Certain investment programs offered by Stephens to clients sometimes engage in purchases or sales of securities that are consistent or inconsistent with Research Analyst recommendations. These programs are managed on a discretionary basis, or provide investment recommendations, by program managers in the exercise of their independent judgment and analysis. Stephens’ directors, officers and employees are allowed to participate in these programs subject to established account minimums and applicable compliance restrictions.

This report has been prepared solely for informative purposes as of its stated date and is not a solicitation, or an offer, to buy or sell any security. It does not purport to be a complete description of the securities, markets or developments referred to in the material. Information included in the report was obtained from internal and external sources which we consider reliable, but we have not independently verified such information and do not guarantee that it is accurate or complete. Such information is believed to be accurate on the date of issuance of the report, and all expressions of opinion apply on the date of issuance of the report. No subsequent publication or distribution of this report shall mean or imply that any such information or opinion remains current at any time after the stated date of the report. We do not undertake to advise you of any changes in any such information or opinion. Additional risk factors as identified by the Subject Company and filed with the Securities and Exchange Commission may be found on EDGAR at www.sec.gov. Prices, yields, and availability are subject to change with the market. Nothing in this report is intended, or should be construed, as legal, accounting, regulatory or tax advice. Any discussion of tax attributes is provided for informational purposes only, and each investor should consult his/her/its own tax advisors regarding any and all tax implications or tax consequences of any investment in securities discussed in this report. From time to time, our research reports may include discussions about potential short-term trading opportunities or market movements that may or may not be consistent with Stephens’ long-term investment thesis, rating, or price target. Please note that we provide supplemental news and analysis in Quick Take blogs available to clients on our website. If applicable, when reading research on Business Development Companies, you should consider carefully the investment objectives, charges, risks, fees and expenses of the investment company before investing. The prospectus, and, if available, the summary prospectus, contain this and other information about the investment company. You can obtain a current prospectus, and, if available, a summary prospectus, by calling your financial consultant. Please read the prospectus, and, if available, the summary prospectus, carefully before investing as it contains information about the previous referenced factors and other important information. Also, please note other reports filed with the Securities and Exchange Commission by the relevant investment company at www.sec.gov. Please also note that the report may include one or more links to external or third-party websites. Stephens Inc. has not independently verified the information contained on such websites and can provide no assurance as to the reliability of such information, and there can be no assurance that any opinions expressed on such websites reflect the opinions of Stephens Inc. or its management. Additional information available upon request.

Each analyst primarily responsible for the preparation of a portion or portions of this report certifies that (i) all views expressed by the analyst accurately reflect the analyst’s personal views about the subject companies and their securities, and (ii) no part of the analyst’s compensation was, is, or will be, directly or indirectly, related to the specific recommendations or views expressed by the analyst in this report. This report constitutes a compendium report (covers six or more subject companies). As such, Stephens Inc. chooses to provide specific disclosures for the companies mentioned by reference. To access current disclosures for the companies in this report, clients should refer to <https://stephens2.bluematrix.com/sellside/Disclosures.action> or contact your Stephens Inc. representative for additional information.
