exchange Commission, with a copy to the Trustee (if the Trustee is not the Dissemination Agent). Each notice of the occurrence of a Listed Event shall be filed in electronic format as prescribed by the MSRB and shall be accompanied by identifying information as prescribed by the MSRB.

Termination of Reporting Obligation. The County's obligations under the Continuing Disclosure Agreement shall terminate upon the defeasance, prior redemption or payment in full of all the Bonds.

Dissemination Agent. The County may, from time to time, appoint or engage a Dissemination Agent to assist it in carrying out its obligations under the Continuing Disclosure Agreement, and may discharge any such Agent, with or without appointing a successor Dissemination Agent. The Dissemination Agent shall not be responsible in any manner for the content of any notice or report prepared by the County pursuant to the Continuing Disclosure Agreement. If at any time there is not any other designated Dissemination Agent, the Trustee shall be the Dissemination Agent. The initial Dissemination Agent shall be the Trustee.

Amendment; Waiver. Notwithstanding any other provision of the Continuing Disclosure Agreement, the County and the Trustee may amend the Continuing Disclosure Agreement, and any provisions of the Continuing Disclosure Agreement may be waived, provided that the following conditions are satisfied:

- (a) If the amendment or waiver relates to the requirements for providing an Annual Report, to the contents of the Annual Report or the reporting of Listed Events, it may only be made in connection with a change in circumstances that arises from a change in legal requirements, change

in law, or change in the identity, nature or status of an obligated person with respect to the Bonds, or the type of business conducted;

(b) The undertaking, as amended or taking into account such waiver, would, in the opinion of nationally recognized bond counsel, have complied with the requirements of the Rule at the time of the original issuance of the Bonds, after taking into account any amendments or interpretations of the Rule, as well as any change in circumstances; and

(c) The amendment or waiver either (i) is approved by the Beneficial Owners of the Bonds in the same manner as provided in the Authorizing Ordinance for amendments to the Authorizing Ordinance with the consent of Beneficial Owners, or (ii) does not, in the opinion of the Trustee, materially impair the interests of the Beneficial Owners of the Bonds.

In the event of any amendment or waiver of a provision of the Continuing Disclosure Agreement, the County shall describe such amendment in the next Annual Report, and shall include, as applicable, a narrative explanation of the reason for the amendment or waiver and its impact on the type (or in the case of a change of accounting principles, on the presentation) of financial information or operating data being presented by the County. In addition, if the amendment relates to the accounting principles to be followed in preparing financial statements, (i) notice of such change shall be given in the same manner as for a Listed Event, and (ii) the Annual Report for the year in which the change is made should present a comparison (in narrative form and also, if feasible, in quantitative form) between the financial statements as prepared on the basis of the new accounting principles and those prepared on the basis of the former accounting principles.

Additional Information. Nothing in the Continuing Disclosure Agreement shall be deemed to prevent the County from disseminating any other information, using the means of dissemination set forth in the Continuing Disclosure Agreement or any other means of communication, or including any other information in any Annual Report or notice of occurrence of a Listed Event, in addition to that which is required by the Continuing Disclosure Agreement. If the County chooses to include any information in any Annual Report or notice of occurrence of a Listed Event in addition to that which is specifically required by the Continuing Disclosure Agreement, the County shall have no obligation under the Continuing Disclosure Agreement to update such information or include it in any future Annual Report or notice of occurrence of a Listed Event.

Default. In the event of a failure of the County or the Trustee to comply with any provision of the Continuing Disclosure Agreement, the Trustee, the County or any Beneficial Owner may (and the Trustee, at the request of the Underwriter or the Beneficial Owners of at least 25% aggregate principal amount of outstanding Bonds, shall) take such actions as may be necessary and appropriate, including seeking mandamus or specific performance by court order, to cause the County or the Trustee, as the case may be, to comply with its obligations under the Continuing Disclosure Agreement. A default under the Continuing Disclosure Agreement shall not be deemed a default under the Authorizing Ordinance, and the sole remedy under the Continuing Disclosure Agreement in the event of any failure of the County or the Trustee to comply with the Continuing Disclosure Agreement shall be an action to compel performance.

Duties of Trustee and Dissemination Agent and Right of Indemnity. The Dissemination Agent (if other than the Trustee) and the Trustee in its capacity as Dissemination Agent shall have only such duties as are specifically set forth in the Continuing Disclosure Agreement, and the County agrees to indemnify and save the Dissemination Agent and the Trustee, their officers, directors, employees and agents, harmless against any loss, expense and liabilities which they may incur arising out of or in the exercise or performance of their powers and duties hereunder, including the costs and expenses (including attorney's fees) of defending against any claim of liability, but excluding liabilities due to the Dissemination Agent's or the Trustee's gross negligence or willful misconduct.

Beneficiaries. The Continuing Disclosure Agreement shall inure solely to the benefit of the County, the Trustee, the Dissemination Agent, the Underwriter and the Beneficial Owners and shall create no rights in any other person or entity.

DEBT SERVICE COVERAGE

Set forth below is the debt service coverage information for the Bonds. In arriving at the amount of annual Tax receipts for this calculation, the County examined collections of the Existing Tax for the twelve-month period ended July 31, 2015.

Actual Tax receipts collected by the County will depend upon, among other things, the level of retail activity within the County, the economic health of the County, possible future actions by the General Assembly of the State defining transactions subject to the Tax and granting exemptions from the Tax, such as exemptions for food sales. The figure set forth below is only an estimate and there can be no assurance that actual Tax receipts will equal the amount shown below. See **THE TAX**, Future Tax Receipts.

Estimated debt service coverage is as follows:

Estimated Tax Receipts ^{(A)(1)}	\$1,476,129
Maximum Annual Debt Service on the Bonds ^{(B)(2)}	1,061,495
Coverage ^(A/B)	1.39x

⁽¹⁾50% of collections of the Existing Tax for the twelve-month period ended July 31, 2015.

⁽²⁾Using a bond year ending May 1.

PROJECTED MANDATORY REDEMPTION

The table under the caption **DEBT SERVICE REQUIREMENTS** does not reflect possible redemptions from Surplus Tax Receipts, if available. Surplus Tax Receipts are derived solely from Tax collections in excess of the amounts needed to pay principal of, interest on, and Trustee's fees and expenses and administrative charges in connection with the Bonds when due, to pay arbitrage rebate and to pay the Insurer for any amounts owing with respect to the Reserve Policy. Based upon sales and use tax collections for the twelve-month period ended July 31, 2015 and no projected growth, the County estimates the Tax collections will be \$1,476,129. **THERE IS NO GUARANTEE THAT THESE ESTIMATES WILL BE TRUE.** See **THE TAX, Future Tax Receipts**. The Bonds would be paid in full by May 1, 2023 from Surplus Tax Receipts, if these estimates are correct, as follows:

LEGAL MATTERS

Legal Proceedings. There is no litigation pending seeking to restrain or enjoin the Tax or the issuance or delivery of the Bonds, or questioning or affecting the legality of the Tax or Bonds or the proceedings and authority under which the Bonds are to be issued, or questioning the right of the County to adopt the Authorizing Ordinance or to issue the Bonds or to pledge the Tax receipts.

Legal Opinions. Legal matters incident to the authorization and issuance of the Bonds are subject to the unqualified approving opinion of Friday, Eldredge & Clark, LLP, Little Rock, Arkansas, Bond Counsel.

Tax Exemption. In the opinion of Friday, Eldredge & Clark, LLP, Bond Counsel, interest on the Bonds under existing law is excludable from gross income for federal income tax purposes and is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals and corporations; however, it should be noted that with respect to corporations (as defined for federal income tax purposes), such interest is taken into account in determining adjusted current earnings for the purpose of computing the alternative minimum tax imposed on such corporations. The opinions set forth in the preceding sentence are subject to the condition that the County comply with all requirements of the Code that must be satisfied subsequent to the issuance of the Bonds in order that interest thereon be (or continue to be) excludable from gross income for federal income tax purposes. These requirements generally relate to arbitrage, the use of the proceeds of the Bonds and the Improvements. Failure to comply with certain of such requirements could cause the interest on the Bonds to be so included in gross income retroactive to the date of issuance of the Bonds. The County has covenanted to comply with all such requirements in the Authorizing Ordinance.

Prospective purchasers of the Bonds should be aware that (i) with respect to insurance companies subject to the tax imposed by Section 831 of the Code, Section 832(b)(5)(B)(i) reduces the deduction for loss reserves by 15 percent of the sum of certain items, including interest on the Bonds, (ii) interest on the Bonds earned by certain foreign corporations doing business in the United States could be subject to a branch profits tax imposed by Section 884 of the Code, (iii) passive investment income including interest on the Bonds, may be subject to federal income taxation under Section 1375 of the Code for Subchapter S corporations that have Subchapter C earnings and profits at the close of the taxable year if greater than 25% of the gross receipts of such Subchapter S corporation is passive investment income and (iv) Section 86 of the Code requires recipients of certain Social Security and certain Railroad Retirement benefits to take into account in determining gross income, receipts or accruals of interest on the Bonds.

Prospective purchasers of the Bonds should be further aware that Section 265 of the Code denies a deduction for interest on indebtedness incurred or continued to purchase or carry the Bonds or, in the case of a financial institution, that portion of a holder's interest expense allocated to interest on the Bonds, except with respect to certain financial institutions (within the meaning of Section 265(b)(5) of the Code).

An exception allows a deduction of certain interest expense allocable to "qualified tax-exempt obligations." Under the Code, the term includes any obligation which (1) is not a "private activity bond" within the meaning of the Code (excluding from that term "qualified 501(c)(3) bonds"), (2) is issued by an issuer (and subordinate entities) which reasonably anticipates to issue not more than \$10,000,000 of tax-exempt obligations (other than private activity bonds (excluding from that term "qualified 501(c)(3) bonds" under Section 145 of the Code and excluding bonds which have been "deemed designated" pursuant to Section 265(b)(3)(D)(ii) of the Code)) during the calendar year, and (3) is so designated by the issuer.

The County has designated the Bonds as "qualified tax-exempt obligations" and has (1) covenanted not to use the Improvements, the Prior Improvements and the proceeds of the Bonds in a manner which would cause the Bonds to be "private activity bonds" (excluding from that term "qualified 501(c)(3) bonds"), and (2) represented that the County and its subordinate entities have not and will not issue more than \$10,000,000 of tax-exempt obligations (excluding bonds which have been "deemed designated" pursuant to Section 265(b)(3)(D)(ii) of the Code) during calendar year 2015.

Prospective purchasers of the Bonds should also be aware that Section 17 of Act 785 of the Acts of Arkansas of 1993 added new subsections (b) and (c) to Section 26-51-431 of the Arkansas Code of 1987 Annotated. Subsection (b) states that Section 265(a) of the Internal Revenue Code is adopted for the purpose of computing Arkansas individual income tax liability. Subsection (c) provides that in computing Arkansas corporation income tax liability, no deduction shall be allowed for interest "on indebtedness incurred or continued to purchase or carry obligations the interest on which is wholly exempt from the taxes imposed by Arkansas law." On December 8, 1993, the Arkansas Department of Finance and Administration Revenue Division issued Revenue Policy Statement 1993-2, which provides in part:

Financial institutions may continue to deduct interest on indebtedness incurred or continued to purchase or carry obligations which generate tax-exempt income to the same extent that the interest was deductible prior to the adoption of Section 17 of Act 785 of 1993.

As shown on the cover page of this Official Statement, certain of the Bonds are being sold at an original issue discount (collectively, the "Discount Bonds"). The difference between the initial public offering prices, as set forth on the cover page, of such Discount Bonds and their stated amounts to be paid at maturity constitutes original issue discount treated as interest which is excluded from gross income for federal income tax purposes, as described above.

The amount of original issue discount which is treated as having accrued with respect to such Discount Bond is added to the cost basis of the owner in determining, for federal income tax purposes, gain or loss upon disposition of such Discount Bond (including its sale, redemption, or payment at maturity). Amounts received upon disposition of such Discount Bond which are attributable to accrued original issue discount will be treated as tax-exempt interest, rather than as taxable gain, for federal income tax purposes.

Original issue discount is treated as compounding semiannually, at a rate determined by reference to the yield to maturity of each individual Discount Bond, on days which are determined by reference to the maturity date of such Discount Bond. The amount treated as original issue discount on such Discount Bond for a particular semiannual accrual period is equal to the product of (i) the yield of maturity for such Discount Bond (determined by compounding at the close of each accrual period) and (ii) the amount which would have been the tax basis of such Discount Bond at the beginning of the particular accrual period if held by the original purchaser, less the amount of any interest payable for such Discount Bond during the accrual period. The tax basis is determined by adding to the initial public offering price on such Discount Bond the sum of the amounts which have been treated as original issue discount for such purposes during all prior periods. If such Discount Bond is sold between semiannual compounding dates, original issue discount which would have been accrued for that semiannual compounding period for federal income tax purposes is to be apportioned in equal amounts among the days in such compounding period.

Owners of the Discount Bonds should consult their tax advisors with respect to the determination and treatment of original issue discount accrued as of any date and with respect to the state and local tax consequences of owning a Discount Bond.

As shown on the cover page of this Official Statement, certain of the Bonds are being sold at a premium (collectively, the "Premium Bonds"). An amount equal to the excess of the issue price of a Premium Bond over its stated redemption price at maturity constitutes premium on such Premium Bond. An initial purchaser of a Premium Bond must amortize any premium over such Premium Bond's term using constant yield principles, based on the purchaser's yield to maturity (or, in the case of Premium Bonds callable prior to their maturity, by amortizing the premium to the call date, based on the purchaser's yield to the call date and giving effect to the call premium). As premium is amortized, the amount of the amortization offsets a corresponding amount of interest for the period and the purchaser's basis in such Premium Bond is reduced by a corresponding amount resulting in an increase in the gain (or decrease in the loss) to be recognized for federal income tax purposes upon a sale or disposition of such Premium Bond prior to its maturity. Even though the purchaser's basis may be reduced, no federal income tax deduction is allowed. Purchasers of the Premium Bonds should consult their tax advisors with respect to the determination and treatment of premium for federal income tax purposes and with respect to the state and local tax consequences of owning a Premium Bond.

In the further opinion of Bond Counsel, under existing law the interest on the Bonds is exempt from all Arkansas state, county and municipal taxes.

Current or future legislative proposals, if enacted into law, may cause interest on the Bonds to be subject, directly or indirectly, to federal income taxation or otherwise prevent holders of the Bonds from realizing the full current benefit of the tax status of such interest. Recent legislative proposals include provisions that would limit the amount of exclusions (including tax-exempt interest) and deductions available to certain high income taxpayers for taxable years after 2012. It cannot be predicted whether or in what form any such proposal might be enacted or whether, if enacted, it would apply to bonds issued prior to enactment. The introduction or enactment of any such legislative proposals may also affect the market price for, or marketability of, the Bonds. Prospective purchasers of the Bonds should consult their own tax advisors regarding any pending or proposed federal or state tax legislation, regulations or litigation, as to which Bond Counsel expresses no opinion.

It is not an event of default on the Bonds if legislation is enacted reducing or eliminating the exclusion of interest on state and local government bonds from gross income for federal or state income tax purposes

MISCELLANEOUS

Underwriting. Under a Bond Purchase Agreement (the "Agreement") entered into by and between the County, as issuer, and Stephens Inc., as underwriter (the "Underwriter"), the Bonds are being purchased at a price of \$9,574,032.75 (principal amount plus \$15,032.75 of net original issue premium less \$121,000 of Underwriter's discount) plus accrued interest. The Agreement provides that the Underwriter will purchase all of the Bonds if any are purchased. The obligation of the Underwriter to accept delivery of the Bonds is subject to various conditions contained in the Agreement, including the absence of pending or threatened litigation questioning the validity of the Bonds or any proceedings in connection with the issuance thereof, and the absence of material adverse changes in the financial or business condition of the County.

The Underwriter intends to offer the Bonds to the public initially at the offering prices set forth on the cover page of this Official Statement, which prices may subsequently change without any requirement of prior notice. The Underwriter reserves the right to join with dealers and other underwriters in offering the Bonds to the public. The Underwriter may offer and sell Bonds to certain dealers (including dealers depositing Bonds into investment trusts) at prices lower than the public offering price.

The County has agreed to indemnify the Underwriter against certain civil liabilities in connection with the offering and sale of the Bonds, including certain liabilities under federal securities laws.

Enforceability of Remedies. Rights of the registered owners of the Bonds and the enforceability of the remedies available under the Authorizing Ordinance may depend on judicial action and may be subject to the valid exercise of the constitutional powers of the United States of America and of the sovereign police powers of the State or other governmental units having jurisdiction, and to the application of federal bankruptcy laws or other debtor relief or moratorium laws in general. Therefore, enforcement of those remedies may be delayed or limited, or the remedies may be modified or unavailable, subject to the exercise of judicial discretion in accordance with general principles of equity. Bond Counsel expresses no opinion as to any effect upon any right, title, interest or relationship created by or arising under the Authorizing Ordinance resulting from the application of state or federal bankruptcy, insolvency, reorganization, moratorium or similar debtor relief laws affecting creditors' rights which are presently or may from time to time be in effect.

Information in Official Statement. Any statements made in this Official Statement involving matters of opinion or of estimates, whether or not so expressly stated, are set forth as such and not as representations of fact, and no representation is made that any of the estimates will be realized. This Official Statement is not to be construed as a contract or agreement between the County and the purchasers or owners of any of the Bonds.

The information contained in this Official Statement has been taken from sources considered to be reliable, but is not guaranteed. To the best of the knowledge of the undersigned the Official Statement does not include any untrue statement of a material fact, nor does it omit the statement of any material fact required to be stated therein, or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading.

The execution of this Official Statement has been duly authorized by the County.
