

Virtual Fireside Chat With PAR Technology (PAR) Management Team

JUNE 27, 2024 | 11:00AM ET

Stephens Inc. will be hosting a virtual fireside chat with Savneet Singh, CEO of PAR Technology. Key topics will include: the company's path to profitability, the roll-out of Burger King, the competitive landscape and the acquisitions of Stuzo and Task. We will conclude with a live Q&A.

About PAR Technology (PAR)

PAR Technology (PAR) is a provider of technology solutions to the enterprise restaurant space, with over 500 customers and 70K locations across product categories. PAR was founded in 1968 and went public in 1982.
